RUNNER-UP – CONKASHA DESERT COBRA AZ

JUDGES REPORT GSDL – Member’s Competition (NSW) – Judge Glenn Gregory
 Bill Spilstead Complex Luddenham Road Orchard Hills – February 2019
 Judging Precis

Thank you for the opportunity to judge at the GSDL Member’s Competition. A late call meant some quick rescheduling for me to stand in for Sharon Ballantyne-Gordon, who was unable to make the journey to Sydney owing to the prevailing poor weather in Queensland. It makes for a different opportunity to take on the entry for another judge and I appreciate those who showed despite the change.

Entry

Class	SC Dog	SC Bitch	LSC Dog	LSC Bitch
Baby	5/5	10/13	1/1	
Minor	3/4	5/7	3/4	3/3
Puppy	4/4	2/2	1/1	
Junior	6/6	4/6	1/1	4/4
Intermediate	3/3	8/11	3/4	5/5
Open	4/5	6/8	2/2	4/5
Total Entry 106				

Overall there were several animals of very good quality spread throughout the classes. Most pleasing to observe was the number of quality males from a variety of sires offering options to breeders. Particularly noteworthy is the quality of the open class winners in both varieties. The open class stock coat female ***AIMSWAY BROOKLYN AZ** displayed the harmony and firmness ideally desired for our breed and is a quality representative of her bloodline. ***UHLMSDORF JACK BLACK AZ**, the open class stock coat male, is a quality male displaying masculinity whilst remaining easily within the standard height range. Both the long stock coat open class winners suggest this variety of the breed is progressing well with very good proportions and type, although height should be considered as they are both at the absolute maximum.

Individually other class winners were of quality but noteworthy are the Junior bitch class winners (**UNSHAUS DJAMIKA** and **CH.LINDENELM FANCY TICKLED PINK**) both of whom are from Djambo v Fichtenschlag. The balance, proportions, outline and movement displayed are absolutely desired shepherd qualities.

Many of the usual sires were represented. It should be noted, in fact especially noted, that Djambo v Fichtenschlag had seven (7) individual class winners up to junior. This is an outstanding achievement for a sire to combine with a variety of bitch lines in such a positive manner. Also noteworthy is that they possessed very good proportions, good strength of head, very good colour and pigment, good over and underlines, very good movement and fell within the desired height parameters.

Two other exhibits were singled out for special mention on the night,

***CH.VABLO V OSTERBERGER-LAND (DEU) aED and**

***CH.KUIRAU CASEY STONER AZ.**

Both are more senior animals but not only performed very well but took on much younger exhibits and still displayed their class. It is testament to not only the dogs but the owners who continue to put in the work to present these exhibits in the quality manner shown on the night. Both displayed very good movement and their contribution over a number of years requires special note.

Virtues and Faults

The highest grading was awarded to all specimens in the open classes. Most animals were large to very large with very good type. A number were not as firm as desired when going away with many of these having slightly longer lower thighs. A number were narrow coming, with either loose elbows or tied in elbows, along with associated imperfections in chest shape. A range of animals had slightly steep upper arms and some were slightly short. Croups were generally well moulded with some variety in length. The better specimens had very good proportions but overall, proportions were good across most classes. The underlines, most notably the under chests, could in several specimens be slightly longer; again it was better on those specimens toward the front of the class.

Handling was generally good, and handlers displayed good sportsmanship. Exhibitors accepted decisions and comments were accepted without issue.

Finally, I would like to thank the variety of people who stood in to steward on the night. The stenographer, Fay Stokes performed admirably and was most helpful during critique writing. Thank you to the GSDL for the appointment and I would like to express my best wishes for all people associated with the breed and each of the dogs as we leap into the future challenges ahead. It is impossible for the breed to exist without people as evidenced with the challenge of diminishing exhibit numbers. For the breed to flourish, those people who remain must be dedicated and invite others to join in to overcome the hurdles we face as a group.
