

GSDCQ CHAMPIONSHIP SHOW – JULY 2019
JUDGE: Mr. Salvatore Pettilli

Judge's Summary Report

The show was well organized and run quite well. The hospitality of the weekend was quite good, and all exhibitors and spectators were friendly, and the general atmosphere of the show was quite pleasing.

There were 82 entries in the show with 76 exhibited on the day.

There was 18 long stock coats presented in the show, is good to see the LSC where very of good number. The overall size of the animals was within our standard, with good heads and expression, some concern with the strength of the lower jaw. Overall good dogs.

The stock coat classes 58 showed, were of very good quality with very good proportion, size and pigmentation. Some nice young puppy with a promising future. Some concern with the head structure in some of the exhibited also to be noted in some cases the length and lay of the upper arm should be more pronounced. Some animal were not shown in the best fitness.

My best dog came from Junior Dog class, an impressive male of very good strength and proportions. A dog for me with a promising future.

The best bitch came from the Open class female, also of excellent quality, with very good uniformity and type.

I would like to thank my assistants in the ring, Vince.

In conclusion, I wish all owners and breeders the very best with their animals.

Large, medium strong dog of good proportions with very good pigmentation. Very good head and expression, I would like the underjaw a bit more developed. Good length of neck, level wither firm straight back, the croup is short and slightly steep. Good forequarter angulations where the upper arm could be longer and better angled, good underline, Very good hindquarter angulation. Steps correct going with good firmness of hocks, and correct coming. Shows good movement, with very good drive, the reach should be slightly freer.
Very Promising

66/30. On the upper limit of size. Strong and substantial dog with good proportions and pigmented. Very good head and expression. Well set and shape of ears. Powerful jaws. Well set and strong neck, of good length. Level wither firm back, steep croup. Good forequarter angulations, the upper arm could be better angled. Good length of foreleg, good underline, very good hindquarter angulations. Steps correct going with good firmness of hocks, correct coming. Stands correct in front. Shows good movement with very good hindquarter drive, however I would like to see the reach freer. This dog needs more ring training.
Very Good
