

Show Summary – Judge: Ms Jane Pike

Thank you to the Newcastle & Hunter Region German Shepherd Dog Club for the appointment to judge alongside Mr Mike Bradley at their 50th Anniversary shows.

The show commenced at 8.30 am in stunning weather conditions. There was a total of 56 entered and 47 exhibited.

The overall type presented at the show was pleasing to the eye and made judging the classes enjoyable. Overall, the temperament of the animals was very good however, one animal withdrew as I was unable to measure her. Care must be taken regarding the firmness of the hock joints, the shortness of under chest and length and lay of the croup. The second placed LSC Open Bitch, who is a stunning bitch in profile, was initially pulled out first but was unable to maintain that position due to the looseness in hock joints.

Regarding the length of under chest, every exhibit in the Junior Bitch Class was critiqued as short or slightly short in under chest. Animals with a short under chests are restricted in movement and have the tendency to drive too hard which affects the balance of the dog. Breeders should try and select males that have a good length of under chest particularly if their females lack in this area.

My Best in Show was *Xander vom Grabfeldgau a ED who was presented in excellent condition. This dog has very good body proportions and in movement covered the ground with ease. Two sires had 5 progeny entered in the show:

- Xander Grabfeldgau - 3 first placings, 1 second and 1 third, and
- Laiko Huhnegrab - 4 first placings and 1 second.

A few individual animals that stood out in the younger classes were all LSC'S:

- Jaknell Penny Lane, Minor Puppy Bitch, Macho daughter who performed very well on the day and was presented in beautiful condition.
- Puppy Bitch, Kingland Black Betty owned the ring from beginning to end, and
- Junior dog, Cinderhof Diaablo, a very well coloured, balanced dog of good size was my Challenge Dog and will have hopefully have a very promising career.

Show numbers across the country are reducing and the number of stock coats versus long stock coats are becoming much more even. It is unfortunate that male numbers in both varieties are low across the country. This trend has continued for many years and does not seem to improve. I am pleased that the Newcastle Club awards Best and Runner Up Best of each variety and then awards Best and Runner Up Best in Show. I would, however, like to see run offs between all classes and varieties introduced with the best animal in each class being awarded their Class in Show. Time should not be an issue these days and it gives each class winner the opportunity to compete against the other sex and both varieties.

Thanks to the Club as a whole and to my stenographer, Leeanne Lynch and my stewards Yvonne Yun and Sean Lynch. Special mention to Angie Lynch and Paul York for the "pick up, sightseeing and drop off" duties and to Pat Henrickson from the Rottweiler Club who looked after me on Saturday. Without these volunteers we would not have our hobby.

Lastly, thank you to all exhibitors who entered under me. I enjoyed the experience very much.

Jane Pike

Height: 65.5 chest 30cms

Very large masculine dog of very good type. Very good head with very good expression and dark eyes. Good length of neck, high wither, good topline. The croup is of good length and lay. The upper arm could be longer and better angled. Very good hind angulation, very good underchest development, moves correct going. Has a tendency to high step when coming. In movement shows very free ground covering gait where the topline remains firm.
