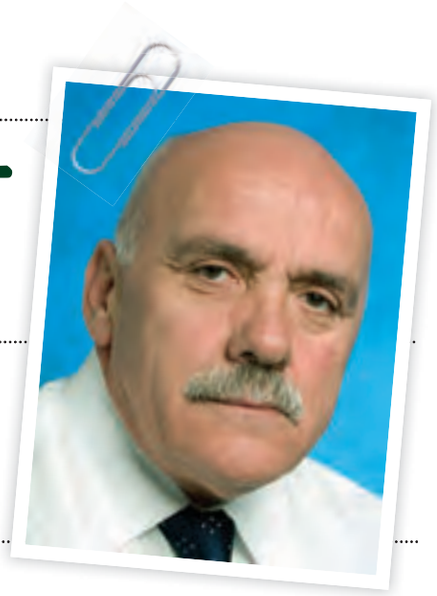
PRESIDENT'S REPORT



The 43rd GSDCA National GSD Show and Trial as hosted by the German Shepherd Dog Club of Victoria was indeed a success despite at time awful weather for humans but great for dogs.

The Club must be congratulated for putting on another great event for the Council. There was a good feel over the weekend: we were all with our friends enjoying what we saw and each other's company. It must be noted that our panel of judges: Herr Lothar Quoll, Herr Heinze Scheerer, Dawn Ayton, Ross Carlson, Dawn and Jill Houston and Dr Candy Baker definitely were the catalyst for the feeling around the ground. I would also like to thank our Patron, Dawn Fraser who has over a very short period of time become one us. She is very engaging, loves to watch show & obedience and have a good time in shared company. I would also like to acknowledge the willingness by a number of interstate members of Member clubs who assisted: what started last year as Council Executive and Member Club conducting the event, the same also happened this year to a lesser degree. There were many helpers who without being asked volunteered their time to assist the GSDCV- a true national effort by all. With dwindling members who take on roles there is a need for host Clubs to put out a call early in order to have key roles filled. I will be asking for a list of 'experts' who are willing to assist to be established and utilised at future Nationals. It was also great seeing international visitors be they handlers and or enthusiasts. It is hard to be critical of any aspect of the event. Unlike last year the runoff of classes was seamless and with less frustration for all concerned. The message for exhibitors to be better prepared with their handlers was heeded and we finished on time every day. I am also most pleased that handlers, exhibitors and visitors all behaved in a sport's like manner and placegetters were duly acknowledged and no silly post show banter was entered into on social media about placings and or influence being exercised.

I can only again reiterate the fact that the GSDCA National GSD Show and Trial is the annual highlight for all GSD Enthusiasts. It allows all of us an opportunity to gauge where the bred is at! It is also important that the judgements are well considered. It is only with an open mind can we learn and apply a better plan to our breeding program: we cannot afford to be biased and or kennel blind if we wish to progress. As we are all aware there have and continues to be an influx of imported dogs from overseas. I can only ask again that the selection of a dog to be imported into this country must be well researched- the bloodline must be investigated and appraised as to true breed worth and its ability to cement further the desired type: we cannot afford to have animals that cannot add and detract from our broad base of bitches that are well bred and anatomically correct. Type, Quality and Harmony must be the drivers for all breeders and therefore they too must research and look back into the pedigrees. Please look seriously at the pool of Australian bred dogs that are dogs of very good type, high quality and who have well-bred mother lines that carry a high degree of predictability.

Now doubt like you, I am looking forward to the 44th GSDCA National GSD Show and Trial to be hosted by the GSDL and held over the Easter Weekend: 25th, 26th & 27th March 2016! Hard to believe that is only 9 months away!!

As always members can contact me on 0401 711 038 or president@gsdcouncilaustralia.org

EDITORIAL

Now I know we said that this magazine would carry all things National, but as everyone will appreciate, the best laid plans of mice and men are apt to go astray.

Now I know we said that this magazine would carry all things National, but as everyone will appreciate, the best laid plans of mice and men are apt to go astray. For this edition, we were racing to get the edition to you whilst it was all still fresh in your memory, which meant a very rigid deadline because our very wonderful designer is off to Italy for a well earned rest and if we did not meet the deadline, we would be seeing this edition in Spring.

So in terms of what this means to you the reader, we would advise that despite our very best efforts, we cannot publish Sires Progeny in this edition. It will appear in the Spring magazine. Apologies, but there should be enough content to keep you going up to then.

The National has been and gone and Melbourne did its absolute best to test everyone's resolve with the weather. I don't think I had been that cold in some considerable time and coupled with the wet, I was very glad to get home. Mind you, the following week it rained here.

To put this edition together is an absolute teamwork exercise. I would personally like to thank the stenos who sat for hours on end in cold windswept tents; the obedience organisers whose grand efforts met my deadlines. A very special thankyou goes to my mate Louisa Rodger who takes all the data and makes sure it gets to me in the necessary format in what was a remarkably short time this year. To the catering team that made us all so welcome, Vince Ebejer for his good cheer, Dawn Fraser who is just such a trooper and our photographers - Ingo and Caron-Lee and Jacinta, a huge thankyou. And to anyone else to whom I owe thanks, please accept that head is not currently working well, so know that you are valued and thankyou very much.

As everyone will note, the National was a particularly hard time for our Presidents and I am sure we all offer him and his family our condolences on the loss of his Mum.

And now to set the tone to the future - the next National is in Sydney and is only 10months away by my counting. The Judges will be Herr Helmut Busse and Frau Magrit van Dorssen. For me, the coming ten months will be hectic - off to USA and Alaska in a couple of months, have a litter planned and shock horror it will Christmas again.

On a more serious note, may I urge everyone to keep an eye on what develops in reward to Greyhound Breeding and Racing. I'm confident we all know people in this space and know all too well that they are far from being tarred with the same brush as those who are currently finding themselves in Court. However, as is always the case, it seems some organisations will use this period to step in and punish the entire fraternity, just because they can. The Greyhound Industry has always been exempt from many of the regulations that apply to you and I because they were allowed to self administer their affairs. This opportunity could be used by those who would seek to destroy pet and do ownership to create the wedge with which to regulate us even further. If you notice anything or are aware of changes coming, please let Margaret Adams know as quickly as possible so that we can be proactive in fighting any proposals that will inhibit our enjoyment of dogs. As always, it's better to be on the front foot!

AWARDS AT THE 2015 NATIONAL

POLICE BITCH ANGEL
HANDLER: SNR. CONSTABLE CAIL TUCKERMAN

For the past several years, the GSDCA has been recognising those dogs whose service in the community warrants recognition. The recipient this year was no exception as you will see from the attached CV provided by the Victorian Police Force. The dog was, however, a very unusual award in that it was made to a bitch and not a dog. Police Bitch Angel is now retired, but remains every ready to work and very keen to do so.

March 2009:
- Issued to S/C TUCKERMAN for participation in General Purpose Course 38

August 20, 2009:
- Qualified as an Operational General Duties Police Dog.

September 29, 2009:
- First Operational Arrest.
- Located a suspect hiding in a back yard after he damaged a house.

Since August 2009, PB Angel has been involved in:-
- The arrest/location of 113 people.
- 41instances of property locations.

During this time PB Angel has also attended numerous Public Order, Crowd Control and Disorder incidents, an aspect of operational duties at which PB Angel excels. It is impossible to quantify through statistics the impact PB Angel has, and the value of the support her presence provided to uniform members when attending such incidents.

KENNELS AWARDED GSDC BREEDERS ACHIEVEMENT AWARDS

Once again it is a great pleasure to be able to acknowledge kennels that have qualified in Australia and New Zealand for the GSDCA Breeders Achievement Awards.

The acceptance of the GSDCA Hip Dysplasia and Elbow Dysplasia Control Scheme since 1983 and 1993 respectively has meant that the GSDCA has been able to compile very important statistics in regards to the occurrence of hip dysplasia and elbow dysplasia within German Shepherd Dogs in the breeding program in this country.

Congratulations to the kennels listed below and to all breeders for your continued support of the GSDCA HD/Ed Control Scheme which has seen a dramatic decline in the number of animals severely affected with severe hip and elbow dysplasia.

BREEDERS GROUPS
2015 GSDCA NATIONAL SHOW AND TRIAL

Three groups were entered in this year's National and all were presented on the day for adjudication. The three breeders are to be congratulated on the achievement of being able to present a group of 5 animals at the same show. The states represented were New South Wales with Andacht Kennels, Victoria with Bronacre Kennels and South Australia with Vonpeta Kennels.

The object of the Breeders Group is present a group of uniform type and colour – 'to look like peas in a pod'. Ideally, we see a clear definition of the sexes, with that uniformity of type and presentation, from the highest number of sires and dams. This is to show the strong kennel type exhibited in their breeding program.

1st – Vonpeta Kennels

This year, the winner of the Breeders Group at the 2015 GSDCA National Show and Trial was **Vonpeta Kennels**, owned by Peter Damarell and Jane Pike. Their group consisted of 2 males and 3 females from 4 sires and 4 dams. All animals presented were over 12 months of age and presented in the show, attaining the highest gradings for their ages. The group was very well constructed and presented, with obvious consideration to the placement of animals within the group to present the best picture. The handlers worked together well as a team. The group present uniformity of type, of medium strength and very good proportions, the toplines were very good with high withers and normal croups. The heads very good, with clear definition of sex characteristics, between males and females. The firmness of the hocks was variable in the group. Movement was of very good ground coverage. The placings of the animals in the group were Open Dog 6 & 30, Junior Bitch 12, 35 & 42. A very deserving first time winner.

GSDCA_National_2015_ART.indd 15 5/06/2015 10:26 am

2nd – Andacht Kennels

The second place group was last year's winner **Andacht Kennels** owned by Laurelle Reilly. This was a group of 5 Open males, from 4 sires and 5 dams, 4 of the group were presented in the Open Class at the National. The uniformity of type was very good, but unable to see definition of sexes with no females presented. The group did not work well together, as there was some tension between some of the males that detracted from the overall harmony of the group. The overall colour and pigmentation of the group was excellent, as has been exhibited in previous years and is a hallmark of Andacht Kennels, with very good firmness of hocks. There was some variation in overall firmness of ligamentation and length of underchest in the group. The placings of the males were Open Dog 11, 15, 21 & 27. This is an excellent achievement to present 4 highly placed males in the Open class.

3rd – Bronacre Kennels

The third placed group was **Bronacre Kennels** owned by Peter and Edwina Neale. This is a group of 5 females, from 4 sires and 4 dams. This group has a greater variance in age, from 8 months to 4 years, so is harder to present the uniformity of appearance required, as 1 female is not yet fully grown. This is overall again a very good group, but lacking a male to provide the differentiation of the sexes. The overall type is very good, with very good pigmentation and colour. The heads very feminine with very good expression. The toplines were very good, with very good wither placement, and overall of medium strong bones. The placings of the group were Open Bitch 2 & 19, Intermediate Bitch 51, Junior Bitch 27 and Minor Bitch 6. Congratulations on presenting a very good group and look forward to seeing future groups from Bronacre Kennels.

NOVICE COMPANION DOG

Ms Dawn Ayton

Whilst she judged the Novice events at this year's National, Dawn Ayton is no novice herself. She trained her family pet to gain its first Novice Title in 1978.

Since that time, she has gone on to achieve many qualifications and has trained extensively in canine behaviour and training methods, ranging far afield here and overseas to attend the best training she can access. Dawn is a working aptitude evaluator and has judged temperament tests in the USA and at numerous Dobermann Nationals in Australia. Her licences includes full panel Obedience judging, Rally O and Endurance judging and she is now a member of the Obedience Tracking and Endurance Committee in Victoria and is now a judge assessor.

On a personal front, Dawn's last performance dog, a Rottweiler, obtained 17 titles in 8 disciplines.

WIN A MICRO PRODUCTS AUSTRALIA

RT100 V8 RECHARGEABLE BLUETOOTH READER

The winner is Adam Toretto from Canberra!

Congratulations Adam - no more mixed up puppies for your kennel.

MAKE YOUR DOG A STAR!

It used to be that you would see GSDs everywhere and that kids would be out playing in the street after school with all the local dogs out with them! Times, and legislation have changed and all dogs are kept out of the public domain. With a breed, like ours, that is sometimes kept away from the public, those animals that turn up in cafes, at parks, waiting outside shops do a lot to disseminate the poor impressions of the breed that persists in our community.

We had some fabulous photos of dogs at rivers, on beaches in cafes on buses..... and the two that Fran Farley has chosen appear here. We would like to Congratulate everyone who sent in an entry and urge them to continue doing what they do. Your dogs are an absolute credit to you.

And if you haven't started getting your well behaved dogs out an about, consider this- winter is a great time for walks and hot choclate.

"Successful dog breeding is not about breeding one successful animal. It is about developing consistent winning specimens of similar type through families. Such families are always underpinned by strong consistent bitch lines."

Kid's mother is a full sister to Gr Ch Vonpeta Taykall By Storm AZ 2008 Gold Medal. The mother line of Vonpeta Eva & Eisenland B Witched, both stunning and successful bitches, carry the proven lines of Iwan Lechtal & Lesko Wildsteigerland. The pedigree is void of Kwint Juerikstall, Cayos Noriswand & Esko Haus Zygato lines which makes him an attractive proposition to those bitches who carry these extremely prestigious lines. CLUB NEWS

THE GERMAN SHEPHERD DOG CLUB OF VICTORIA

Wow, what a 2015 National Show & Trial ! Straight up, THANKS to anyone who helped in any small way to make this massive event a success, and also to the exhibitors and their dogs - it was a pleasure and we hope you enjoyed Melbourne and the show ! Special thanks to Show manager Andrew Jones, show secretary Vicki Dobson and Trial manager Dearne Jackson and their 'teams'. To our Show Gold Medal winners Toby, Yolee, Pakros and Kinta and all connections – Congrats. In obedience Andrew McDonald won Gold with his boy Robbie – his 10th National Gold medal in obedience – that's got to be a record ! Great to see the 3 obedience class winners duel it out in the show ring for Winner of Winners too! Back to back Dual Performance titles too for Caro Anderson and Kira. Not an easy feat, great stuff. And the Junior handlers in the ring on Friday was a great sight to see. All were lauded at the presentations by guest MC David Hynd, along with all other winners and placegetters.

Dogs aside, the other 'star' of the show was our Patron Dawn Fraser. A true GSD owner and lover, Dawn enjoyed every moment at the show, with the dogs and talking to everyone. At the Presidents dinner she explained just how important her own GSDs are to her, and we are lucky and proud to have Dawn involved, we know how much she enjoys our breed. Thanks Dawn, you're a star! (wish I had a dollar for every pic taken with Dawn over the weekend too :)

For Victorians, it was great to see Ted Whitten jnr at the presentation of charity funds raised for the E J Whitten Foundation, almost $5000 all up. Ted spoke of the important work the Foundation does raising awareness for Prostate Cancer in men and also reminded blokes to go get checked! Big Cheers for those receiving service and recognition awards at the opening ceremony, especially our own Val Moody, Frank Moody, Daryl Bourke and Ian Urie. Well deserved!

Lothar Quoll's presentation at the Presidents Dinner was well received, but he was outdone by Tiffany and Steph Jones, Shirley Taylor, Dawn Fraser and Harvey Cottontail on the dance floor later in the night. Lots of laughs at a great evening. Think about going next year – it's not just a stuffy old dinner you know !

Never underestimate the working ability of our dogs, the excellent medals obtained in the obedience rings were superb performances. A first for this national too was the rally obedience trial on Friday. It's harder than it looks to follow signs around a ring and there were some terrific performances by handler and dogs !

You won't forget the Melbourne national in a while as everyone is strutting around in our flashy merchandise – jackets were a necessity for the show, and we hope you keep promoting the national while looking great. The bbq and bar were flat our each day, run by Peter, Rosie and Jenny and their band of helpers. Everyone's happy if they have a drink and bacon & egg sanga !

In Victoria we're always trying to raise the bar – and this year the innovative phone app, live streaming and rapid results access online/in app meant so many more enthusiasts kept up with the action. Those viewing the open classes from Adelaide, Perth, Brisbane and New Zealand got an armchair seat to the action – some even said the view was better than being there :) (perhaps only 'cos it was warmer!)

We know the weather wasn't perfect over the weekend, but it didn't dampen the enthusiasm of dogs. The dogs knew no different and put their best foot forward. Good sportsmanship across the board rounded out a terrific show and trial. Again, thank you to everyone. See you next year in Sydney!

ACT GERMAN SHEPHERD DOG ASSOCIATION

Congratulations to long time club members Glenn and Kim Gregory and family of Glenbala Kennels, for the fantastic results of their bitch Luna, *Ch Glenbala Ambitious Witch 'A' 'Z' BSCL 1, who was named as 2014 Runner Up NSW Showdog of the Year. What a great result!

Congratulations as well to Sam and Lauren and their dog Zac, Uhlmsdorf Black Douglas AZ, who was graded Best Junior Dog in Show, Challenge Dog and Best in Show at the GSDL Easter Show.

Well Done to all our members who entered the National Show held in Melbourne earlier this month. For such a small club, we had quite a large number of entries and did really well with placings which included 2 excellent gradings.

It is just over 4 months until our two October shows, 3rd and 4th October, with UK Judges Mr Terry Hannan and Mrs Lily Hannan. If you would like any further information regarding these shows you can contact our Show Secretary, Peta on (02) 6299 0018 or email her at hana1@tpg.com.au

and bitches - *Albata Yolee AZ SC owned by Frank & Carla Ali from Halifax North Queensland, *Shernaa Pakros aED LSC (Imp UK) owned by Nicole Hammond from Helidon (South East Queensland) and *Ch Avalee Girls Keep Secrets AZ ET LSC owned by Judy & Irene Hayton from Childers (Central Queensland) & Danni Mayne (Victoria). Congratulations also to Club members Andrew & Rachel Jones who are part of the syndicate of owners of the Gold Medal Dog *Toby vd Plassenburg aED (Imp Gmy) SC and while Toby doesn't live here in Queensland and Andrew & Rachel live in Victoria we can say a very big 'well done' to these members. Winning any class at a National is very difficult so congratulations also to the syndicate of owners and Club members John & Pam Oar whose Kyoara Fabio AZ SC won the Junior Dog Class and to Club member Lyn Gregor and Cathy Shayler whose Kelinpark Icing on the Cake LSC won the Minor Puppy Bitch Class. Mention must be made to all members of the Club who managed to get their puppies or dogs 'on the pegs' at the National. Well done to all. Congratulations also to Dell Francis the owner and breeder of the only two Queensland dogs to qualify at the National Obedience Trial - Novice bitch *Jaykri Natalya AZ CCD who scored 184 points and Open bitch *Jaykri Kameko AZ CCD CDX who scored 179 points.

The Club's first Members Competition was held at Logan Obedience grounds on the 6th June under Queensland Judge Mr. Barry O'Rourke. While the entry was modest everyone had a good time and it was a great training opportunity for the puppies. Depending on interest more Members Competitions are planned for next year.

Queensland is counting down the days until our July Championship Show & Trial double header weekend on the 11th & 12th July with Judges Malcolm Griffiths (Colombia) and Jenny Yuen (Victoria) judging the show and Warren Doyle (Qld) judging the Obedience Trial. Feedback from interstate exhibitors is excellent and we are expecting a very good entry and a full weekend of social events is being planned. A full report will be in the next Review. The Club is also in 'fund raising frenzy' and the first raffle for the year was a Mother's Day Basket donated by our new Treasurer Edi Fearon. The winner was Jacki Redmond who mentioned she had a very special person in mind to give it to. Raffle tickets are on sale for the beautiful painting of Queensland draft horses donated by Margaret Reidy. This painting is valued at $600 and cash prizes will be second and third prize. All proceeds go to the Championship Show & Trial.

Members help will be called for to help out at a Bunnings BBQ to raise money for the Club on the 14th June and a Family Fun Day is being planned for later in the year. The Judge for the Queensland State Breed Exhibition being held in September is Fay Stokes (NSW) and Carol O'Rourke will be judging the Shepherds at the Ipswich Kennel Club in October. Tabitha Young will be judging the September Obedience Trial. So Queensland is busy, busy. That's all for now – enjoy your dogs and see you next time.

GERMAN SHEPHERD DOG ASSOCIATION OF WESTERN AUSTRALIA

All is running smoothly over here in the West. It certainly appears that our membership and attendance is growing which is always pleasing. This year has been extremely enjoyable and has flown by. Now beginning the process of organising our 2015/2016 year with our nominations for positions and voting for the next committee.

The 2015 S.B.E. was a very successful weekend with congratulations going to these highlighted dogs. Congratulations to the Sieger *Seigen Suris Alfie AZ Excellent Merit, owned by Tracy Roberts and Christine Gallacher and the Siegerin * Ch Friedental Bliss Fulicious AZ Excellent Merit, owned by Natalie Humphries and Christine Gallacher. Top Show and Obedience Senior was *Volscaro Ciao Bella AZ CCD Excellent Merit owned by Tracy Roberts and Lorraine Pearson, Top Show and Obedience Junior was Volscaro Lenton Brae AZ owned by Rachel Laubsch. The Breeders Group was won by Iccara Kennels, congratulations to Chivaun and Sophie Mailata. A HUGE thank you to our members who supported our raffle over that weekend our chosen charity was 'Dogs for Diggers' and we are pleased to announced that over $650 was raised for this important charity.

Rod Vernon came over the adjudicate just prior to the National. After the show we ran a Fish and Chip dinner where Rod was able to give a talk to the members.

Thrilled with the results of our Sandgropers at the National - it is a great time to catch up with old friends and see so many wonderful examples of our breed. Many of our dogs were on the pegs with top gradings, we always seem to be up there. It is a long way for us to travel and a particularly expensive exercise having to take extra days off work, pay for accommodation, flights and van hire to accommodate our dogs. Well done we are all very proud of you,

Our show fraternity will be pleased that we can now enter online - saving all those rushed trips to drop off entries!!!

Our first Rally O obedience trial for the year was run on the Anzac weekend and I am sure everyone who competed would enjoy their day.

Our President recently visited the Western Branch of the GSDCV while he was in Victoria on holidays.

He had a great time at the ground and would like to thank Marilyn, Dom, Val, Frank & Shirley for their hospitality to both Ian and his wife Dorothy.

It gave Ian the opportunity to observe the training methods in both obedience and show and it was clear that there is very little difference between what we do in the West and what Victoria do in the East.

Dorothy & Ian enjoyed the company of the Western Branch members so much that they have decided that each time they are in Victoria visiting their Son and his family they will make the trip to the branch.

Once again many thanks for the welcome they really appreciated it.

Upcoming events -

Our next Obedience Trial will be on July 25th -

Our next breed survey is scheduled for June 14th

Our next Members Competition is to be judged by Robyn Knuckey - this will be held in conjunction with an Open Show judged by Delia Wells on July 5th

Good luck to all who are entered in these events

Until next time take care love your dogs - because they love you!

YOUTH REPORTS

YOUTH AT 2015 NATIONAL

The 2015 National in Melbourne was another great GSD event and it was great to see so many youngsters involved in and around the rings. This year saw us have a handling masterclass on the Thursday and the child handlers classes on the Friday.

Despite the weather on the Thursday it was great to see 14 handlers come to the handling masterclass and take the opportunity to learn from some of our best handlers. It was also great to see a big crowd around to watch the afternoons events. This hour was spent with each of the participants split up into small groups with a handler and there own to dog to spend the hour asking questions and practicing what they had been speaking about to get feedback on their skills. It was a great afternoon with everyone having a great time and learning lots of new things. I would like to give a big thank you to our handlers Sharon Ballantyne, Craig Rice, Hazel Docherty, Andrew O'Loughlin and Peter Hersant for coming down and helping to make this event such a success. I would also like to thank the Victorian club, Robyn Knuckey and Jane Pike for their help organising the event I hope you can all take this format and use it at your own club and have more great events like this in the future.

Friday saw the Child handler classes judged by Dr Candy Baker with 17 kids across the 3 age groups from 6 different states. In the 7-10 both Max and Baylie did a great job both with different experience levels I'm sure we will see them both in the ring in the future. The 10-13 age group had 6 participants many of who we saw putting into practice what they had learnt at the master class the day before. The 13-18 age group had 9 participants who we saw in child handlers and handling in a number of classes over the weekend. It was great to see all these youngsters showcasing their skills in these classes and continuing to gain experience spending time with the GSD.

I look forward to seeing all the youngsters at the next shows and club events and hope you continue to enjoy the GSD!!

EDITOR'S SPECIAL AWARD

We recently ran our Editor's Choice photo competition and had a marvellous entry from so many wonderful GSD owners! I'd like to thank everyone who contributed and remark that to date, this has been our best ever result in competitions run through the QNR. The standard of entry was just brilliant and the finalists appear below. The winning entry is on the back cover and makes for a very pretty view of GSDs!

I only regret that I have only one prize for this and well done to everyone.
