

**GSDA ACT Shows
October 5 and 6, 2019
Herr Robert Lang SV Germany and Mr. Alastair Henderson Vic
Show report submitted by Alastair Henderson. Vic**

It was a pleasure to accept the invitation to judge at the ACT show again and to share the judging with Robert Lang with whom I had judged in Adelaide 2 years ago.

The entry of just fewer than 140 both days was pleasing and a slight increase on last year. I was certainly looking forward to the week end with fine weather forecast.

On the Saturday I judged all Long Stock Coats and Stock Coat Males and Sunday all Stock Coat bitches.

The ground was very dry with not much grass which was unfortunate as the club is leasing the ground and the owner does not maintain it. However, the exhibits and handlers appeared to cope at the time.

Saturday's entry for me was lacking depth in LSC classes with best dog and bitch winning fairly easily. Stock coat males were also lacking in depth. The Intermediate dog winner and the top few in the Open class were of superior quality with the winner Macho vom Lamorak being an easy winner of the class. I would prefer to see greater strength in our young males and females.

On Sunday I judged the stock coat bitches where it was enjoyable to see many of similar type. The awarding of the challenge and reserve to mother and daughter of very high quality was a highlight.

I note with Interest that the bitch's depth of chest was more correct and the dogs measuring at maximum depth. I could talk about the usual faults that come at every show however for me the most important thing is type.

Breeders need to look to animals that are producing the correct type and more importantly judges need to promote the correct type.

Lastly, I wish to thank the club and its small hard-working committee for the opportunity to judge your show again. I wish to thank my steward and stenographer and congratulate them on a great effort.
