

Hi my name is Jess Lynch and I'm from NSW.

I have been involved in German Shepherd Dogs my whole life and began my first child handlers on my 3rd birthday and have been hooked ever since! I was very lucky when I was younger to have Lee and John Martens from Aimsway allow me to take their dogs in the child handler classes. I began handling in the ring from a young age with my first experience handling a top animal was when I was 13 and handled Flicona Lollipop who was 2nd Open Bitch and Reserve Challenge.

VA 1 Pakros d'Ulmental

SG 4 Maus von Santamar

Since then I have handled and trained Best In Show winners, National class winners and National medal winners. Some of my favourites include silver medal winner *Ch Fremont TooHot ToHandle and his sons Vladimir Envy This, Schneeberg Ulimately Kryptic and Fremont Living The Dream. Some favourite bitches include Khanique Gracie, Karmay Chakira and, my favourite, Sannjesa Electra in the progeny group in 2011.

I have also handled in New Zealand, Sweden, Finland, England and Germany. In Sweden I had the pleasure of handling SG19 BSZS Mischalands Xiri and VA Mischaland Nixon. I have handled at the German Siegershow 3 times and in 2013 I handled SG 14 Tramella Hanx and SG 5 Quattro vom Steffen Haus. Last year I had the pleasure to handle the super female Maus von Santamar who was SG 4. I have also had the pleasure to do some training with two of the best dogs in the world VA1 Pakros d'Ulmental and 2 x VA1 Vegas du Haut Mansard.
