

JUDGE – Ms Natalie Humphries (WA)

Judge's Summary Report

Entry Statistics : German Shepherd Dogs - Total 46 (Stock Coats 32 and Long Stock Coats 14).

Stock Coats : 22 exhibited, with 2 withdrawn during classes. - Long Stock Coats : 10 exhibited.

The show commenced at approximately 6.30 pm and finished just prior to 10 pm.

The sportsmanship shown by all of the exhibitors was excellent and the show ran smoothly with just a few delays for change of handlers. It was great to have Sandria Einam, trainee Group 5 judge as my ring steward.

Thanks to the gate steward John Fenner and stenographer Leanne Irvine.

Child Handlers was judged by Andrew O'Laughlin (SA) during the tea break, as he was here to do a judges exam under Robyn Knuckey.

Two exhibits were withdrawn during their classes with judge's permission. Commenting on sires influences is difficult due to low entry numbers and 3 sires had the most progeny but the total for each was 4 animals. The overall quality of the animals exhibited was very good. Some owners need to practice the measuring stick and teeth check with their dogs.

Overall virtues and faults seen were:

- Hindquarters were slightly deep to deep, very few correct hindquarters.
- Forequarters assemblies could be better, and a lot of animals could be more correct when viewed from in front and the pasterns should be better.
- Eye colour was generally good, some issues with strength of lower jaw and wide ear sets.
- Movement was good to very good but the stock coat challenge bitch excelled in her movement.

Best long stock male (Exh. No 6) was from the open class, a very well coloured-pigmented male with very good movement. Best long stock coat female (Exh. No 14) from the open class was a very large bitch of very good type and proportions with a correct top and underline and very good movement. Best stock coat male (Exh. No 22) from the open class was a very large, well coloured and pigmented male of very good type with a deep hindquarter angulation. Best stock coat female (Exh. No 40) from the intermediate bitch class was a very large female of excellent type and expansive movement.

Thank you to the G.S.D.A of WA for the invitation to judge this event.

N. Humphries

GSDA Specialist Judge/Surveyor.

Critique: Age: 15.5 Months Height: 63.5 cm Depth: 30.0 cm
Just above medium size, medium strong Long Stock Coat male of very good type and proportions. Very good head and expression, with good medium eye colour. Very good strength of upper and lower jaw. Normal withers, straight back, good lay of croup, which could be a fraction longer. Good forequarter angulation, upper arm is well laid but could be a fraction longer, very good hindquarter angulation. Stands not quite correct in front and the pasterns should be firmer. Steps correct going and coming turns the right wrist out. Shows good movement, however, the drive is more effective than the reach and he tends to fall slightly on the forehand.
Placing: 1st Grading: Very Good
