

Ballarat Dog Club Championship Show
 Bulla Exhibition Centre, Uniting Lane Bulla
 30 January 2022
Judge Mr Kurt Morton (NSW)

We had great weather and the grounds were in good condition, although no double handler lane. The show went smoothly, with good transition between classes and a laidback atmosphere with great comradery amongst exhibitors. The show started with 72 entries and 59 shown (35 SC and 24 LSC), with a breakdown below:

Generally, classes were small in number but of great quality. Some animals were measured oversize but were of quality to award them the highest gradings possible for their age and breed survey status. One open stock coat male was not eligible to be graded Excellent as he is not yet surveyed. Generally, animals exhibited were within the desired standard of size and more often than not, correct medium size and all had correct dentition. Exhibits generally had good colour and pigmentation, were presented in good coat and condition and had good firmness of hocks and elbows. Overall, as often seen, the majority of the long stock coats could stand more correct in front.

There were a couple of exhibit highlights that I would like to mention, including the first two open long stock coat females, both of excellent type and proportions. The junior and minor puppy long stock coats not far behind them, just lacking the maturity and development of the older females.

It was enjoyable having a number of open dog stock coats exhibited, an opportunity not always available to judges. For me, the first two were standouts in type. Unfortunately, the second placed dog gave away a little too much in his performance on the day and wasn't able to match to the first places enthusiasm. The open dog winner was the eventual Best of Breed winner, who also sired a number of quality animals in the show. This dog has commendable ring presence and presents a praiseworthy picture at all phases. A very glamorous dog, with an exemplary forequarter of correct medium size. Progeny included the first place, junior stock coat bitch who was not necessarily in the best coat condition, but a quality female and very much my style. The Open stock coat bitch class although small was great quality and I thoroughly enjoyed working my way through them. The first two differ in type but both of excellent

quality with the first place maintaining her outline better throughout the class and on her way to R/U Best of Breed. I was delighted to see the group 5 judge award the BOB LSC R/U Best In Group.

Thank you to the club and committee for the opportunity to judge the first Victorian show of the year and for their hospitality. Thank you in particular to Cristine Begbie, Amanda Barr, Barb Blythe (steno extraordinaire), stewards Makaela and Arty, Ian Urie, Vince Tantaro and the show committee for a very enjoyable day. I would again like to thank those who entered and exhibited, it was a very enjoyable day.
