

I would like to firstly thank the Newcastle & Hunter Region German Shepherd Dog Club Inc for the invitation to judge your Championship Show on Sunday. Thank you to the committee and volunteers for a very well run show and thank you to the exhibitors for your entries. The overall quality of the animals was very good. Eye colour was good to very good. Some of the exhibits had slightly stained dentition. All exhibits measured within size with one long coat male only just measuring within size. Hocks were generally good. Some exhibits were slightly compact in body proportions but majority were of good length. Under chests were generally of good length. The Open Male SC class was a very beautiful class of males overall. The Intermediate and Open Bitch SC classes were particularly praiseworthy in terms of quality. Of note was the quality of the BPB LSC who for her age, was a very balanced and well constructed baby. I thoroughly enjoyed judging your show and wish you every success with your animals.
