

## **South Island German Shepherd League Open Show 17/03/24 Judge – Andrew O’Loughlin (Aus)**

I’d like to start by thanking the South Island League for the opportunity to judge and for the wonderful hospitality provided to me. Thank you also to the exhibitors for your sportsmanship and acceptance of my decisions on the day.

The weather for most of the day was excellent – it stayed cool until just after lunch, when it did start to warm up a little, but not so much that the dogs really felt it.

There were 56 entries in the show, with 50 animals being shown. Of these animals, one wasn’t able to be measured and was ungraded, while another showed uncertainty every time I approached her, and wasn’t confident with the stick – she was dropped a grading because of this.

The overall quality of the animals presented was good, with some animals very good. My Best Dog and Bitch of both coat varieties were all very good quality. I felt the overall quality of the Long Stock Coats was not as strong as the Stock Coats, though.

Firmness of hocks and elbows was something that could have been better throughout the show, however none were so loose that it was concerning. The upper arm on a large number of animals should have been better angled, and the croup a little longer and better angled. The under chest also should be a little longer.

The head shape was very good on the vast majority of animals however the eye colour could be a little darker overall. It was pleasing to note that no animals had soft ears, or ears tilting inwards, which has been problematic in some areas of Australia. Toplines were also pleasing, with very few having peaks or breaks in the topline. It was also pleasing to note hind quarter angulation, while in some cases close to deep, was not excessive.

Notable animals for me were 1<sup>st</sup> and 2<sup>nd</sup> place Open Dog LSC, NZ Bred Bitch LSC, 1<sup>st</sup> and 2<sup>nd</sup> place Open Bitch LSC, 1<sup>st</sup> place Puppy Dog SC, 1<sup>st</sup> place NZ Bred Dog SC, 1<sup>st</sup> place Open Dog SC, 1<sup>st</sup> place NZ Bred Bitch SC, 1<sup>st</sup> and 2<sup>nd</sup> place Open Bitch SC. The real standout animal for me was my Best in Show winner – for me she had excellent movement; balanced reach and drive, covering large amount of ground with minimal effort.

It is pleasing to see New Zealand has a large pool of sires, with animals being presented from 23 different sires. This enables New Zealand breeders the opportunity to consolidate type with smart line breeding, without limiting your gene-pool.

I wish breeders and exhibitors the best of luck, and hope that I may be able to come back in a few years and see how the breed has developed.
