

JUDGES REPORT

GSDL – State Breed Exhibition (NSW) – Judge Melanie Groth

Bill Spilstead Complex Luddenham Road Orchard Hills – August 18 and 19 2018

The show was run by the GSDL and held over two days commencing at 8:30am, finishing at 2:30 on Saturday and 3:30 Sunday. On Saturday, judging included all classes (LSC followed by SC) with the exception of Junior and Open; these were judged on Sunday. The progeny parade occurred on Sunday prior to the Open class final summation and run off. Eight sires were eligible with progeny numbers entered in the show, however only four sires presented. These were Conbhairean Freddie, Djambo Fichtenschlag, Gerry Schacher and Vablo Osterbergerland.

There were no dams' progeny or breeders' groups presented. For future reference the scheduling of the show could include the junior classes on the Saturday and progeny groups so that the progeny do not have to come on the Sunday. The show flowed well, with excellent stewards, Cathy Shayler and Kurt Morton. Fay Stokes was the stenographer. The show manager Tony Lyons and Anne McKenzie the Show secretary provided timely results and a good ring set up. The windy conditions played havoc the management of paperwork, and with the off-lead gaiting on the Sunday but most of the dogs remained under control and it did not adversely affect any of the exhibitors. Reducing the size of the ring for baby and minor classes enabled us to save time with judging. Most of the animals were reasonably well trained however more work needs to be done on the teeth examination and the assessment of the tracking of steps and hocks and elbows on the out and back exercise.

The wind however did impact on some of the animals in the assessment of the character and I believe it unsettled a number of exhibits. Unfortunately, as a result I had to penalize placings depending on the severity and in some cases animals were ungraded. One animal in the open class failed the gun.

With a total entry of 97 of which 86 were exhibited the atmosphere was light and very sportsmanlike. The vast majority of puppies were graded very promising. It was pleasing to note the number of high quality long stock coats. The winners of each of the classes were able to attain the maximum grading eligible.

Total 97 entries 86 exhibited

Virtues and Faults

In the Open classes, I was able to grade the State Sieger title to both varieties dogs and bitches.

On the whole the quality was very good in both varieties. The colour and pigment on the vast majority of animals is very good, there were very few issues with dentition. Care needs to be taken with bone strength and size. Many of the animals stood on the upper limits of size and in some cases were oversize. In general, the bone strength, whilst medium strong in most of the exhibits it needs to be stronger overall. Care still needs to be taken with the length of the lower chest and this is particularly evident in the long stock coats. Eyes in general were of medium to dark colour. Very few light eyes. The skull and foreface on a number of exhibits needed to be broader. In general, upper arms were set a little steep and many were not of the desired length. Most hindquarter angulation varied from slightly deep to deep and this affects the stability of the hock joints. Care needs to be taken with backlines as many of the best exhibits possess a bend in the lumbar spine and this is generally coupled with a steepness of the croup. Foreleg length on the whole was very good and most exhibits possessed good proportions.

The group of Gerry Schacher had excellent quality animals that gained high placings with the LSC State Siegerin and the Intermediate and Puppy dog winners. The combination of Kelpark Icing On The Cake and Conbhairean Lauser has clearly been a very good pairing having been repeated and the combination of the Vladimir bitch lines through Anarchy across Eroica Catch Me If You Can and Djambo Fichtenschlag have been very successful also with the puppy bitch winners SC who has lovely littermates interstate and the LSC Puppy bitch winner also. Vablo has combined well with the Sundeneka Fulz di Zenevredo daughter to produce a very lovely intermediate female and some good solid performances through the classes. Conbhairean Freddie also produced some lovely progeny that were highly placed.

Handling

Many of the exhibitors tend to rely too heavily on attraction from outside the ring and this mars the performance of the animals as they do not show themselves to their best. Much more work needs to be done on making sure animals are prepared for the measuring stick, having their teeth checked and the individual examination.

Conclusion

I'd like to thank the GSDL for the opportunity to judge the SBA 2018 and look forward to watching the further development of the animals exhibited this weekend.

Melanie Groth

STATE BREED EXHIBITION

Judge – Ms. Melanie Groth (NSW)

LSC JUNIOR BITCH

Graded – 1 Very Good

1 Sundaneka Happy go Lucky AZ

*Gavin v Hassenborn (Ndl) BH AD HD ED/*Sundaneka Xynas Xcstasy AZ

Exh. G&K Stevenson

Breeder – Exh

58 – 25 – Double PI lower left – Medium size, medium strong, well coloured, well pigmented black and gold female of pleasing type, compact proportions, very good head and expression, well placed ears of good size, very good masking, medium eye, the neck should be a fraction longer, level wither, firm back with a slight downward bend in the lumbar spine, the upper arm should be longer, slightly deep hindquarter angulation, broad thighs, good fore and underchest. Standing not quite correct in front, good length of foreleg. Steps correct at rear with good firmness of hock and elbow joints. In movement shows good balance and sequence of steps, however needs a little more training.

LSC INTERMEDIATE BITCH

Graded – 1-2 Very Good

1 **Crytara Silk Sox** 2100467942 - 1/01/2017

* Conbhairean Lauser (UK) HD ED / Kelinpark Icing On The Cake A Z
Exhibitor: Shayler C/Smith D *Breeder: C. Shayler*

61.5cm - 27.5. Correct dentition. Very large, medium strong, expressive, slightly elongated black and gold female of pleasing type with good long running bones. Good head where the eyes should be slightly darker and she should be stronger in skull and foreface. Good length of neck that is set slightly erect. Slight nick behind wither. Straight back, well moulded slightly short croup. Very good fore and hindquarter angulation with very good length of foreleg. Good fore and just slightly short underchest. Stands correct in front. Shown in slightly out of coat condition. Steps correct at front and slightly narrow at rear. Slight cast to the right in the tail. In movement, shows very good drive and reach with firm overline She is very light on her feet.

2 **Kingvale Ima Hottie AZ** 2100467925 - 10/01/2017

* Veneze Lutz (UK) a ED / Ch Kingvale Golden Dream A Z
Exhibitor: S&I Pacek *Breeder: Ex*

58.5cm- 26.5cm depth of chest. Dentition correct. Medium size, medium strong, just slightly elongated black and gold bitch of good type who should be just a little more self-assured. Good head where the stop should be more defined and the eye slightly darker. The underjaw should be stronger. Well shaped ears that are set low on the skull. Ideally the neck should be a little longer. Level wither, firm straight back, slightly short and slightly steep croup. Good fore and slightly deep hind angulation. Good fore and slightly short underchest. Stepping a little narrow at rear, correct in front. Good firmness of hock joints. In movement shows very good ground coverage with firm back and good topline.

LSC LONG STOCK COAT

Graded – 1 – Excellent Merit

1 * **Jaknell Ruby Tuesday AZ** 2100459014 - 3/07/2016

*Ch Gerry vom Schacher (Deu) a ED / Jaknell Rolling Stone A Z
Exhibitor: A&J Kada *Breeder: Exh*

60 – 29 – Large, medium strong, feminine, very well constructed, well coloured black and red female with very good pigment. Very good head and expression, medium eye colour, very good masking, ideally the stop should be a little more defined, very good length of neck which is set a little erect, level wither, firm back, with a slight downward bend in the lumber spine, well moulded croup, very good fore and just slightly deep hindquarter angulation. She should stand a little more correct in front, very good fore and underchest. Steps a little narrow at rear and not quite correct coming. In movement, she shows very good power from the rear with very good reach maintaining a good wither line and very good outline, however the pasterns should be a little firmer. During the off lead gaiting she maintained very good control, a very good sequence of steps and overall outline. She is absolutely is firm and dry.

Excellent I - 2

1 * **Kingvale Keeper Of My Dreams AZ** 2100447449 - 26/02/2016

*Ch. Sundaneka True Blue (IID) A Z / Kingvale Magical Powers A Z
Exhibitor: S&I Pacek *Breeder: Exh*

60 – 29 – Large, medium strong, slightly stretched black and gold female of very good type, expressive feminine head, desired masking, eye is medium, very good placement of the ears, the neck is set a little erect. Level wither, firm straight back, well moulded just slightly short croup. Very good fore and just slightly deep hindquarter angulation, good fore and underchest, stands correct in front, where the elbows are just a little open. Steps a little narrow at rear correct at front, hock joints could be a little firmer. In movement, displays very good power from the rear with very good reach maintaining a good topline and a good sequence of steps. During the off lead gaiting she maintained her very good sequence of steps, falling just slightly on the forehand whilst remaining under very good control.

2 * **Kuirau Kristen AZ** 2100452957 - 20/05/2016

*Ch Kuirau Casey Stoner A Z / *Kuirau Xquisite Lady A Z

*Exhibitor:***P,D&J Murray**

Breeder: **Exh**

60 – 25.5 – Large, medium strong black and gold female of pleasing type, very good feminine head and expression, ears are of good size but could be slightly better shape and are set slightly low on the skull. The eyes are a little round but of good colour. The neck is a little erect, high wither, firm straight back, well moulded just slightly short croup. The upper arm is well angled but should be longer, very good hindquarter angulation, good fore and underchest, good length of foreleg. Stands and steps correct in front, slightly narrow at rear. In movement shows very good gait with just a slight restriction in reach, the pasterns should be a little firmer in movement, maintains a good topline and is firm and dry. During off lead gaiting she maintained her drive with a good sequence of steps, holding her wither line. Demonstrated very good control.

Very Good 1 - 2

1 * **Kelinpark Icing On The Cake AZ**2100412729 - 22/08/2014

*Ch. Kelinpark Travellin Man TD A Z / *Kelinpark Butterscotch A Z

*Exhibitor:***C. Shayler**

Breeder: **L.Gregor**

62 – 28 – Oversize, strong and substantial very well constructed female of pleasing type, expressive feminine head with very good masking, dark eye and very good ear set. Strong and powerful neck, slight nick behind high withers, firm back which has a slight bend in the lumbar spine, well moulded slightly short croup. Very good fore and slightly deep hindquarter angulation, very good fore and underchest, very good length of foreleg. Steps a little narrow at rear where the hock joints should be firmer. Stepping not quite correct at front. In movement she displays very good drive and reach with very good ground coverage maintaining a very good overline. She is firm and dry. During the off lead gaiting she maintained a very good sequence of steps with very good ground cover whilst holding her wither line. It is acknowledged that this female has produced some lovely progeny from two different pairings and it is size that has prevented elevation to the highest grading today.

2 * **Sundaneka Tequilas Taleesha AZ**

2100440960 - 23/11/2015

*Ch. Ustinov vom Romerland (Deu) a ED/ *Sundaneka Tequila Sunrise A Z

*Exhibitor:***L.G. Yates**

Breeder: **G&K Stevenson**

62 – 29.5 – Oversize, strong and substantial, elongated black and red gold female of pleasing type, very good pigment, shown in slightly heavy condition. Very good head and expression, ideally the underjaw could be a little stronger, desired dark eye, ears are well placed on the skull, strong powerful neck, high wither, straight back, steep well moulded croup. Very good fore and slightly deep hindquarter angulation, very good fore and underchest, good length of foreleg, standing and stepping not correct in front. Steps very cow hocked and narrow at rear. In movement, she shows good drive and reach with good ground coverage, however the hocks impede her drive and the back ligamentation should be much firmer. During the off lead gaiting she shows a slight restriction in reach and falls a little on the forehand.

LSC 2018 NSW SIEGERIN - *JACKNELL RUBY TUESDAY AZ

LONG STOCK COAT DOGS

LSC JUNIOR DOG

Graded – 1 – 4 Very Good

1 **Cinderhof Vandaal AZ**

2100478612 - 20/05/2017

*UK Ch Conbhairean Freddie (UK) A ED / Fremont Hot Stuff A Z

*Exhibitor:***R Hornick**

Breeder: **Lynch L/Cathie J**

65.5 – 28 – Very large, strong and substantial well proportioned black and gold male of pleasing type, very good pigment and colour and quality of coat, very good head and expression, eye could be just a little darker, well sized ears placed correctly on the skull. The neck is set just a little erect, high wither, firm back, slightly short, slightly steep croup, good fore and very good hindquarter angulation, good fore and underchest, good length of foreleg, standing not quite correct in front. Steps correct at rear with good hock joints, elbows are a little open, carries his tail with a cast to the left. In movement he shows a very good sequence of steps with very good drive and reach, maintaining a very good overline.

LSC OPEN DOG

Graded – I Excellent Merit

1 * **Siobahn Greyt Impact (AI) AZ** 21000756441 - 4/10/2015
 *Ch Eroica Catch Me If You Can A Z / *ChVladimir Greyt Sensation A Z
 Exhibitor: I Selby *Breeder: A&Y Yun*

65.5 – 32 – Very large, strong and substantial, well pigmented red sable male of compact proportions. Masculine head with defined stop and slightly domed skull, slight roman nose, the deep set eyes should be just a little darker, very good ears that are set well on the skull, strong powerful neck that should be just a little longer, level wither, firm back, well moulded just slightly steep croup. The upper arm should be just a little longer but is well angled, very good hindquarter angulation, good fore and underchest, good length of foreleg, pasterns should be a little firmer. Steps slightly narrow at rear correct at front. In movement, displays very good drive with just a slight restriction in reach maintaining a very good wither line with very good ligamentation of the back. During the off lead gaiting he maintained a good sequence of steps with good balance, a good wither line and showed very good control.

Ungraded

***CH Sundaneka True Blue AZ** 2100379583 - 11/02/2013
 * Fulz di Zenevredo a / *Xyna vom Niemberger Eck (Deu) a ED
 Exhibitor: Stevenson G&K/Eaton K *Breeder: K&G Stevenson*

65 – 28.5 – Large, strong and substantial, compact male of pleasing type, masculine head, pronounced stop, where the eye is a little round, very good masking, well sized ears that are placed just a little low on the skull. The neck should be a little longer and is set a little erect. High wither, straight back, well moulded croup. The shoulder is slightly forward placed and the upper arm is set a little steep, very good hindquarter angulation, good fore and just slightly short underchest, slightly erect pasterns, stands and steps correct at front and rear. In movement, shows a good sequence of steps showing very good drive just a slight restriction in front with a stepping action. The pasterns should be firmer. Did not perform in the off lead gaiting exercise. His reaction to the gun test was not sufficient to pass.

59 – 27 – Well above medium size, strong, well constructed slightly elongated black and gold female of pleasing type. She should show herself more self assured on the measure and on the individual examination. Very good head and expression, eyes should be just a little darker, large well set ears. Good neck into level withers straight back, slightly short, slightly steep croup. Good fore and just slightly deep hindquarter angulation. Good fore and very good underchest. Steps correct at front and rear, the hock joints should be firmer. In movement, shows very good drive, a slight restriction in reach with good back ligamentation, maintaining a good overline.

OPEN BITCH

Graded – 1 – 2 Excellent Merit

1 * Andacht Gypsy Moth AZ 2100417133 - 20/10/2014

* Ury vom Zisawinkel (Deu) a ED / *Andacht Picadilly Lilly A Z
*Exhibitor:***PR & DJ Smith** *Breeder:* **L.Reilly**

58.5 – 28 – Correct dentition. Well above medium size, strong slightly stretched female of pleasing type and excellent construction. Presented in slightly out of coat condition. Expressive with very good head structure, ideally the eye should be slightly darker. Very good planes of the skull and foreface. Strong powerful neck, very good top and underline, very good fore and hindquarter angulation, very good fore and underchest development, very good length of foreleg, standing correct in front, steps correct front and rear, where the toes are a little open. Far reaching expansive movement with very good muscular development with excellent ground coverage. During the off lead gaiting she maintains her very good ground coverage just falling very slightly on the forehand with very good control.

2 *CH Vladimir Greys ThNew Black AZ 2100368522 - 8/09/2012

*Ch Siobahn Apollo A Z / *Sup.Ch.Vladimir Anarchy ET A Z
*Exhibitor:***G&K Morton** *Breeder:* **Exh**

61 – 29 – double PI upper right – Very large, just medium strong, slightly stretched sable bitch of very pleasing type, very good colour and pigmentation. Feminine head and expression, large ears which are well set. The eyes should be a fraction darker. Good length of neck, high wither, firm straight back, well moulded just slightly short croup. Very good fore and slightly deep hindquarter angulation, good fore and very good underchest, very good length of foreleg. Stands and steps correct at both front and rear. Ideally the bones should be stronger for her size. In movement, she displays powerful drive with very good reach maintaining a very good wither line, firm and dry. During the off lead gaiting she maintained very good outline with very good sequence of steps and good ground coverage with very good control. Her progeny performed very well this weekend and at the National in April. Her predominant motherline and excellent family is an asset that enables her to be elevated to the excellent merit grading this weekend.

Excellent 1 – 5

Breeder

59 – 29 – Well above medium size, medium strong, well pigmented and well coloured, well constructed female of pleasing type. Feminine head and expression, large ears that are set well on the skull, very good planes of the skull and foreface. The neck is set just a little erect. High wither, firm back, well moulded just slightly short croup. The upper arm is of good length but slightly inclined and the shoulder blade is set slightly steep, slightly deep hindquarter angulation. Good fore and pronounced underchest development, good length of foreleg. The pasterns should be a little firmer. Steps correct front and rear, where the hock joints should be a little firmer. In movement, she displays very good drive and reach maintaining a very good topline with much energy, dry and firm. During the off lead gaiting she maintained very good ground cover with a very good witherline, whilst under very good control.

Breeder: **Exh**

60 – 29.5 – Large, strong, substantial stretched black and gold female of pleasing type, shown in slightly out of coat condition. Good head and expression, slight roman nose, large ears that are set a little low on the skull, slightly erect neck that should be a little longer, a slight nick behind high withers, well laid croup that should be a little longer and is a little steep, slightly deep hindquarter angulation. Good fore and pronounced underchest, stands correct in front, good length of foreleg, steps a little cow hocked at rear and toes in slightly in front. In movement, she displays powerful drive just a slight restriction in the reach and the back ligaments should be firmer. During the off lead gaiting showed very good drive and a somewhat stepping action in reach falling just slightly on the forehand.

5 * **Conkasha Wild Dancer AZ** 2100390981 - 22/09/2013

* Dellahund Party Prize A Z / Conkasha Danish Mist A Z
Exhibitor: **T Devine** *Breeder:* **Exh**

60 – 28 – Large, medium strong, expressive slightly elongated female of pleasing type. Feminine head with very good planes of the skull and foreface, the ears are rather large but set well on the skull. Very good length of neck, normal wither, straight back, well moulded just slightly short croup. The upper arm should be a little longer, deep hindquarter angulation, good fore and very good underchest, good length of foreleg however the pasterns should be a little firmer. Stands not quite correct in front, steps a little narrow at rear, wide in front, hock and elbow joints should be firmer. In movement she shows very good ground cover with very good reach and drive maintaining a good wither line. During the off lead she maintained her very good ground coverage, falling just slightly on the forehand, performing with very good control.

65.5 – 32 – Very large, strong and substantial athletic, elongated, well coloured male of very good type. Noble head and expression, large ears that are set correctly on the skull, very good strength of the upper and lower jaws where the lips should be a little tighter, dark eye colour. Strong powerful neck, high wither, straight back, well moulded just slightly short croup, very good fore and just slightly deep hindquarter angulation. Very good fore and underchest, very good length of foreleg, stands correct in front, steps correct front and rear, where the hock joints should be firmer. In movement, displays very good drive and reach, excellent ground coverage and very good enthusiasm.

OPEN DOG

Graded – 1 – 2 Excellent Merit

1 * **Labo Vom Schollweiher (Deu) aED** SZ225248 - 7/03/2010

Arex von Wilhelmswarte / Fraya D'ulmental
Exhibitor: **Alder/van Helvoort/Martens** *Breeder:* **W. Benitz**

66 – 31 – Very large, medium strong, harmoniously constructed, firm and dry, well proportioned black and red gold male of excellent type and pigment. Very good head and noble expression, medium eye colour. Very good ears that are set just a little low on the skull, Very good planes of the skull and foreface. Strong powerful neck, high wither, firm back that has a slight bend in the lumbar spine, correct croup, correct fore and hindquarter angulation. Very good fore and underchest, very good length of foreleg, stands correct in front. Presented in slightly out of coat condition. Steps correct front and rear

elbows should be a little tighter. Excellent movement, showing very good ground cover, maintaining a very good wither line and very good energy. During the off lead exercise his controlled performance displayed a very good sequence of steps with very good drive and reach whilst maintaining a very good wither. Labo impresses with his wonderful pedigree, excellent construction and outstanding presentation at 8 and a half years of age. He has excellent progeny in Europe and his young progeny in Australia show much promise. He in the GSDCA HDED control schemes Labo is considered a very good elbow producer and his progeny statistics illustrate a low mean hip score of 6.92. Labo is an absolutely worthy State Sieger.

2 *Ch Vablo vom Osterbergerland (Deu) SZ 2275558 - 6/10/2011
* Remo von Fichtenschlag a ED / *Wianna vom Osterberger-Land a ED
Exhibitor: G&K Stevenson *Breeder: D. Wortmann*

65 – 32 – Large, strong, elongated well coloured well pigmented black and gold male of pleasing type. Very good head and expression, very good planes of the skull and good ears. Well set neck, high withers, straight back, well moulded slightly short croup. Very good fore and hindquarter angulation, very good fore and pronounced underchest, good length of foreleg. The pasterns could be just a little firmer. Shown in slightly heavy condition. Steps a little narrow at rear and wide in front, where the elbows should be a little tighter. In movement, he displays very good drive and with a slight stepping action in the reach, maintaining a good wither line with good firmness. The ears should be firmer in movement. During the off lead gaiting he maintained good witherline and ground cover with good control. He has produced a good progeny group at this show with some highly placed animals. Vablo produces very good character. He is considered an excellent elbow producer and has a low mean score of 6.73 for the GSDCA HDED control schemes.

Excellent I & 2

1 * Jayshell Nebraska AZ 3100332848 - 4/12/2015
*Ch Fremont Hells Bells A Z / *Ch Jayshell Winona A Z
Exhibitor: McDermott N/Bick S *Breeder: N McDermott*

65 – 29 – Double PI upper left – Large medium strong, sire typical male of pleasing type, well proportioned, well pigmented. Very good head with very good planes of the skull and foreface, the ears are large and set a little low on the skull, good eye colour, good strength of upper and lower jaw. Strong powerful neck, level wither, firm back, slight bend in the lumber spine, slightly steep well moulded croup, the upper arm could be just a little longer but is well angled, very good hindquarter angulation, very good fore and good underchest, good length of foreleg, presented in very good coat condition. Stepping correct both front and rear, good firmness of the hocks and elbows. In movement displays very good drive and reach with a good sequence of steps, maintaining a good wither line. During the off lead gaiting shows very good drive and reach but falls a little on the forehand. The ears should be firmer in movement. An excellent son of Fremont Hells Bells and the Victorian Siegerin Jayshell Winona, he is bred to produce.

2 *Ch Kuirau Casey Stoner AZ 2100370674 - 5/10/2012
* Toby von der Plassenburg (Deu) IPO3 a ED / *Ch Kuirau Takeira A Z
Exhibitor: P, D&J Murray *Breeder: Exh*

66 – 31 – Very large, strong and substantial male of compact proportions, sire typical of pleasing type. Very good head and expression, desired dark masking, well set ears and good strength of upper and lower jaws. Very good neck, very good topline, where the upper arm should be a little better angled but is of good length, very good hindquarter angulation, very good fore and just slightly short underchest, very good length of foreleg, stands correct in front and steps correct front and rear, where the hock joints could be a little firmer. In movement, he shows much energy with very good drive and just a slight restriction in the reach where he has a tendency to high step. He holds high wither line and is dry and firm. Presented in excellent show and endurance condition. During the off lead gaiting he tended to lose the wither line a little, however still maintained a very good sequence of steps. A sire typical son of Toby Plassenburg with a very good mother line coming from Kwint Juerikstall. His mother is a previous NSW Siegerin, so this dog has the capability to produce very good progeny and type.

Very Good 1

1 * **Conkasha Atomic Fire AZ** 2100444171 - 24/01/2016

*Ch. Vablo v Osterberger-Land a ED (Deu) /Conkasha Wild Dancer A Z

65.5 – 30 – Large, just medium strong, quite well proportioned black and gold male of just good type. Good head and expression however he should show a little more masculinity, ideally the lower jaw should be stronger, good eye colour, good ears. Good neck, level wither, slight nick in the topline, short steep croup. The upper arm is short and steep, deep hindquarter angulation where the lower thigh is a little too long, good fore and short underchest. Stepping narrow both front and rear, where the hock and elbow joints should be firmer, and the feet are a little flat, the tail has a cast and he carries the tail in an unusual manner. In movement, displays good drive and slightly restricted forereach. The back should be more level in movement. During the off lead gaiting he maintained good control however the roach in the topline was very evident. This dog should be more robust overall and does not possess the strength of his sire.
