

My thanks to the officers and committee of the GSDC Tasmania for the invitation to officiate on day two of their 50th Birthday weekend. This was second time judging here and I have also attended as an exhibitor. As always it was a lovely trip start to finish with wonderful hospitality and great care to ensure a well run and enjoyable show.

My thanks also to the super capable ring steward and the stenographers who were so good that I had my critiques with me, checked and back with the club the day after the show... even with the strange accent! To every exhibitor my thanks for your entries, your acceptance and your comments. It was great for the club to be so well supported by so many Victorians!

Type overall was slightly mixed as perhaps is to be expected in a limited cross section of the breed, and my hat is off to Tasmanian breeders and exhibitors whose geographical location makes most things more difficult and more costly than it might be on the mainland.

That said quality was generally very good and it's great to see several young and several new exhibitors approach the sport and receive support. Some excellent females were on show and as such dominated the in show run offs. Sorry boys!, and a great many of the youngsters showed real promise for the future.

My colleague judge from the day before advised me after the show that my best in show, a glorious LSC of high above average excellence and my runner up in show, the powerhouse SC female, are both grandchildren of her Ch Jayshell Winona who I awarded a BISS some years ago in South Australia so i'm going to claim that I must at least be judging to type, and there's proof!

I look forward to returning to Tasmania soon and long may the Club prosper and achieve. Jo
