

GSDAWA MEMBERS COMPETITION – 30TH JULY 2019

JUDGE – NATALIE HUMPHRIES

Show Summation

The show was well organised in general, the competitors all showed great sportsmanship on the day.

There were 51 entries in the show, 37 were exhibited on the day. Long Stock Coat entry was 15, with 10 being exhibited. There was no inter-sex/inter-variety competition at this event.

Overall, there was no concerning issues with the size of the exhibits with most animals falling between medium size to large; only a few were standing on the upper limits of size.

Of particular note to me on the day was the high number of exhibits who do not stand correct in front. Other issues noted were angulations of the forequarter should be better; croups (length and lay), and a number of animals had 'slightly deep', to 'deep' hindquarter angulation. The limited number of exhibits makes it difficult to comment further than this.

A stock coat female just into minor class was noted to have the lower P1's left and right not yet erupted. The owners were advised to have her mouth x-rayed.

Quality of the females was overall higher than the males presented for both coat varieties.

A mix of sires were represented at the show, the sire with the most number of exhibits was *Schaeferhund Rafael, the current State Sieger and his progeny were overall of very good quality.

As a general comment I would like to suggest that exhibitors need to practice with their animals in regards to showing the teeth.

Thank you to my stewards and stenographer on the day.
