

GSDCQ QLD Members Competition Judge Jessica Kada (NSW) - 17th March 2019

Judges Report

Firstly, I would like to thank the GSDCQ for the invitation to judge your Members Competition in QLD. This is the first time I have had the opportunity to judge in QLD and thoroughly enjoyed my appointment. The show began at 11am after the completion of the breed survey and I had a total of 47 entries, with some lovely animals presented. My thanks to the exhibitors for entering and exhibiting your animals, particularly those of you who travelled from interstate to support the club. With 3 weeks out from the National, it was a great opportunity for exhibitors to give their dogs one last run before the 'big one'.

I was spoilt for choice, I had some lovely animals to judge and I am very grateful to the exhibitors for all their entries and to the club for their invitation. My sincere thanks to my steward on the day Jean Hansford and to my fabulous steno Gail Donald for her wonderful skills and support, thank you to both of you. To President Sharon Ballantyne-Gordon for all your help leading up to the show, and for Mandy Scrivens for being so organised as always!

Also, a huge thanks to my "chauffer" for the day, Raimond Wharton. Having started the day at 5am in the pouring rain to head to the airport in Sydney, I was very grateful to land in Brisbane with only light rain. We were very lucky to have had a mostly clear day, although it was awfully steamy and the dogs were feeling the heat. I thank all the handlers and owners for their continued commitment throughout the day given the humidity.

Although relatively small in numbers, the show had a great atmosphere and had overall a great depth of quality. Firstly, we started with the Long Stock Coat variety. The LSC variety are certainly gaining in momentum with quality, substance and numbers present at the show.

Whilst not having big classes, every class consisted of quality and some predominant main sires were consistent with the animals being presented in the LSC variety, particularly Conbhairean Lauser (UK) and Djambo vom Fichtenschlag (Deu). Some points noted within the LSC variety were very good colour and pigment overall, there were some large animals on the top limit of size and also some incorrect planes of the skull in some animals. Overall however I was very happy with the LSC entry.

In the Stock Coat variety, predominantly the late Gerry vom Schacher was a resounding force with both direct progeny and also grandchildren. Also strongly represented was the progeny from Djambo vom Fichtenschlag, Conbhairean Freddie and Macho vom Lamorak.

The bitch entry, was, as is most of the time the largest entry in both varieties and I had some beautiful girls to judge in the stock coat classes. In particular my Junior Bitch and Open bitch winners. I was very pleased throughout with the eye colour overall, in both the male and female classes, eye colour generally was very good, with some commendable heads and masking also noted. Overall size in the SC variety was good too.

Again, thank you to everyone involved who made my day thoroughly enjoyable.

Jessica Kada (NSW)
