

**GSDC of Tasmania**  
**STATE BREED EXHIBITION**  
**21<sup>st</sup> September 2019**  
**Judge: Mr. Graeme Stevenson (NSW)**

The German Shepherd Dog Club of Tasmania organised a well-run show with great hospitality and the grounds being in great condition. I appreciated the invitation and thank the club for the opportunity to judge their State Breed.

The weather was kind with a few slight sprinkles, a clap of thunder with a small amount of moisture to introduce the Open classes for a few minutes.

Obviously from the small number of entries, no Sire could present a progeny group.

There were 26 entries with 1 LSC and 25 SCs and 20 were exhibited.

In Summary, a sprinkling of Sires represented by the exhibits were:

- Conbhairean Freddie: Class 5 – 2<sup>nd</sup> VG, Class 1A – 1<sup>st</sup> VP.
- Esko von Den Zwei Steinen: Class 4A – 1<sup>st</sup> VG, Class 11a – 1<sup>st</sup> Exc.
- Fremont Hells Bells: Class 11 – 1<sup>st</sup> Exc.
- Iliano Juvenisty: Class 1 SC-1<sup>st</sup> VP.
- Jayshell Nebraska: Class 3A – 1<sup>st</sup> VP.
- Juwika Destroyer: Class 4 LSC -1<sup>st</sup> VG, Class 4A SC-2<sup>nd</sup> VG.
- Macho vom Lamorak: Class 4 SC- 2<sup>nd</sup> VG, Class 3A SC- 3<sup>rd</sup> VP.
- Oak Vom Haus Iskander: Class 5 – 1<sup>st</sup> VG.
- Odin Delle Terre Matildche: Class 5A – 1<sup>st</sup> VG.
- Orrinshir Elton John: Class 11A – 2<sup>nd</sup> EXC.
- Rudy von Haus Edmond: Class 3 SC- 1<sup>st</sup> VP.
- Swartzlic Super Bentley: Class 11 – 3<sup>rd</sup> Exc.
- Toby von der Plassenburg: Class 11A – 3<sup>rd</sup> Exc.

Overall the quality of exhibits was quite good but with no consistency in type. There were no issues in the measurement, teeth checks, temperament and confidence of the exhibits. Although there were a few naughty ones that needed further training.

Overall pigment and colour was very good, masking and mostly dark eyes. Heads were gender typical with a few having broad skulls and forefaces. Necks were good, overall withers were level to normal with a few high withers, backs were good, croups could have been better placed and longer.

Forequarters in general were good where upper arms tended to be slightly short and should have been slightly better placed.

Forechests on a few could have been more pronounced and underchests were good with some slightly short.

Overall hock joints could have been firmer, some were close and some were slightly cow hocked due to the infirmness and hindquarter proportions.

On movement, the reach on a number of exhibits could have been freer and more expansive and hindquarters could have been more powerful and effective.

No Siegerin was awarded due to the exhibits being oversize. The Sieger was very pleasing to the eye, movement was quite harmonious and in my opinion he was a dog that was worthy of the title and should have his bloodlines utilised more but with caution on size.

The off lead gaiting was fun to watch.
