A large, strong, black and gold male of good overall type and slightly stretched proportions. Expressive masculine head, the planes of the skull are not quite correct. Medium eye colour, slightly wide set ears. The neck is held slightly erect in stance. High withers, firm back, and a well laid croup. The upper arm could be better angled. Slightly deep hind angulation with good short hocks. Good forechest and slightly short underchest. Steps correct coming and going, where the hocks could be firmer. Gaïting on lead shows very good ground covering movement with good reach and drive. The ligamentation over the back should be firmer. Gaïting off lead, he maintained his outline, but control was lacking. Gunsure.</p>

#### OPEN BITCH - STOCK COAT

286	1	EXC MERIT  SIEGERIN	<p><b>*KELINPARK ROZATA AZ</b> 23/09/2018 2100506373 Sire: VA Djambo vom Fichtenschlag Dam: Kelpark Butterscotch Brd: L. Gregor Exh: A. Leverett</p> <p>Linebreeding: Yasko Farbenspiel (5-5) Progeny registered – 0</p> <p>Y:3 M:6 D:16 Height/Depth of Chest: 60.5/30. A large, medium strong, well coloured female of very good overall type and slightly stretched proportions. Expressive feminine head with medium eye colour, good strength of the muzzle and well-set ears. Neck is of good length but at times carried a little erect. Stands with a normal wither, firm back with a slight rise in the topline and a well laid croup. Very good angulation of the forequarter where the foreleg could be just a tad longer. Slightly deep hind angulation. Very good chest proportions. Stands correct in front. Steps slightly close going, correct coming with good firmness of hocks and elbows. Gaïting on lead shows very good expansive movement with very good reach and drive. Off lead gaïting showed very good performance maintaining her topline and ground coverage, with good control. Gunsure.</p> <p>This lovely daughter of VA Djambo Fichtenschlag was the 2021 State Siegerin, and I am very happy to award her that prestigious title again this year. She is an impressive bitch with a lot of presence, and showed powerful dynamic movement at all speeds. Her character is confident and outgoing. Congratulations to both her breeder and her owner.</p>
287	2	EXC MERIT	<p><b>*JAYSELL TOUCHEE (AI) TD RN</b> 25/10/2018 3100382557 Sire: Macho Vom Lamorak Ger. Fh-2 Ipo3 Dam: Ch. Jayshell Kenzie Brd: Mrs N Mcdermott Exh: Mrs R Snijders</p> <p>Linebreeding: Janos Noriswand (4-5) Progeny registered – 8, presented at show – 0</p>

			<p>HD/ED scored – 2 A &amp; Z stamp</p> <p>Y:3 M:5 D:14 Height/Depth of Chest:59/28.5 A large, substantial black and gold female with medium bone strength. Very good overall type and proportions. Very strong yet still feminine head with medium eye colour. Very good strength of the muzzle and well set ears. Well angled neck, high withers, firm straight back and a well laid croup. Very good angulation of both the fore and hindquarter. Very good length of foreleg and good chest proportions. Stands correct in front. Steps correct coming and going with firm hocks and elbows. Gaïting on lead moves with very good reach and drive and carries a high wither. Off lead gaïting she maintained her topline, the reach was a little restricted and control could have been better. Gunsure.</p> <p>This female has shown great improvement since last year's SBE, with some very good results. Her sire is a National winner and her dam was the 2018 State Siegerin (and who comes from a three-time winner at this event). She has produced one litter to date, and I look forward to seeing more progeny from her in the future. She was a very close competitor for the top spot, and a worthy Vice-Siegerin.</p>
290	3	EXC MERIT	<p><b>*BLUEMAX SALTED PEANUT A Z</b> 23/04/2019 4100321638 Sire: *Bluemax Say Bombs Away (AI) A Z Dam: *Bluemax Salted Pretzel A Z Brd: Ms A F Brinkworth Exh: Ms A F Brinkworth And Mrs E &amp; Mr P Neale</p> <p>Linebreeding: Bluemax Sofie (2-3), Janevas Gido (4-4,5), Yasko Farbenspiel (5,5-5) Progeny registered – none in database @ 11/21</p> <p>Y:2 M:11 D:16 Height/Depth of Chest: 58.5/29.above medium size, well coloured female of very good type and proportions. The black pigment could be a little stronger. Strong still feminine head. Medium eye colour, good strength of the muzzle and well set ears. Good length of neck, high withers, firm back and a well laid croup. Very good angulation of both fore and hindquarter. Very good chest proportions. Stands correct in front. Steps correct coming and going where the hocks should be firmer. Gaïting on lead shows very good ground covering movement with good reach and drive. Off lead gaïting maintains her outline and ground coverage, and performed better with a change of handler. Gunsure.</p> <p>This very harmonious female is line bred 2-3 on the Cayos Noriswand daughter Bluemax Sofie, and her sire comes by A.I. from the very nice Vegas son, Noell von Suentelstein. She is typical of her breeding and presents a lovely picture both in stance and in movement. I believe she should be able to reproduce her lovely phenotype and deserves the Excellent Merit grading. [*Note – she had one son entered in Baby Dog (SC ) class, which did not appear on the current database at date of show.]</p>

Steps correct coming and going, the elbows could be a little tighter. Gaitting on lead shows balanced movement with slight restriction in the forehand reach. Off lead gaitting performance was well controlled, but could have been a little more enthusiastic. Gunsure</p>
295	13	EXC 10	<p><b>*BRONACRE ICE ICE MAGIC (AI)</b> 09/12/2019 3100402954 Sire: Ch.Hasenway Wild Knight Dam: Bronacre Blue Ice Brd: Bronacre Kennels Exh: Rhonda Davison</p> <p>No linebreeding Progeny registered – 0</p>

			<p>Y:2 M:4 D:0 Height/Depth of Chest: 59/28. Well above medium size, a substantial, well pigmented female with medium bone strength . Expressive head with good masking, dark eyes and well set ears. Slightly short neck, normal wither with a slight dip behind. Firm back with a well laid but slightly short croup. Good forequarter where the upper arm could be better angled and the foreleg should be longer. Slightly deep hind angulation. Good forechest and slightly deep underchest. Stands correct in front. Steps correct coming and going, the hocks should be firmer. Gaitting on lead shows balanced movement where the fore reach could be more pronounced. Off lead gaitting maintains her outline with good control. Gunsure</p>
296	14	EXC 11	<p><b>*TAURORN CHARDONAY AND GUCCI</b> 04/01/2020 5100115925 Sire: Uk. Ch. Conbhairean Freddie Dam: Taurorn Take That Brd: Ms G Wellman Exh: M Macdonald</p> <p>No linebreeding Progeny registered – 0</p> <p>Y:2 M:3 D:5 Height/Depth of Chest: 58/27. An above medium size, medium strong, well pigmented female of good type and proportions. Expressive head with good masking, medium eye colour and slightly wide-set ears. The underjaw could be a little stronger. Well angled neck, stands with a high withers, firm straight back and a well laid slightly short croup. Good forequarter where the upper arm could be longer and better angled. Very good hind angulation. Very good chest proportions. Good length of foreleg. Stands correct in front. Steps correct coming and going with good firmness of the joints. Gaitting on lead shows balanced movement with slight restrictions in the forereach. Off lead gaitting maintained her level topline with good handler control. Gunsure.</p>
282	15	EXC 12	<p><b>*TRAYKEN YES NO MAYBE SO AZ</b> 05/05/2017 3100357626 Sire: VENEZE LUTZ ( IMP UK ) Dam: Ch Kardin Naughty But Nice Az Brd: Mrs T Hill Exh: Mrs Tracey Hill</p> <p>Linebreeding: Orbit Huhnegrab (5-5) Progeny registered – 0</p> <p>Y:4 M:11 D:4 Height/Depth of Chest: 59/26 Close bite, worn lower incisors. Well above medium size, a medium strong, well pigmented female of good type and proportions. Expressive feminine head with medium eye colour. Ears are well set but tipped backwards. Slightly short neck. Level wither, firm back with a rise in the topline and a well laid, slightly short croup. Good forehand where the upper arm should be longer and better angled. Very good hind angulation. Good forechest and slightly short underchest. Stands correct in front. Steps narrow both going and coming with firm hocks and elbows. On lead gaitting shows balanced movement with slightly restricted fore reach. Off lead performance showed good control, where the wither should be carried somewhat higher. Gunsure.</p>
293	16	EXC 13	<p><b>*BRONACRE BUTTERSCOTCH BLISS AZ CCD RN SWN</b> 22/08/2019 3100397537 Sire: Uk Ch Conbhairean Freddie(Imp Uk) Dam: Bronacre Salted Licorice Brd: Bronacre Kennels Exh: Mr P &amp; Mrs D Howard</p> <p>Linebreeding: Zamp Thermodos (4-5) Progeny registered – 0</p> <p>Y:2 M:7 D:17 Height/Depth of Chest: 58/26.5. An above medium size, substantial, black and gold female with medium bone strength and good overall proportions. Good expression with medium eye colour. The muzzle and underjaw could be slightly stronger. Slightly wide-set large</p>

			ears. Well angled but slightly short neck, stands with a normal wither, a slight dip behind, firm back and a short steep croup. Good forequarter where the upper arm should be longer and better angled. Very good hindquarter angulation. Slightly deep underchest. Stands correct in front. Steps a little narrow going and correct coming, where the elbows could be tighter. Gaiting on lead shows balanced movement where she falls on the forehand. Gaiting off lead she held a level topline with good control. Gunsure.

OPEN DOG - STOCK COAT			
302	1	EXC MERIT  SIEGER	<p><b>*CHILI DELLA VALCUVIA (IMP UK)</b> 17/11/2017 AW0907109 Sire: Ulkan V Maikhus Dam: Ora Della Valcuvia Brd: Luciano Muselino Exh: Cathie, Zimmerle, Knuckey &amp; Auwema</p> <p>Linebreeding: Furbo Degli Achei (3-4,4), Vegas Haut Mansard (4-3), Quenn Loher Weg (4,4-5,5) Progeny registered – 192, presented at show – 18 HD/ED scored – 17 A &amp; Z stamp Breed Surveyed progeny - 1</p> <p>Y:4 M:4 D:22 Height/Depth of Chest: 64/28.5. Above medium size, very well coloured and pigmented male of excellent type and slightly stretched proportions. Very good masculinity and bone strength for his size. Expressive head with dark masking, dark eyes and well set ears on a broad skull. Well angled neck, stands with a high wither, slight rise in the topline, firm back and a well laid croup. Very good angulation of both fore and hindquarter. Very good chest proportions. Stands correct in front. Steps correct coming and going with firm hocks and elbows. Gaiting on lead shows powerful expansive movement with very good reach and drive. Off lead gaiting he maintains his outline and ground coverage, with an acceptable level of control. Gunsure.</p> <p>Chili presented a progeny group of very high quality, comprising 18 animals, amongst which were 5 x 1<sup>st</sup> place getters, 6 x 2<sup>nd</sup> place and 2 x 3<sup>rd</sup> place in their respective classes. His progeny mirror his very good quality and are father typical. This record, along with an exemplary performance in his own class, allowed Chili to be unchallenged as the 2022 Victorian State Sieger. Congratulations to his owners.</p>
300	2	EXC MERIT	<p><b>*WULKANO-UNO VON SCHNITZERTEAM (IMP HUN)</b> 01/09/2016 met.nj.518/16 Sire: Ulkan Von Maikhus Dam: Ixy Van Contra Brd: Martin Janos Exh: Petreski/Pereira</p> <p>Linebreeding: Vegas Haut Mansard (4-3), Odin Niederforstbach (5-4) Progeny registered – 127, presented at show – 6 HD/ED scored – none to date</p> <p>Y:5 M:7 D:8 Height/Depth of Chest: 63/28.5 Dropped lower incisors. A well coloured male standing at correct medium size with good substance and medium bone strength. Very good type and slightly stretched proportions. Good expression, dark masking, dark eye colour and well set ears. Good length of neck which at times is held a little erect. Stands with a high wither, firm back and a well laid croup. Very good angulations of both the fore and hindquarter. Very good chest proportions. Steps a little narrow going and correct coming with firm hocks and elbows. Stands correct in front. Gaiting on lead he shows powerful expansive movement with very good reach and drive. Off lead gaiting he maintains a level topline with very good ground coverage and good handler control. Gunsure.</p>

			<p>'Uno' presented a progeny group comprising six females, of which four won their classes. This is praiseworthy, considering most of his stud use has been in Western Australia where he has resided since being imported from Hungary. I believe he will be a valuable dog for breeding, and the progeny that were exhibited are of very high quality, as is Uno himself. I have much pleasure in awarding him Vice-Sieger at this exhibition.</p>
299	3	EXC MERIT	<p><b>*GEWALT TENNESSEE DRUMMER (AI) AZ</b> 28/04/2016 5100093559 Sire: *Xavi V Tronje Ger Ad Ger Bh Ipo2 Dam: *Ch Hinterhaus French Tennessee AZ ET Brd: Exh Exh: Gewalt Kennels</p> <p>No linebreeding Progeny registered – 173, presented at show – 7 HD/ED scored – 21 A &amp; Z stamp Breed Surveyed progeny - 6</p> <p>Y:5 M:11 D:11 Height/Depth of Chest: 64/30 Slightly under developed P1s. A large, well pigmented masculine dog of very good type and slightly stretched proportions. Expressive head with good masking, good strength of the muzzle with a slight Roman nose, dark eyes, and well-set ears. Good length of neck, high withers, firm straight back and a well laid slightly short croup. Very good angulation of both the fore and hind quarter. Very good chest proportions. Good length of foreleg. Steps correct coming and going with firm hocks and elbows. Stands correct in front. Gaiting on lead he shows very good ground covering movement, with very good reach and drive. During off lead gaiting he maintained his topline and ground coverage, with good handler control. Gunsure.</p> <p>Along with Chili and Uno, 'Drum' presented a progeny group of high quality, comprising seven females - 3 in Junior and Intermediate classes with one 1<sup>st</sup> and one 2<sup>nd</sup> place, and two shown in Open class, who finished Ex 5 and Ex 6. His progeny mirror his own very good type, and were all in firm dry condition. At 5 ½ years of age and used mainly in his home State of SA, Drum has proven his ability to produce, and deserves the grading of Excellent Merit 3.</p>
301	4	EXC 1	<p><b>*UMBERTO VOM BIERSTADTER HOF 'A' NORMAL ED NORMAL (IMP DEU)</b> 15/08/2017 SZ2340288 Sire: *Kaspar Von Tronje 'A' Normal Ed Normal Dam: *Marit Vom Bierstadter Hof 'A' Normal Ed Normal Brd: Rüdiger Mai Exh: Rachel Jones</p> <p>Linebreeding: Quenn Loher Weg (4,5-5) Progeny registered – 60, presented at show – 0 HD/ED scored – 3 A &amp; Z stamp</p> <p>Y:4 M:7 D:24 Height/Depth of Chest: 66/30. Dropped lower incisors. A very large, well coloured and pigmented, strong, masculine dog of very good type and proportions. Good broad head with very dark masking, dark eye colour, good strength of muzzle and well set ears. Strong well angled neck, high withers, with a slight dip behind, firm back and a well laid croup. Very good angulation of the forequarter and slightly deep hind angulation. Stands correct in front. Steps correct coming with firm elbows. In the rear he stands and steps cowhocked. Gaiting on lead he shows powerful movement with very good reach, however the hocks should be firmer during all stages of movement. Gaiting off lead he maintained a very good outline and sequence of steps with excellent obedience. Gunsure.</p> <p>Umberto, a son of VA2 Kaspar von Tronje, was imported from Germany and presented to Survey in 2020. I was hoping to see some progeny from</p>

			him, but he was at stud in WA for a year or so, and a large proportion of his progeny were born in that State. None were entered in this exhibition.
304	5	EXC 2	<p><b>*CH DUX DI CASA NOBILI AZ (IMP ITA)</b> 27/09/2018 ROI18/193385 Sire: Kik Crveni Mayestoso (Ita) Dam: Asia Di Casa Nobili(Ita) Brd: Mr L Nobili Exh: G &amp; E Parsons</p> <p>Linebreeding: Vegas Haut Mansard (5-5,4), Fraya Ulmental (5-4) Progeny registered – 36, presented at show – 0 HD/ED scored – 0</p> <p>Y:3 M:6 D:12 Height/Depth of Chest: 65/31.5. Well angled neck which could be a little longer. Stands with a level wither, slight rise in the backline, and a slightly steep croup. Good forehand where the upper arm could still be better angled, slightly deep hind angulation. Good chest proportions, good length of foreleg with slightly soft pasterns. Steps correct coming and going with firm hocks and elbows. Stands not quite correct in front. Gaïting on lead shows balanced movement where the reach and the drive could be more pronounced. Off lead gaïting he maintained his topline and balance, with good control from the handler. Gunsure.</p>

## 2022 Victorian State Breed Exhibition – Show Summation:

I wish to thank the GSDCV and President Vince Ebejer for the opportunity to judge the 2022 Victorian State Breed Exhibition, and I sincerely hope that my comments will be taken in the spirit they are intended, as advice for the improvement of the German Shepherd Breed that we all love. I wish to give thanks to the Show Committee, led by our new Show Manager Tony Merceica and Secretary Cristine Begbie, and for assistance in the ring by Stenographers Dearne Jackson and Barbara Blythe, my Stewards Glenn Moore and Vince Tantaró, and to Nicky McDermott who provided the commentary on the Veterans. As always Jacinta Poole is at the ready with her camera, and she provides Cristine with valuable I.T. support for the catalogue and online entries, and the posting of results on our Club web portal in very short timeframes after the event. Thank you also to the many helpers who assisted in setting up and taking down the ring equipment. All of the above willing members help us to run what I proudly regard as the best shows in the country.

The aim of a Breed Exhibition is to provide advice on the current state of the breed in our State and also for future breeding direction. It differs from a Championship Show in that the pedigrees and progeny information for the animals entered in the Open classes are available to the judge, and can be taken into account in the decisions made for placings and gradings. That said, it is still a dog show, and the placings are also determined by the individual dogs' quality and performance in the ring. Whilst the

presence of progeny can be an advantage to Open exhibits, it is far from being the only criteria, and the qualification for the highest grading of Excellent Merit requires progeny to be of very high quality, correct to the breed standard, and representative of their sire or dam. I awarded this prestigious grading to one Long Stock Coat female, three Stock Coat females and three Stock Coat males this year. The remainder of the Open animals were all graded Excellent, and all of the animals in the younger classes were able to achieve the highest gradings available in their class. I was very happy with the quality of the animals presented overall, and I thank those exhibitors who travelled long distances with their dogs from other States in Australia, and who took home some of the major awards.

Issues that I noticed during my judging were firstly an unprecedented number of animals in the Baby Puppy classes that were not sufficiently firm in the hindquarters, due to pronounced hind angulation. This trend is disturbing, and it exceeds what has been referred to in the past as “normal puppy looseness”. In my opinion, over-angulation of the hindquarters is the most serious current problem in our breed, and it does not appear to have received the appropriate level of attention from breeders and judges overseas. It is much more than an aesthetic problem, as it affects the dog’s ability to move soundly and fulfil its ability to work with endurance as the purpose of the breed requires. I urge all breeders to pay more attention to this problem when choosing future breeding partners. The other trends which were apparent, and both have been with us for some time, were upper arms that could be longer or better angled, and slightly steep and/or slightly short croups. These issues are so common that they appear in the majority of my critiques. Size was thankfully not as much of concern as it has been at times in the past. The animals that achieved the Merit grading were all well angled in the forehand, of correct size and had well laid croups, and as such I can recommend them to breeders to improve the breed in this State.

Ian Urie.

## **Sires and Dams Progeny:**

### **UK Ch. Conbhairean Freddie ‘a’ Normal, ED Normal, HNeg (Imp UK)**

Sire: Conbhairean Uno Dam: Conbhairean Quella

Linebreeding Larus Batu (4-4)

Progeny registered – 393, presented at show - 7

HD/ED results – 84 ‘A’ and ‘Z’ stamps, with mean hip score of 6.2 and 90% normal elbows

48 progeny Breed Survey Classified

‘Freddie’ had 11 progeny entered in this year’s State Breed Exhibition with most being in the Open classes. He presented six females and one male in his group, from seven different dams. (He has previously presented groups at two Victorian SBEs, and is a previous NSW State Sieger.) His progeny now are mainly in the two to five year old age range. Freddie has been a very influential sire in Australia, being used widely in all States and also in New Zealand by artificial insemination. Freddie’s progeny are sire typical, generally above medium size to large, with very good to slightly elongated proportions, and medium to strong bone strength. They are well pigmented and almost all have dark eye colour. Heads are generally strong, with good strength of upper and lower jaws, and good to slightly wide ear set. Very good length of necks, high withers and firm straight backs, with well laid croups where some are slightly short, and good length of tails. Good forequarter angulations where some have slightly steep upper arms, and slightly deep hind angulations. In movement they show very good ground coverage with good overall firmness and good reach and drive.

## **Chili della Valcuvia 'a' Normal, ED Normal (Imp UK)**

Sire: Ulkan von Maikhus Dam: Ora della Valcuvia

Linebreeding: Furbo Degli Achei (3-4,4), Vegas du Haut Mansard (4-3), Quenn Loher Weg (4,4-5,5)

Progeny registered – 192, presented at show – 18

HD/ED results – 17 A & Z stamps with a mean hip score of 5 and 100% normal elbows to date

Breed Surveyed progeny – 1

'Chili' presented a very promising young group at the 2021 SBE, and this year was able to present 18 progeny ranging from the Baby Puppy up to Intermediate classes, from 14 different dams. The group this year was very typical of their sire and generally of very high quality. Size was medium to above medium with good strength, colour and pigmentation is very strong, with proportions from very good to slightly stretched. Well formed heads with good strength of upper and lower jaws. Well angled necks, high withers and firm backs, with well laid just slightly short croups. Very good forehands, with very good to slightly deep hindquarters. Movement shows very good ground coverage with powerful drive. Some youngsters were understandably a little loose but the majority of older progeny showed good firmness of hocks and elbows.

Chili's pedigree represents a very good bloodline from his sire Ulkan vom Maikhus (a Furbo Degli Achei grandson) and his dam who is a Groovy di Casa Massarelli daughter, both well known producing lines from Italy. Chili is a predictable sire, of correct just above medium size, with the majority of his progeny being of well above average type and quality. He has been used widely in most States. From the 18 progeny presented they gained 5 x 1<sup>st</sup> place, 6 x 2<sup>nd</sup> place and 2 x 3<sup>rd</sup> place in their classes, an impressive achievement. Graded Excellent Merit 1 and the well deserved 2022 Victorian State Sieger.

## **\*Wulkano-Uno von Schnitzerteam 'a' Normal, ED Normal (Imp Hun)**

Sire: Ulkan von Maikhus Dam: Ixy van Contra

Linebreeding: Vegas du Haut Mansard (4-3), Odin Niederforstbach (5-4)

Progeny registered – 127, presented at show – 7

HD/ED scored – none to date

The first group presented from this sire was small but of consistently high quality. Seven females were presented, from 5 different dams, from Baby Puppy to Junior classes. From this group, 4 exhibits won their classes in this show, a very good result since most of his progeny was bred in WA where he resides. Uno is another son of Ulkan von Maikhus and his dam is a Vegas du Haut Mansard grand-daughter, so he has a similar pedigree to Chili, and is also a correct sized dog of very good breed type.

'Uno' is absolutely medium sized at 63 cm, of above medium strength, and his young progeny reflect his very good type. They have good heads, high withers, firm backs, very good angulations, good length of leg, and exhibit very good movement with good reach and drive. I recommend this dog to breeders in the Eastern States. The limited progeny seen here are of very high quality and exhibit very good character with far reaching movement, and are sire typical. Graded Excellent Merit 2 and a worthy Vice-Sieger.

## **Gewalt Tennessee Drummer A.I. 'A' (2,5), 'Z' (0,0)**

Sire: Xavi von Tronje Dam: Hinterhaus French Tennessee

Linebreeding: Nil

Progeny registered – 173, presented at show – 5

HD/ED results – 21 'A' & 'Z' stamps, with a mean hip score of 6.7 and 100% normal elbows to date

Breed Surveyed progeny – 6 classified

'Drummer' is very well bred, a son by A.I. of Xavi von Tronje (a Paer Hasenborn son) and his dam is the lovely Hinterhaus French Tennessee (a daughter of As du Domain du Val d'Alnoy). He presented a group of seven females, from seven different dams. Three were shown in Junior and Intermediate

classes with a 1<sup>st</sup> and a 2<sup>nd</sup> place, and two daughters in the Open class graded Ex 5 and Ex 6. He has been used at stud mainly in his home State of South Australia.

Drum's progeny are very sire typical, above medium size to large, medium strong females with slightly stretched proportions, firm straight backs, and slightly short well laid croups. Good heads with slightly elongated muzzles and in some the stop could be more pronounced. They have generally very good underlines, good forequarters and slightly long lower thighs with good short hocks, are firm and dry and show very good ground covering movement. A very good sire with proven producing ability. He has no linebreeding and can be used on most bloodlines. He was graded Excellent Merit 3.

## **Bronacre Blue Ice 'A' (2,2), 'Z' (0,0)**

Sire: Conbhairean Freddie Dam: Bluemax Salted Pretzel

Linebreeding: Zamp Thermodos (4-5), Larus Batu (5,5-4)

Progeny registered – 17, presented at show – 5

HD/ED results – 4 'A' & 'Z' stamps with low hip scores and 100% normal elbows to date

Breed Surveyed progeny – 1

Blue Ice was the only female to present a Dams Progeny group this year, an achievement to be congratulated. She is a daughter of Conbhairean Freddie and Bluemax Salted Pretzel (a Bluemax Salt daughter). Her group consisted of five females from two different sires. Results in the show classes were 1 x 2<sup>nd</sup> place, 2 x 3<sup>rd</sup>, 1 x 6<sup>th</sup> and Exc 10 in Open class.

'Lizzie' is a large, well coloured, slightly stretched female of very good type, typical of her sire line. She has good fore and slightly deep hind angulations, with a good underline and a slightly short croup. She has a close bite with worn incisors, dark eyes, and stands with a high wither and a firm straight back. Her older progeny were somewhat mixed however, and not representative of her own type. In some the necks could be longer and the croups were slightly short. Good pigmentation but their colour could be richer. Movement could generally have been more expansive. A good group, but not as typical of the dam as I would have expected. She was graded Excellent 8 in the Open Bitch class.

## **Breeders Groups:**

The aim of a Kennel/Breeding Group is to present a homogenous group of animals that are of consistent quality and appearance across several different bloodlines, and are ideally recognised as being typical of that particular kennel. The higher degrees of difficulty (i.e. number of different sires and dams) can make this a challenging task to present a group with good consistency.

### **1<sup>st</sup> Place - Gewalt Kennels (South Australia)**

The group from Gewalt Kennels consisted of five females, bred from 4 sires and 4 dams. The group was of very good overall quality, and of very homogenous type and proportions. They were generally large, slightly stretched animals with good firmness and very good ground covering movement. Congratulations to Gewalt as the winning kennel of the 2022 Breeders Groups.

[Post show comment: The results in show by this kennel were very impressive, with Exc Merit 3 Open dog, and Exc 3, 4, 5, & 6 in Open Bitch class.]

### **2<sup>nd</sup> place - Bronacre Kennels (Victoria)**

The group from Bronacre Kennels consisted of two males and three females, bred from 4 sires and 3 different dams. The group was of very good quality, and the two males were particularly masculine and well pigmented. The overall consistency within the group however was not quite as homogenous as the winning group. Congratulations on your ability to put a very good kennel group together.
