

# WALTER MARTIN MEMORIAL CHAMPIONSHIP SHOW

SUNDAY 25<sup>TH</sup> AUGUST, 2019

JUDGE – MR JOHN FENNER (WA)

## Judge's Summary Report

This is the 14th year that this German Shepherd Dog Specialist Show has been conducted by the GSDA of WA, acknowledging the contribution that Walter Martin made to knowledge and development of the GSD in WA. As such, for me to judge this show was a privilege and opportunity to maintain his and my analytical and shared Breed direction, with "fit for purpose" values.

The team assisting me were Leanne Irvine (Ring Steward), Andi Crace (Gate Steward), Vicki Beaton (Stenographer) and John Crace (Chief Steward). Thankyou to my "Officials team" on the day.

There were a total of 62 GSD entries for both varieties, from which a total of 45 were exhibited on the day. The weather conditions on the day were perfect, whilst the venue surface was ideal.

A total of 17 Long Stock Coats were entered, of which 12 were exhibited. Overall the quality ranged from Excellent to Good in the older classes and Very Promising to Promising in the puppy classes. A total of 45 Stock Coats were entered, of which 33 were exhibited. Overall quality ranged from Excellent to Good in the older classes and Very Promising to Promising in the puppy classes.

In show observations and comments :

A number of handlers had problems with efficient presentation of their dog's dentition (plus quite a few with plaque), when "going to be measured", when "in stance" and also when going "out and back". Additionally, these are initially a training/socialization responsibility of the owner/breeder, Also, gate attendance and thus judging was delayed by exhibitors.

Post show analysis of the completed critiques and placing results :

Sires that had a noteworthy influence, directly or indirectly, on the progeny exhibited :

\*Ch Labo vom Schollweiher SchH3 IPO3 VA (imp Deu), was the most successful sire

\*Ch Hasenway Major Tom (IID Deu), \*Schaeferhund Rafael, \*Ch As Du Domaine Du Val D'Aulnoy and son \*Ch Babanga Mr Anderson, \*Giotto di Fossombrone IPO3 (Imp Ital), \*Hornemarks Ricco (imp Swe), \*Ch Seigen Suris Alfie, \*Djambo vom Fichtenschlag VA (imp Deu), \*UK Ch Conbhairean Freddie (imp UK), \*Juwika Destroyer BH AD IPO3 Kkl (imp Den), \*Pepe von der Zenteiche (imp Deu) AZ, \*Bluemax Tiger Town and \*Lashadas Ocka were the other most notable sires.

"Extreme Size" (Oversize), "Desired Forequarters" (Forehand) and "Extreme Hindquarters" (Backhand) continue to challenge and confuse GSD enthusiasts.

All dogs and bitches in Junior, Intermediate and Open Classes were measured for height twice, firstly on grass and finally on the official cement platform. "Extreme Size" continues to challenge and confuse GSD enthusiasts. Perhaps this may give breeders/owners a clearer and more accurate path towards Breeding ideals and considerations of potential bloodlines.

Size statistics (Junior, Intermediate & Open Classes) summary for LSC + SC dogs exhibited :

The majority of dogs were large to oversize. The remainder were of medium to above medium size

Forequarter statistics (Junior, Intermediate & Open Classes) summary for LSC + SC dogs exhibited :

Very few dogs had very good forequarters. Many had steep lay of shoulders and lay of upper arms.

Hindquarter statistics (Junior, Intermediate & Open Classes) summary for LSC + SC dogs exhibited :

Overall, only a minority of dogs stepped correct in the rear and the majority did not have firm hocks.
