

GSD Members Competition Sunday 13th September 2020

JUDGE – Mr John Fenner (WA)

Judge's Summary Report

This Members Competition Show was the GSDA of WA's first Conformation Show since the Covid-19 Pandemic cessation of CAWA activities in March 2020. Due to travel restrictions, the appointed Judge, Kurt Morton (NSW) was unavailable, so I as Reserve, was able to complete the judging appointment.

The team assisting me were Sharon Southwick (Ring Steward), Sandria Einam (Gate Steward), Leanne Irvine (Stenographer) and Ian Marr (Chief Steward). Thankyou to my "Officials team" on the day.

The show commenced at 9:15 am, with a morning tea break and Junior Show Handlers breaks, and it was completed just prior to 1:30 pm. Weather conditions on the day were sunny and warm, whilst the venue surface was ideal.

Show Statistics : A total of 30 were entered, with 26 being exhibited. That comprised of, Stock Coats : 23 entered and 20 exhibited, and Long Stock Coats : 7 entered and 6 exhibited.

Overall the quality ranged from Excellent to Very Good in the older classes and all Very Promising in the puppy classes. It was pleasing that every dog exhibited achieved the maximum grading for their age.

In show observations and comments :

Given the very long break of exhibiting prior to this show of about 7 months, the general fitness of dogs and handlers was commendable in these circumstances. It appeared to me that the training and socialization responsibilities of the owners and/or breeders of these dogs that were exhibited, have managed those tasks very well.

All dogs and bitches in Junior, Intermediate and Open Classes were measured for height twice, firstly on grass, then finally on the dedicated cement platform, followed by a chest depth measurement. Those height to depth ratios were generally very good.

Post show analysis of the completed critiques and placing results :

Sires that had a noteworthy influence, directly or indirectly, on the progeny exhibited :

*Ch Labo vom Schollweiher SchH3 IPO3 VA (imp Deu), was the most successful sire via his sons

*Pamakay Kruizer ET - 1st Open Dog and *LaShadas Buster - 1st Intermediate Dog

*Ch Seigen Suris Alfie, *Djambo vom Fichtenschlag VA (imp Deu), *UK Ch Conbhairean Freddie (imp UK), *Pepe von der Zenteiche (imp Deu) and *Lashadas Ocka were other notable sires.

Although "Extreme Size" (Oversize), "Desired Forequarters" (Forehand) and "Extreme Hindquarters" (Backhand) continue to challenge and confuse most GSD enthusiasts, on this occasion I am very pleased to report in this small group of GSD's, a very healthy situation for their breeding futures.
