

GERMAN SHEPHERD DOG ASSOC OF WESTERN AUSTRALIA

MEMBERS COMPETITION – 6TH OCTOBER, 2019

JUDGE – MRS ROBYN KNUCKEY

Thank you to the GSDA of WA for the kind invitation to judge the last Members Competition for the year. The weather was very good, although did become a little warmer towards the end of judging. Thank you to John Fenner, Leanne Irvine and Vicki Beaton for your kind assistance with stewarding and stenographer duties.

The atmosphere for the show was good with 53 entries and, scratchings was higher than normal with 20, with 33 animals presented on the day. The sportsmanship of the exhibitors was very good. The low numbers presented make any meaningful conclusions difficult.

Overall for the show, size was above medium size to very large, with only 2 females measuring oversize, but only just. Heads were varied, some issues with strength of underjaw. Angulations of the hindquarter overall were very good, with firmness of hocks better than the average. Depth of chest generally good, with only a couple of animals that should not get any deeper.

Some Intermediate animals were over 2 years, owners should consider entering these animals in the open classes if they have been successfully breed surveyed.

Long Stock Coats – Males were of exceptional pigmentation; the overall fronts of all long stock coats were very good. The overall quality was very good, even though not a large entry.
