## PRESIDENT'S REPORT

Welcome to the 49<sup>th</sup> National edition of the GSD Quarterly National Review.

Firstly, I would like to congratulate the Victorian GSDC and the show committee for the wonderful job they have done.

The grounds were beautiful as always, the organisation was perfect and what we expect from the Victorian club and the atmosphere was awesome, we even had great weather after a short shower on the Friday. Also, I would like to thank the GSDC of Victoria for allowing Heather to explain some of the

Harmonization program in some detail for the members.

It was a pleasure again to have our Patron, Dawn Fraser attend for the weekend, I was very honoured to be able to enjoy her company for the 3 days.

She is truly an Australian icon, and the energy she has with her non-stop charity work with several organisations is amazing.

I would like to thank Dawn on behalf of all in attendance.

I must say it was very exciting to get back to international judges. Heather and Malcolm had large classes, top quality animals and did an amazing job. It was pleasing to see they spent the time to

assess every dog and I am sure everyone appreciated the advice and comments from these world renowned judges. I really enjoyed the obedience classes and thank the judges and exhibitors for the wonderful work and sportsmanship shown.

News from Germany: early June the SV elected a new President – Roswitha Dannenberg, I have sent a letter of congratulations to her, and I look forward to what she will bring to the organisation. I am hoping that our relationship with the WUSV will improve, and we will have better communication from them and much better understanding of our situation here in Australia. We will keep you all posted of any changes.

We now look to the future, and we get a chance to really celebrate next year, this being our 50<sup>th</sup> National. South Australia is well into the planning for this special event and its going to be very special, I would suggest that you all start looking at booking accommodation asap as this will be a show not to miss. I thank the club for all the great ideas that will be a feature of this show.

I wish you all the best, enjoy the wonderful dogs and the critiques in this edition of the review.

Now we look forward to the 50<sup>th</sup> National hosted by the GDSC of SA.

Best wishes

*Sean Lynch*

## EDITOR'S REPORT

The following edition has been a laboured chore, with two complete design changes as a result of issues within the production house. I know the lateness of this edition will not sit well with those anxiously awaiting their copy, but unfortunately, the delays have arisen because of issues entirely outside of my influence. Hopefully, members will find the delays worth the wait and enjoy the content.

Before moving on, there are three very large thankyou's I need to send.

Firstly to Jacinta Poole for an amazing effort in providing all of the material, approved by judges to make this edition happen. Add to this photos compiled and coordinated between photographers, I can only say thank you for a brilliant effort.

Then to my proofing gnome – you know who you are and frustrating as it has been, could not have gotten here without you.

And to the team at Maroondah Printing – I know there were times and pressures where it just didn't seem that this would ever end, but it has and thanks for giving up your weekend to support us.

And throughout this edition, you will see several candid shots that fill little blanks and insured that continuity was not disrupted – Karen Hore, Matthew Ferguson and Derek Gessell – you are all amazing and very talented people. Thanks for your generosity.

And now to other matters.

The Queensland government released their call for submissions on their legislation with a fairly tight lead time and we can only be grateful that a lot of prep work had been done, that will allow us, with a bit of a following wind to make a forceful submission that gains recognition in government circles. But a single submission will not be enough and we are urging every Queensland member to do something to contribute to what we hope will be a great outcome for dog ownership in Queensland, and by default, Australia. The problem is that these days, there are "knock on" effects that have a nasty history of bobbing up in other states.

So, a release will be sent to every Queensland member with some suggestions on how they might help us to help them. Please be ready to act.

# CONFORMATION JUDGES

## LONG STOCK COAT BITCHES & DOGS, STOCK COAT DOGS

### MRS. HEATHER MACDONALD (UK)

I am the owner of Kennel Conbhairean based in Scotland, along with my husband David. I retired in 2022 as a senior Police Officer after 30 year's police service.

I have been a GSD conformation Judge since 2003 when I was licensed by the UK Kennel Club. I became one of the first WUSV judges in 2013 and later appointed an SV International Judge and also breed surveyor.

I was appointed judge for the Character Assessment (Wesensbeurteilung) with my assessments fully recognised by the SV for Körung and showing.

Founding Member and executive of the "GSDL – British Regional Group" (BRG)

- Chair of the Scottish Progressive Group (BRG)
- Secretary of South of Scotland GSD Club (show)
- Secretary of Forth Sports Dog Club (IGP)
- Member of the Verein für Deutsche Schäferhunde (SV) e.V. since 2000
- Continental Director for Northwest Europe (2019) and Australia (2021)

I have judged several times in Scotland, England, Ireland, Norway, Pakistan, India, Australia, and New Zealand and feel truly humbled and honoured to visit these countries as a judge and in pursuit of our joint passion – the German Shepherd Dog.

From only 1 or 2 litters bred by us each year, our small family kennel has produced many successful dogs that have competed in shows around the world. Notable results at the BSZS in Germany for our dogs are Conbhairean Uno SG5, V10, V7 & V4. Quella SG 18 & V31. Bazi V42. Rikkor SG6. Karlos SG13. Freddie SG22. Vincenzo SG23. Gio SG24. Xara SG25 & Juri SG22. Many more dogs have placed in the top rings and many VA titles achieved in several other countries.

One of the proudest moments in dogs for our small kennel was Conbhairean Uno presenting a large quality progeny group at the 2012 BSZS in Ulm and then again in 2013. Holding that board and walking into that stadium for the first time truly made my heart swell with pride, such an amazing moment in my dog life.

I am actively involved in both showing and working our dogs in IGP, from puppy to adulthood and as a very active member of our IGP club, this is where I can be found training most weekends (if not showing or judging) and weeknights in the summer months.

I am truly honoured to have been asked to judge at your 49th National and I am greatly looking forward to judging your beautiful males and LSH males and females.

## JUNIOR SHOWMANSHIP

### MS. CHELSEA BIRD (NSW)

I have been in the world of dog shows my whole life, attending my first show at 2 weeks of age. Over the 27 years I have been involved in both exhibiting and breeding different breeds of dogs. At 7 years old I got my first show dog to compete in Junior Handler classes and the confirmation rings, after many years of handling for my parents prior to that. Over the years I have shown multiple breeds from Shiba Inus, Siberian Huskies, Rottweilers and now German Shepherd Dogs.

I got my first German Shepherd 7 years ago from Scherzar Kennels and she introduced me to the wonderful breed that I have become quite passionate about now. Throughout my years with the German Shepherd I have handled both in the specialty ring an all breeds rings with my dogs and have had the privilege to handle some lovely dogs for friends, learning from the top handlers in Australia. One of my favourite moments in handling was winning the Silver Medal for the Long Stock Coat Male at the 2022 National in Sydney. I have also had many highlights with my own dogs from national class wins to all breeds best in shows.

As a breeder we have also had many highlights for Azincourt Kennels, which I am in Partnership with my Mother Sharon and Sister Jessica Bird. With our kennel having 3 dogs successfully through the GSD Hip & Elbow Scheme and 2 dogs successfully gaining their Survey Breed Classification from our first 2 litters.

I have been a Junior Handler judge since 2019 and I am now in the process of completing my judging course to become an ANKC Working Dog Judge with future hopes of becoming a German Shepherd Specialist Judge. I am also a part of the German Shepherd League of the NSW holding a committee position as Youth Officer, and I have recently been appointed to the position of GSDCA Youth Officer.

# OBEDIENCE JUDGES

## OBEDIENCE JUDGES

### COMMUNITY COMPANION DOG & RALLY NOVICE

#### MS. LAURA SCHIMKE (QLD)

I first became involved in dogs (German Shepherds) as a very young child, going to all the dog competitions with my father. My parents bred German Shepherds from 1978 to 1992 when I acquired my first German Shepherd dog.

I commenced training my first GSD in 1993 at the age of 13 at our local dog club. We gained our CD title in 1993, CDX title in 1994 and after some difficult learning curves and a severe dog attack, attained our UD title in 2000. I have since then trained other GSD's to different levels in Obedience, Rally O and Agility/Jumpers/Games, Endurance and Tricks and continue to do so with my current 2 German Shepherds.

At the age of 13 I became the youngest instructor at Logan All Breeds Dog Obedience Club Inc., instructing all levels from Puppy to Trialing Class. I am still currently an active instructor for the club. I have also held various positions within the club ranging from Vice-President, Secretary, Trial Secretary, 2 O/C Trainer, Head Agility Instructor, Demonstration Instructor and Committee Representative just to name a few. I have also been a steward at the Brisbane Royal for the past 20+ years thus resulting in been presented with the RNA Long Service Badge.

Due to my high involvement in the club, it was only natural to then become a Judge. Therefore in 1998 I was accepted on the Judges Trainee Panel, making me the youngest trainee judge in Australia at the time (18). I was elevated to Senior Judge Status in 2003. After taking a year off to concentrate on Judging I was accepted on the Agility Training Panel in 2005 and elevated to full Status (Agility, Jumpers and Games) in 2007. When Rally-O was introduced, I was accepted onto the Judges list for Rally.

I have judged in many places within Australia from Queensland (both locally and in Northern Qld), Western Australia, NSW (Northern and Far South) and Darwin. I have also judged at the Brisbane Royal on several occasions and have judged at the Melbourne Royal also. Not to mention I have also judged trials at the GSDCQ.

My biggest judging highlight to date was the invitation I received to Judge Agility and Jumpers in Malaysia.

Along with my Judging responsibilities, I am also on the Qld Senior Judges Panel, I am a Qld Dog Sports Committee Member and now going into my second year as the German Shepherd Obedience Co-Ordinator for the GSDCQ.

I can't tell you how privileged I feel to have been invited to come and judge at the 49th GSD National Show & Obedience Trial. To say that I am excited is an understatement. I look forward to seeing all the amazing German Shepherds work and wish both dog's and Handlers an awesome and successful time trialling.

## UTILITY DOG EXCELLENT, NOVICE & RALLY EXCELLENT

#### MRS. KIM HOULDEN (VIC)

My interest in obedience commenced when we purchased our first Golden Retriever in 1988, Cleo gained her Novice and Open titles.

I took up tracking after our second Golden Retriever gained his Novice title and he completed his Tracking & Tracking Dog Excellent titles. My first performance judging licence was Tracking in 2004.

I was later encouraged to commence Obedience judging and gained my CCD licence in 2008. I decided to concentrate on trialling my own dogs for quite a few years after that, gaining titles from CCD through to Open and trialling in UD.

In 2009 I gained my Track & Search licence, Rally Obedience in 2011 and after encouragement to continue further with Obedience judging, Novice & Open Obedience in 2015 & 2016. In June 2017 I successfully completed both UD and UDX practical exams to become a full panel obedience judge.

My dogs compete successfully in Conformation, Tracking, Track & Search, Obedience and Rally and have gained many titles over the years. I am currently campaigning two young Golden Retrievers in the show ring and training three for obedience and tracking.

I judge regularly in Victoria and have judged all these disciplines in other states of Australia. I have judged Obedience and Rally at National Trials for several breed clubs over the years, with appointments for the German Shepherd and Labrador Nationals in Victoria in 2023.

I have also been a member of the Dogs Victoria-Obedience, Tracking & Endurance Committee Training and Assessment panel for Obedience, Rally, Tracking and Track & Search for many years. It has been very rewarding to mentor new trainees in these disciplines and to see them pass and become very competent judges.

I was thrilled to judge Obedience at the 2019 Royal Melbourne Show, and I am looking forward to judging Obedience at the 2023 Sydney Royal Show.

I am looking forward to judging lots of German Shepherds in April 2023 in Victoria.

# OBEDIENCE JUDGES

## OPEN DOG AND RALLY MASTER

### MR. CHARLIE GILES (ACT)

I became a full-panel obedience judge in 2009 and have judged extensively in NSW, Qld, Tasmania and the ACT and, to a lesser extent, in Victoria and the NT

I have judged Obedience at the 2013 Sydney Royal, the ACT, NSW, Queensland and Victorian Titles, the 2008 and 2017 National Titles and the Poodle and Border Collie Nationals.

I have judged numerous Rally O trials since the introduction of the sport in 2012.

Since 1995, I have trained and trialled four Tibetan Terriers, Morgan, Tyler, Ruffy and Otis. Ruffy and Otis are still with us but are now retired from trialling. My wife, Liz, took Tyler, Ruffy and Otis to their conformation championship titles.

I am a life member of the Belconnen Dog Obedience Club and a member of the ACT Companion Dog Club. I am an active obedience instructor at CDC.

I have enjoyed judging Obedience at the Royal, National and State levels and am looking forward to judging GSDs at the National level.

Wishing all competitors success at the Nationals in 2023.

## UTILITY DOG & RALLY ADVANCED

### MS. ELAINE TEMBY (ACT)

I share my home with 3 gorgeous cocker spaniels all of whom have competed in Obedience, Rally Obedience, Conformation, Endurance. Some

have been introduced to the joys of Agility, Gundog retrieving work, Tracking, Tricks and more recently, Scent Work. I have been trialling cocker spaniels since 1997 and trained three to UD, two to CDX and one to CD. All six have gained their Endurance Test title, one her AD and JD and three their Australian Championship. My current 'team' have gained a Rally Championship, Rally Advanced Excellent, Rally Master, Trick Dog Starters and Scent Work Novice title. Sadly, COVID got in the way of their obedience activities and two are now semi-retired, but, never say never aye, you cannot just train one dog while the others watch on right? They all remain a 'Work in Progress'!

I live in Canberra and work for the ACT Government, surprise, surprise!! So much has changed over the past few years which has created interesting challenges to the way we do business. I have embraced change along with the challenges, learnt lots and I am loving it. I recently retired from my voluntary role as Treasurer of Dogs ACT, an executive position, which I held for 5 years. There is simply not enough time in the day to do everything and it is great governance to step aside after a period of continuous tenure! I have been a member of the ANKC (now Dogs Australia) National Obedience, Tracking and Endurance Committee for 6 years and am a lifetime member of the Belconnen Dog Obedience Club where I served many a long year on the Executive of that Committee and supporting club activities.

Many, many years ago, well it seems like an eternity, I undertook the Obedience Stewards Course and began stewarding at Trials. Stewarding provides the opportunity to learn so much about the various wonderful breed characteristics as you observe them working from within the ring. In 2006, in an effort to 'give back to the sport' I applied to participate in the Obedience Judges Training Scheme. In reality, I think my arm was twisted so hard I couldn't say no! I attained my Community Companion Dog and Novice Judges licence in 2006 and each year thereafter I upgraded. I completed the long haul and became a full panel judge in 2009. In late 2011 I completed the requirement to gain my Rally Obedience Judges licence in preparation for the introduction of Rally Obedience, (now known as Rally), as a recognised ANKC dog Sport. I am also a licenced Endurance Judge.

Yes, all that and working full time! ... now with judging, volunteering and actively participating in multiple dog sports with multiple dogs, ... I am certainly kept very busy. On occasion, my body certainly reminds me to slow down!

Since attaining my license I have enjoyed travelling widely throughout the eastern part of Australia fulfilling judging appointments in the Northern Territory, Queensland, New South Wales and Victoria.

Whilst competing and judging I have met some wonderful friends and competitors and enjoyed the privilege of competing with and judging an amazing variety of brilliant teams. It is equally fulfilling to see the love and commitment demonstrated by handlers to their beloved 'mates'. At the end of the day, win or lose, just remember, we all take home the winning dog! So excited to be officiating at your event and looking forward to meeting you all.

# JUNIOR HANDLERS CRITIQUES

## Junior Handlers Class

### 7 to Under 10 Years

Judge: Ms Chelsea Bird (NSW)

#### Harleen Kaur – Very Promising

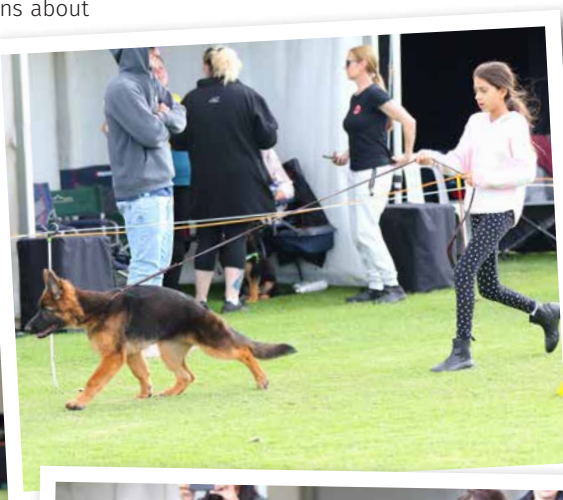

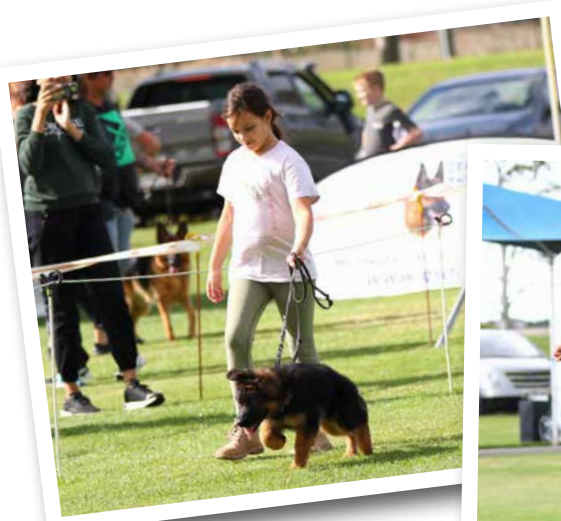

Harleen's handling showed confidence throughout the exercises, she had a good level of general control and ability. Her communication with the dog and lead adjustments were very good, with a great rapport/teamwork with the dog. She worked with the correct paces throughout both the gait and the walk with the dog. Harleen set the dog up very well and controlled the dog during the dentition check. Harleen was very aware of my position at all times and therefore had her dog ready for any examination from the front or side view. During movement, Harleen adjusted the length of the lead well, ensured she had control of the dog at all times. She was able to answer simple questions about the age of the dog and simple question about the German Shepherd Dog. Big congratulations to Harleen on a very promising performance and winning the class.

#### Jayde Kelly – Very Promising

Jayde's handling showed confidence throughout most of the exercises, I would have liked a little more confidence when she stacked up the dog, but this may have been due to having a very young puppy. She had a good level of control ability, and worked well with a young excitable puppy. She had a good range of lead adjustments, and had a great rapport with the dog. She worked with the correct paces throughout both the gait and the walk with the dog. Jayde had some difficulties with setting the dog up due to the age of the puppy, however she worked well with the puppy to set the dog up very well and controlled the dog during the dentition check. Jayde watched me and listened to instructions therefore had her dog ready for any examination. During movement, Jayde adjusted the length of the lead well, ensured she had control of the dog at all times. She was able to answer simple questions about the age of the dog.

#### Harrison Bland – Very Promising

Harrison showed confidence throughout most of the exercises, I would have liked a little more confidence throughout, however he still maintained a good control of the dog. He had a good level of control ability, and worked well with a young puppy. He had a great rapport with the dog, I would have liked a little more lead control. He worked with the correct paces throughout both the gait and the walk with the dog. Harrison had some difficulties with setting the dog up due to the age of the puppy, however he worked with the puppy to set the dog up very well and controlled the dog during the dentition check. Harrison listened to me for instructions. He was able to answer simple questions about the age of the dog.

Verbal Critique at the completion of the class

"The winner of the class, number 370, for me was the absolute, undisputed clear winner of this class today. He is a beautiful type of male, he is over medium size, he is strong, he has good strong bones, he has a beautiful expressive head with a dark mask and good dark eyes. He has a good reach of neck, clean overline, and has no curves or bumps in his overline. He has a very very good forehand, and balanced hind angulation. Absolutely correct when he's coming, stands correct and when going he is almost correct. For me when he presents himself in the ring, both at the walk and at the gate, he has a presence, you know that he is there. He is very much look at me, I am the winner of this class, and he absolutely was. He owned the ring and presented himself beautifully. He has very good hind drive and good forward reach. He maintained his outline both walking and trotting. There was never in any doubt in my mind that he was not going to win the class. He was extremely well handled. Congratulations V1 ,Sieger."

**In memory of Max Stokes, his widow Mrs Fay Stokes submitted the following in recognition of his contributions.**

Max always loved German Shepherds and when given an unregistered bitch he immediately talked the breeders into registering her and from there he trained her to her CD title. Although he tried showing her in the conformation ring he soon realised that while she was a great dog she was not a show prospect, and although she lived with us until she passed at 13 years of age, he never bred with her.

He then saw a bitch at training that he fell in love with and ordered a male puppy from her first litter, she was a very dark bitch and I personally thought she was the ugliest thing I had seen, but he loved her. Max showed this male puppy at the Newcastle German Shepherd Show where he won Baby In Show and that dog went on to win many In Show awards – he trained him to CDX and he won Best In Show conformation and also Winner of Winners at a very large Obedience Trial. This is the dog pictured in the National logo and known as “the jumping dog”. Max then purchased a bitch puppy from the same dam as the dog – this bitch he purchased from incidentally won the Bronze Medal at the 1st National Show. Max then began breeding under the prefix “Ambala” and went on to breed many, many Excellent, Excellent Merit, AOC, National class winners, National Gold & Bronze Medal winners and National Breeder’s Groups. Max was also part of a very successful GSD League Obedience Team who were unbeaten in most trials for many years.

Max, of course, had joined the GSD League in 1962 and became Vice President and President for many, many years. During this time he became involved in National Council and was part of the committee who organised and ran the 1st National Show.

Max, during his time on Council over many years, was a Vice President then that position changed to Chairman Judges Committee, Breed Commission Chairman and ending with President of Council until just prior to his passing. National Council then consisted of Jürgen Neddermeyer, Louis Donald and Max and these 3 men were instrumental in introducing the many, very successful breed schemes we have in place today.

Max loved talking and mixing with everyone and had the remarkable ability of remembering everyone’s name – he never considered himself to be unapproachable and enjoyed helping people whenever he could. He was a

Group 5, 6 & 7 judge and judged all over Australia, New Zealand and Asia and was to judge in China when he became ill.

Max loved his German Shepherds and really enjoyed judging the bitch classes and I know he would be humbled by having this Junior Bitch (Stock Coat) Memorial Plaque awarded in recognition of his contribution to the German Shepherd Dog.

## THE JAMES WILLIAM HENRY RODGER MEMORIAL PLAQUE

### Awarded to 1st Place Stock Coat Intermediate Bitch

James’ love of dogs, particularly the GSD, started in 1971. James and Louisa bought their first GSD and joined the GSDCV and within a short time, both became Club Obedience Instructors.

His commitment and dedication to his favoured breed and breed club was too vast to summarise here, however he was the catalyst for the GSDCV establishing Branch offices throughout Victoria, and he also compiled, edited, wrote and produced two definitive books on the history of German Shepherd Dogs in Australia.

Whilst heavily involved in the administration of Council, GSDCV and other canine matters, he was very much hands on with the breed.

Together with Louisa they established Rodatt Kennels and bred quality GSD's from a very small breeding program and supported and promoted all GSDCA breed improvement schemes. His idealism, passion for breeding and showing led him to gain ANKC GSD Judges licence in 1990, GSDCA Specialist Judge and GSDCA Breed Surveyor status.

He made significant contributions to the wider canine community. His record of achievement and business acumen saw him as a trusted and valued person who was dedicated to the betterment of canine affairs: Founding Secretary/Treasurer of the Canine Research Foundation, advocate for supporting research into breed health, resulting in breeders and consumers better served.

He was also a trustee of the Canine Museum Foundation whose work has seen Australia’s only Canine Museum established at KCC Park, Victoria.

James was an honourable, forthright, passionate, and respected member of our fraternity.

His lifelong dedication and notable work for the GSD, GSDCV, GSDCA and wider canine community in

Australia will not be forgotten and is now etched in our history.

Joylene made several trips to Germany to attend the German Sieger Show and was proficient in speaking the German language.

# THE PEOPLE BEHIND THE MEMORIAL TROPHIES

## THE ROY BRABHAM MEMORIAL PLAQUE

### Awarded to 1st Place Stock Coat Open Bitch

**In memory of Roy Brabham, his widow Mrs Jan Brabham submitted the following in recognition of his contributions**

Roy Andrew Brabham was the founder of the German Shepherd Dog Council of Australia Inc., and it's first President, retaining this office until just prior to his death. He was a successful breeder and exhibitor of the breed and also a panel Judge for German Shepherds. Roy purchased his first German Shepherd at 25 years of age and joined the German Shepherd Dog Club of SA. He quickly became involved in the administration of the Club, first as Secretary, then President and when appointed to the Council of the Canine Association of South Australia (now Dogs SA) and the Royal Agricultural Society of South Australia Council, he wasn't allowed to hold a position on a Club, so he was appointed Patron, a position he held until his death. During this period, he introduced many innovations to the Club, including publication of the first Club monthly newsletter in Australia, incorporation of the Club and many others. As a member of Council he was involved in the take-over of obedience training by the Association and Chairman of the Obedience Sub-Committee for several years. He also presented SA with delegates from NSW and Victoria to nationalise obedience trials in Australia.

During the 1950's there was a ban on importing German Shepherd Dogs into Australia, plus they were banned in many rural areas and only desexed dogs were allowed in others, including the whole of Western Australia. It was Roy's vision to form a National Association of German Shepherd Dog owners and breeders to fight the prejudice against the breed, lift the many bans on the breed, including importation, and to improve the temperament and conformation of the breed generally. As a senior partner in a Architectural firm, Roy's interstate and overseas trips for business were used to meet with German Shepherd breeders and Clubs in all States and convince them to form a national body for the benefit of the breed. In this era, travel was difficult and expensive and there were no national dog associations. Despite many obstacles, eventually he gathered support from all clubs and the first meeting to form the National Council was held in March 1960.

Roy worked tirelessly for the breed. He published the first National Review, worked towards the lifting of the importation and other bans and, as he was living in Sydney, was responsible for contracting a German SV Judge and organising the first National German Shepherd Dog Show and Trial, in conjunction with the German Shepherd Dog League, held in Sydney in March 1967. His further involvement in the breed was sadly cut short by his death in 1970 at age 40 years.

## THE THOMAS ROGER LUXTON MEMORIAL PLAQUE

### Awarded to 1st Place Long Stock Coat Open Bitch

Tom Luxton was an integral member of the German Shepherd Dog fraternity. His grandfather, Mr. H D Luxton was the first President of the GSDC of Victoria, when the Club formed in 1929. Tom himself was a club member for the past 60 years. He was a Club Obedience Instructor for more than 10 years, willingly assisting fellow members during times of hardship and or difficulties. Tom was awarded Life Membership by the GSDCV in recognition of his service and significant contribution to the breed and Club. Tom was the immediate past GSDCV Patron. Tom's role in the lifting of the infamous import ban on German Shepherds was pivotal. He worked on producing an independent and objective scientific opinion as to the attributes and virtues of the German Shepherd Dog. The resulting report saw the politicians and subsequently the government of the day lift the ban for a trial period of one year and then permanently a year later.

Tom created and founded the Kamarn Breeders Foundation in the early 1970's. The mission was to breed German Shepherd puppies under the Kamarn prefix for the specific purpose of going to work in a variety of community services which included the Police, Customs, Armed Forces and Guide Dogs for the Blind. Karman's success helped dispel the community's prejudice against our breed. He also headed and contributed much to a committee that saw the implementation of the Hip Dysplasia screening scheme in 1978. An incredible achievement at that time!

Tom was a most respected member of our fraternity.  
He will be missed but never forgotten.

## THE HANS-JÜERGEN NEDDERMEYER MEMORIAL PLAQUE

### Awarded to 1st Place Long Stock Coat Open Dog

Juergen's passion was his love of the German Shepherd Dog!

This passion saw him first involved with the German Shepherd Dog Council of Australia in 1967. In 1969, he became its main stay due to the untimely death of its founder the late Roy Brabham. Together with a growing group of idealists, commenced to be active with regards to the lifting of the import ban on German Shepherd Dogs! Together with the newly elected President, Mr Lou Donald and Mr Max Stokes promoted the breed and the GSDCA to a new level. Juergen played a significant role in driving and achieving major change in a hostile anti GSD environment where Kennel Club regulations made it difficult to progress matters. Once the import ban was lifted, his passion and love for the breed saw him import a number of male dogs from Germany. He shared his kennel, Adelora, with Joylene, Martin, Lyle and Jan Strahan. This passion for showing and breeding saw him also join the peer group of our organisation as a most respected GSDCA Judge and Breed Surveyor.

Juergen, never wanted or craved attention. He was in many ways, the conscience of the organisation; he passionately added to any debate. Juergen's long life commitment to the German Shepherd Dog, our Council and GSDCA cannot be understated. He was a friend to many in our fraternity and did not ask much of anyone: he was a true and a sincere man and will be missed by all of us.

## THE WALTER HENRY REIMANN MEMORIAL PLAQUE

### Awarded to 1st Place Stock Coat Open Dog

In memory of Walter Reimann, James Rodger submitted the following in recognition of his contributions.

Walter was a proud Victorian who served the GSDCA very well indeed. His contribution was significant in that he, out of his own pocket, funded and restarted the GSDCA's National Review in 1974. This was a small A5 booklet containing the critiques and photographs of the major placegetters at the 3rd National held in Dandenong, Victoria, as well as some advertising which preceded the Quarterly National Review.

He continued in this position until his untimely death in 1981. The original Review started by the inaugural GSDCA President, Mr Roy Brabham, had to be discontinued in the late 1960's due to costs and the fact that Roy, as Editor, was gravely ill and subsequently passed away. Walter was able to develop the National Review into an excellent publication, released on a six monthly basis and containing the critiques and photographs from the National and other major shows around Australia. Mr Louis Donald wrote, in the 1990 "Condensed History of the GSD in Australia", quote... "Walter's contribution has been a great one and for this he will always be remembered. Remembered with pride, respect and admiration".

# THE PEOPLE BEHIND THE MEMORIAL TROPHIES

## WINNER OF WINNERS

### THE RICK RICHARDSON MEMORIAL PLAQUE

Sponsored by German Shepherd Dog Association of Western Australia

**(awarded to the Winner of Winners in addition to the First Place plaque)**

In memory of Rick Richardson, his widow Mrs Honey Gross-Richardson has submitted the following in recognition of his contributions. J.A. (Rick) Richardson BEM CD, Life Member of the GSDA of WA and awarded the GSDCA Service Medal for a lifetime's devotion to the breed. Ex-British Army, Rick joined the GSDCA of WA in 1973, became an Obedience Judge in 1976 and later a Conformation Judge of Working Dogs, with a decade of GSDA specialist show events, and Group 6 judging. He had served the GSDA of WA as Tattooist for 25 years and Hereditary Diseases, HD and ED Scheme Administrator. Rick was the President of the GSDA of WA for 18 years, a CAWA (now Dogs West) Governing Councillor for six years, and was a member of the Dog Act Review Committee for CAWA. He enjoyed judging MBE and National events, Agility, Tracking, the ET, Track and Search Dog

Trials and DWD competitions, served on Tracking and/or Obedience Judges' Training and Examining Panel for CAWA, Singapore and Malaysia.

Promoting breed improvement, character building and skilful training and with wife Honey, breeder of 50 GSDs with the A and/or Z stamp, 30 Breed Surveyed and/or ET and Performance titled dogs with multiple Excellent awards, Rick was often heard to say "if you have a show dog and he cannot do Obedience, then you enjoy only half a dog!" And: if your show quality Obedience Dog is not exhibited in shows, then you only have half a dog! Instrumental in the foundation of several Breed, Obedience and Tracking Clubs, his motto was: Breed only with the best, but love and train the rest! He espoused Positive Reinforcement Training, counselling and cheering on anyone who spent time training, striving for his personal best. His spirit will never leave us, and there is the feeling he will meet our dogs at the Rainbow Bridge.

### THE DAVID O'ROURKE MEMORIAL PLAQUE

**(awarded to the highest placed dog or bitch competing in the Show & Trial)**

Sponsored by The German Shepherd Dog League of New South Wales In memory of David O'Rourke, this is an extract from the Golden Jubilee edition written by Dr Karen Hedberg in recognition of his contribution. David, with his wife Sandy, arrived in Australia as newlyweds in February, 1968. They immediately purchased a German Shepherd Dog to replace their much-loved dog they had to leave behind in England.

Thus began a lifelong association with the German Shepherd Dog League. Buddy was trained to CD and shown albeit without a great deal of success but the bug had bitten. Buddy was joined by Tanaba Kuno, and later Tanaba Ophelia. Their association with Tom Briggs and George Bowen of Tanaba Kennels resulted in them becoming partners in the prefix and later taking over the Tanaba prefix when Tom and George retired. It was during this partnership they first imported dogs, two bitches from New Zealand, Xodus of High Clear and Valdishahn Dechsel.

Karen Hedberg purchased her first male from David and Sandy in 1976, an Ingo son Tanaba Elkk. Shortly after, Karen, David & Sandy went into partnership under the Pendragan prefix. Under the Pendragan prefix they bred a number of breed and obedience champions, best in show winners and many much loved companions.

David obtained his Novice Obedience license in 1972 and later gained his Open, Utility, and Agility and ET licenses. In 1979 he obtained his group 5 license and judged all over Australia and New Zealand and Asia where he made many friends of long standing. David went on to become a Breed Surveyor.

David held numerous positions in the League and it's Branches including President and was on a number of Canine Control Committees. He was the first GSDCA Obedience Subcommittee Chairman where he introduced the Obedience Structural Assessment and designed the Obedience Excellent Medallion.

David is remembered in many facets of the dog world for his willingness to help someone out, be it a club in need of judges at the last minute, someone with a training problem or just a few words to put someone at ease at a show or trial. A most fitting tribute to David is the Dual Performance Trophy, which carries his name.

## THE SAM BONIFACIO STOCK COAT BREEDERS MEMORIAL PLAQUE

Sponsored by German Shepherd Dog Council of Australia

**Awarded to the most successful Stock Coat Kennel In Show & Trial**

Written by Fran Farley this tribute is in recognition of his contributions.

In memory of Sam, who passed away as a relatively young man, in 1991. This trophy is to perpetuate his legacy, as a breeder and specialist Judge of the German Shepherd Dog in Australia. This trophy was originally awarded at the Main Breed Show to the most successful overall breeder at that show.

Sam was a "larger than life" flamboyant, exuberant and articulate personality with a passion for our breed. His legacy was immense and in particular, to those breeders who strive to attain, as near as possible, the correct type of German Shepherd within their kennel. Sam's innate understanding of, and feeling for those animals which could propagate a lineage, was passed on to all who truly listened and were educated by his immense knowledge.

An advocate of unquestionably sound character, his kennel Vinberg produced a record number of Excellent graded progeny, in particular, via Ch Dunmonaidh Junker NZ, the fabulous grey, who Sam 'spotted' well prior to that dog subsequently gaining three gold medals at Australian National Shows in 1981, 1982 and 1983. Sam leased and then subsequently purchased outright, Baccara Icecapade, solely to utilize Junker, which resulted in top quality for his Vinberg prefix.

A teacher at heart, Sam was Chairman of the Judges Committee for National Council 1989- 1991 and took that position to a new level – as a professional and highly regarded portfolio. His prolific writings on our breed were recognised and highly regarded both locally and overseas. Sam was the 'brains' behind the first importation of frozen semen into Australia – along with a small group of fanciers who backed that venture in an effort to improve the bloodline base in this country, without actually importing dogs.

We honour Sam's contribution to our beloved breed, the German Shepherd Dog, may future winners of the "Sammy" award, be very proud of their achievement.

# Breeders Group

## Judge Mr. Malcom Griffiths

The breeders group competition was uncontested with only one group presented. This is somewhat understandable as to form a breeders group requires hours of work, planning, dedication and skill. Those who manage to exhibit such a group should be justly congratulated.

(1) Kennel Cinderhof: Breeder Ms Jo Cathie

The group contained five examples - one male and four females from four different sires and four different dams. The group contained the Gold medal winning female, the junior winning female, (who is a daughter of Gold medal female) and the excellent four graded adult male. In addition, two other examples were highly placed SG5 and SG13.

The group was extremely uniform, the animals displayed a high level of correctness to the standard with marked sex characteristics between the male and the females. All impressed with their harmony of build, correct expressions and displayed a

high level of exuberance. Correct ear placements, dark eyes and correctness in front were all noteworthy. They displayed correct and coordinated movements with excellent retention of their overlines and conformity of general and particularly noteworthy chest to leg length proportions.

An observation would be that the placement of the upper arms in some cases could be improved upon.

One can only congratulate the breeder for presenting such a quality group whereby the animals presented are not just from one generation but two. Such quality females, and the fact that the adult female has produced at the earliest age an outstanding daughter, would suggest a clear and in-depth knowledge and "know how" on the part of breeder and guarantees, I am sure, continued success. I shall follow with interest the future of this kennel.

# POLICE DOG - ZEUS

## Police Dog (PD) Zeus and Leading Senior Constable Knight

### GSDCA Outstanding Canine Service Award

Police Dog Zeus' birth date is 1/5/2016

Six years ago, Leading Senior Constable Knight, a police member for 22 years and a Dog Handler for 8 years, was teamed up with Police Dog (PD) Zeus and commenced novice training with him before qualifying and being attached to the East Team.

There have been many memorable moments in jobs including falling in muddy creeks, being dragged face down on muddy slopes, cats attaching themselves to Zeus's face, or even tracking for up to 70 mins and getting the arrest. They all make for an interesting career in dog handling.

PD Zeus is a very independent dog who has a high prey drive and a willingness to work. Even when the going gets tough and he looks exhausted, he will keep going if there is a track or wind scent to chase up. Not too long ago during what was his most successful night shift, he was responsible for 8 people being arrested in the one week, and all from tracking and searching.

The following are snap shots from some of the jobs attended by PD Zeus. They stand out because the offenders involved would never have been located, identified and held accountable without his amazing capabilities.

*This detailed is firmly imprinted in my mind because of the work we did to get the offender.*

Offenders had entered the property in the early hours of Sunday morning. They stole a truck, motorbikes and a 1950's Porsche worth over \$150,000. They had all but escaped, but the driver of the Porsche stalled it at the end of the street and could not get it started again. A local divisional van doing one last patrol before knock off observed the Porsche stopped at an intersection with no one inside. One phone call later and the crime had been uncovered. A sharp eyed constable saw a person of interest who was now hurriedly walking away from the car. When they attempted to speak to him, he ran and disappeared somewhere along the security fencing to an old quarry. We attended about an hour later and PD Zeus quickly located the offender's exit point.

There was a small depression in the ground and the bottom of the fence was pushed up slightly. I made my way under it on my belly but quickly realised we were in a blackberry thicket and a maze of blackberry tunnels doing its best to stop me at every turn. It was one of those days where you remind yourself "trust your dog" on repeat. After what seemed like an hour we were through the tunnel system, but confident we were going the right way. We had located items of clothing including both of the offenders runners now permanently wrapped up in blackberry vines as we worked our way through. I was now covered head to foot in mud and who knows what else but I didn't care as we were determined to locate the offender. Once clear of the hedge of blackberries, PD Zeus was becoming very frustrated with my lack of pace and was in a hunting track.

It was like being behind a sled dog. I was constantly getting caught by ankle high blackberry vines but eventually cleared them into open paddocks. As it turns out, we were now in a disused quarry. PD Zeus led me to a pile of abandoned mining equipment and I could see that the track had ended and Zeus was now wind scenting. A short time later we located the offender who was looking worse for wear and near naked after his high speed jaunt through the blackberries!

**Another task that stands out was when a multi break alarm was activated at the BMW dealership/service centre in Prahran at around 2.30am.**

Local units arrived on scene and observed a male in the rear of the showroom. The offender spotted police and ran around frantically looking for exit. A security guard arrived on scene allowing members entry to showroom. On hearing that police were entering the building I advised the patrol supervisor that due to the size of the complex, they should exit and hold an external cordon. I arrived on scene and deployed PD Zeus for a search.

The building is very large with multiple underground levels. Over the course of an hour we systematically cleared all levels but could not locate the offender. I started to suspect that the offender had successfully made it out a back door before the cordon could be set up. PD Zeus kept wanting to return to the lower basement service department, so I took him back down to the area, at which time PD Zeus started to indicate at the door to a fan room.

On entering the fan room, PD Zeus gave strong indications and started barking. There was nowhere to hide in this room so I started thinking the offender had somehow climbed inside of the industrial sized ventilation fan unit. There was no obvious way in and I was about to walk away but PD Zeus was still very animated, so I climbed on top of it and to my surprise, located an opening in the wall to the void space under the building. I looked through and using my torch could make out a dark object that was different to the soil approximately 20 metres from me and wedged in a crevice against the outer wall. I yelled out assuming that it was the offender and he eventually made his way to my location. He climbed out and was arrested without incident. It was a great lesson in relation to trusting the dog!

A stolen BMW X5 taken during an Aggravated Burglary and involved in several other Agg burgs, was being tracked by Dandenong Crime Unit. A person of interest likely to be in the vehicle was involved in High Harm, High Impact offending including the use of this vehicle. The police helicopter was in the Caulfield area looking for the vehicle. It managed to get intermittent sightings as did other patrolling units but they were unable to maintain observations.

Tracking showed the vehicle was now stationary and at the same time, there were multiple calls to Triple zero regarding youths observed jumping fences in Hobbiton Road, the vehicle was confirmed to be stationary nearby where these calls were coming from. We were in the area in case the vehicle was abandoned.

We attended the scene and PD Zeus was deployed for a track and search. PD Zeus gave indications of human scent in a rear yard where the two youths had been seen. PD Zeus indicated [redacted] ar fence so we tracked over it in to XXXXXXXX Street with PD Zeus giving indications that the offenders [redacted] inued to jump side fences south in XXXXXXXX Street. While moving through rear yards, I spoke to a resident who confirmed seeing two boys run through their yard jumping fences south bound and PD Zeus gave indications through to the fence line of XXXXXXXX. [redacted]

The access on the side fence to number XX was damaged [redacted] for PD Zeus so we went in to number XX, but PD Zeus was not giving any indications of fresh human scent. We returned to number XX, satisfied that the offenders had not moved beyond the property there and I scaled the side gate. Once PD Zeus reached the fence area where the offenders crossed, he again indicated the presence of human scent and commenced tracking. He dragged me to a large shed/workshop at the rear of the property and I challenged at the door and got no response.

I then advised the police member with me to call all units to surround the property. PD Zeus became very animated but I could not see anyone in the shed and could not see anywhere that could hide two people. I again announced the presence of a Police Dog and sent PD Zeus into the shed off lead to search. PD Zeus quickly honed in and indicated at the rear right of the shed where there appeared to be some small workshop machinery under covers. PD Zeus showed a lot of interest and started to try and push through the covers. I immediately called Zeus to my side and put him back on lead. The offenders, including the original person of interest, were located laying against the shed wall behind the machinery and were arrested without incident. This was a great result and drastically reduced high harm offending throughout the southern region for some time.

It was this very powerful and ground covering movement which allowed him to make a few places and finish a very deserving V4 in this super class. He was very well handled. A top young adult who I suspect is yet to reach his full potential.

Y:6 M:6 D:21 Height/Depth of Chest: 65.5/29 Large, medium strong, very good type and in very good condition. Very correct masculine GSD head, dark mask, dark eyes, very well formed firm ears. He has a good neck, high wither, straight back into a good croup. Very good fore and rear angulation. Good underline. Stands correct in front.

Slightly close going and elbows could be more closed coming. He moves with a very light footed gait with balanced hind drive and free fore reach. A very correct male that I would like to have seen a little more animated in the ring and using his very correct hindquarters to better effect with a little more power in the hind drive.

Very good well formed masculine head with dark mask, dark eyes & good ears. Good length of neck, normal wither, almost straight back into a slightly steep croup. Very good fore and rear angulation. Very good underline.

Stands correct in front. Almost okay going, elbows could be slightly more closed coming. Showed very dynamic powerful movement with very good hind thrust in his individual but during the class he lost his freshness and then the fore reach could have been slightly freer, though maintains a very good outline when he presents himself correctly. A beautiful male who I was genuinely sad to have to demote due to his lack of presentation and willingness to move but I am sure if he gets it together in future he would compete with the best.

Slightly close going but okay coming. Shows a very balanced movement with good reach and drive and maintaining his outline on most occasions but another who needs to be more animated in the ring with a little more hind thrust, so that he is using these very correct hindquarters to full effect. Going is unfortunately very loose, coming is almost okay. In movement he shows a very dynamic and powerful hind thrust and free forward reach, maintaining a good outline but sadly due to the looseness in the rear, he could not be higher in this super class. Shows balanced movement with good reach and drive, has a slight tendency to raise a tiny bit in the back when moving, spoiling his outline but a very good male. The upper arm could be slightly better angled and with slightly deep hind angulation, very good underline. Stands straight in front but the pasterns could be slightly firmer. Okay going, coming elbows must be firmer. Moving shows very balanced ground covering dynamic and powerful movement with very good drive and free forward reach, maintaining a very good outline. ## RETIRING DOGS

Uno arrived in Australia in October 2020. He was VA1 rated in Romania at under 3 years of age in 2018. Despite the limitations in covid restrictions, in Australia he has had a very successful show and breeding career achieving silver medal at 2023 national, 4th place national 2022, WA Sieger 2023, NSW & QLD Sieger 2022 and VIC Vice Sieger 2022 amongst numerous high show placings at specialty shows.

In addition to his show titles Uno has achieved IPO2 and Lifetime Korung. His character is exceptional in every regard and he passes this onto his quality progeny. Many have now successfully passed the GSDCA hip/elbow scheme with the eldest now also going through the survey scheme.

Whilst Uno is still available for natural matings to select females, only a limited number of frozen breedings will be made available.

The owners would like to thank all that have supported Uno, and wish you every success going forward with the foundation he has provided. The biggest joy for us (and for Uno) is seeing his kids out and about.

## Community Companion Dog

Judge Ms Laura Schimke (Qld)

This class was an absolute pleasure to judge, although I only got three qualifiers in this class. The teamwork shown by all the dogs and handlers was excellent. Every dog in this class was happy to be in the ring and be working with the handlers, although there were some dogs that did like to have a bit of a look around, but I was very happy with the way that the handlers showed confidence in the ring and handled their nervousness in this class. This is not always achieved by such a beginner's class. Each team should be proud of their performance. Community Companion Dog

### **Judge Mrs Kim Houlden (Vic)**

Overall, a lovely class to judge. There were two stand out dogs, one was the final Winner of Winners for the weekend and the other gave a beautiful performance marred by a couple of missed positions.

The rest of the class performed very well, minus a couple who decided that there were more exciting things outside the ring.

The standard of work was very good with a few mistakes here and there, sometimes due to the nerves of the handlers.

All the competitors need to be congratulated for the work they have put into their dogs.

### Judge Mr Charlie Giles (ACT)

The overall standard of performance was very high, particularly in the heel work, and there was a definite sense of teamwork between most of the handlers and dogs.

At times potentially good passes were frustrated by the dog missing only one element of an exercise such as failing to come on the recall or failing to sit in the distance control exercise.

The dogs were all happy and willing workers and all handlers displayed good spirit and sportsmanship.

It was a pleasure to judge all the teams and I thoroughly enjoyed the opportunity to judge so many GSDs over the weekend.

## Utility Dog

### Judge Ms Elaine Temby (ACT)

The Utility Dog Class, a fun class for both dog and handler, requires the dog to confidently work away from the handler and make choices! It was tremendous to observe the work ethic displayed by teams in undertaking each exercise. The final result is determined by the successful completion of each exercise and so many things can go wrong, it is quite unforgiving really.

On the day the conditions were perfect and three experienced teams entered the ring. One team worked like a dream but sadly made one small error which deprived them of that elusive qualification card. Although the other teams worked extremely well, it was not their day. Sadly there was no winner in this class as each withdrew from the ring. Congratulations to each team, you all demonstrated your loyalty and commitment to this fun class.

Thank you to the Club and handlers for the opportunity to judge.

## Rally Novice

### Ms Laura Schimke (QLD)

Overall, I was impressed with this class, although for several handlers it was their first time in the ring, and their inexperience in performing and knowing Rally stations, showed in their score. However, in saying that, the actual performance of the dogs and the way that they responded to the handlers was excellent. All dogs and handlers work extremely well as a team, were happy and showed a very positive attitude. I can see some great performance ahead for each team I judged.

Rally Advanced, which is the first class where teams are required to negotiate a course off lead, was lovely to judge. The weather was perfect, albeit a tad windy at times which managed to blow signs around causing moments of chaos and quick action by my steward. Thank you! Overall, teams demonstrated great team work, mostly with a few (ok with a lot of) nerves thrown in, and this was reflected in the overall result. The GSDL of NSW Inc had a Breed Stall at the 2023 Sydney Royal Easter Show on April 17th. This was a great opportunity to talk with the public and for them to learn about the breed and ask questions. We had 4 members and two dogs present, Pirlo von Arminius and Sundaneka Schnook LSC. Many people came up to speak to us about the breed and collected information and advice ranging from exercise, training, socialising and becoming aware of the GSDL and what it can offer them. A fabulous opportunity and the dogs were fantastic ambassadors for the breed and enjoyed the pats and being continually photographed.

## South Australia Club News Review June 2023

The May Obedience Trial was held on 28 May with a modest entry but had some very good results for our club members who participated in the trial. Well done to those members.

Our club rooms were utilised by the West Torrens Council for a seminar on "Strategies for dealing with unfamiliar dogs" – an overview of safe dog handling and presented by, Mr. Andrew Clark. The club was given the opportunity to send two of our Obedience Instructors to the seminar and Robert and Natalie were fortunate enough to attend and were given very valuable tips which can be used by all of our trainers.

The Dogs SA Winter International was held from 1<sup>st</sup> – 4<sup>th</sup> June with the German Shepherd as the feature breed, judged under specialist conditions and judged by FCI judge, Mr. Mukul Vaid from India. The entry was excellent and the show well received by all.

Our dual Championships shows, The Roy Brabham Memorial and Neddermeyer Memorial, were held on 10 & 11 June with an entry of over 100 on both days. Our Judges were, Mr. Mike Bradley (NZ) and Mr. Greg Green (Vic). The shows attracted a good entry from interstate which was very pleasing and a great weekend was had by all.

The club is holding a Quiz Night on Saturday 22 July with our own, Wayne O'Loughlin as quiz master. The club has not held a quiz night for some time so I encourage you to book a table with 10 of your smartest friends as Wayne is sure to find some challenging questions!

We have a new Shepherd News Editor with Donna Vigor recently commencing in this important position. We welcome Donna and look forward to some exciting editions to come.

With the colder weather upon us, we once again have relaxed conformation training for three Wednesdays in June, from the 14 – 28 where no trainer has been assigned but members can still attend club and do their own training. Training will resume as normal from 5 July.

## NEWS FROM OUR MEMBER CLUBS

### M & R Lowery

- Allinka Wilma AZ, 8th Intermediate SC Bitch and awarded Very Good grading.
- Ondja Du Val D'Anzin AZ achieved an impressive 8th Excellent in the Open Bitch SC class.

Our members have certainly not stopped since the National Show and Trial was held at the end of April.

A number of members attended the Working Dog Club show to exhibit under Specialist Judge, Kurt Morton. Congratulations to Kristy Hall, winning Best of Breed and Runner Up In Show with Roxamburg Caught In the Rain. A terrific result!

Then later in May we conducted our second ZAP Puppy Character Assessment in conjunction with a Breed Survey and a Championship Show with judge, Louis Donald.

We held a survey prior to the show on Saturday and are pleased to announce that Wilma passed with flying colours and is now known as \*Allinka Wilma AZ. Congratulations Maureen and Russell Lowery — she looked fantastic!

A huge pat on the back to all who came along and enjoyed the camaraderie around the ring. It was a wonderful day, albeit a tad chilly, (extremely freezing if you are from Queensland) with lots of lovely dogs being exhibited.

Special congratulations to:

- Roxamburg Funhouse winning LSC Challenge Bitch and Best of Breed.
- Karraine Blazes Sterling Silver winning Challenge Dog.
- Alluralie All Out War winning Reserve Challenge Dog.
- Ondja du Val D'Anzin winning SC Challenge Bitch, Best of Breed and Best in Show.
- Sadria Stella Storm winning Reserve Challenge and Runner up in Show.

Many thanks to our Judge, Louis Donald, Steward, Annette Anagnostis, Stenographer, Gabrielle Peacock, Photographer, Gail Donald, Show Secretary, Russell Lowery and to Jodie, who worked all day in the canteen and kept us well fed.

Our members have taken on the ZAP Puppy Character Assessment with enthusiasm. We have now conducted two assessments and members have been thrilled to receive their assessment certificates recently.

Congratulations to Ronanline Rip Tide, not only for sailing through his Puppy Character Assessment, but for gaining his A and Z stamps. Well done to Christine and Mark Douglas!

Not to let her fifth place at the National go to her head, Hasenway Dixie Chick took on a new challenge, gaining her Endurance Title. She did this with great ease, poise, and confidence. Congratulation to Evan Peacock for his training and piloting her throughout the trial.

The next event on our calendar is the September Show to be held on the 23rd and 24th September with judges, Robyn Knuckey and Greg Green. The schedule will be out shortly. Why not enter — we guarantee you'll have a great time.

It is sadness that we learnt of the passing of Monica Stewart, a life member and stalwart of the club. We are grateful to Monica for the contributions she made to the GSDCT. Deepest sympathy and condolences to her family and friends. RIP.

 The ZAP (Zuchttauglichkeitsprüfung) Breed Suitability Assessment  
 The ZAP Breed Suitability Assessment provides and offers guidance to breeders for the utilitarian development of the German Shepherd Dog.  
 The ZAP Character Assessment as one of its elements is conducted to ensure the character and temperament that serves the breed's inherent working qualities are maintained and improved. The assessment allows determination of behavioural characteristics across a number of elements that in assessed will assist breeders to consider traits that are specific to the required utility of the breed.

## Victoria Club News National 2023

This issue is all about the National. It was a great event, and we are so thankful to all our volunteers who helped to make it a successful show and trial. Great performances by dogs and handlers in all rings provided marvellous results. We hope everyone enjoyed the 49<sup>th</sup> National and congratulations to all exhibitors. The full spread in this edition will showcase the many Victorians who did so well in both show and trial. We congratulate you all.

Time waits for no one following a national and before we knew it our club was back into the routine of training and events each week. Branches have been busy and if you follow any branch Facebook page each week we see pics of happy handlers and dogs and even better the pass up photos as they graduate to the next class level. Great work by all at the grass roots level. Cold Melbourne weather has not deterred our hardy members and their dogs. Well done and keep it up! Most also branches celebrated Mothers Day in style. Just because we can we've also held a Structural Assessment in May and our June Breed Survey, both events aimed at improving our breed.

On the Kings Birthday weekend we held our annual Open Tracking Trial at Ballarat. So many exhibitors and dogs had a great time following smells through the paddocks of chilly Haddon with lots of success. Summary of results: 57 tracks, 45 qualifiers, 13 titles. This included 5 GSDs. Thanks to our trial organisers and managers Peter and Dawn Howard. A massive job well done. Congratulations to all those who had success.

The cold of winter is tracking time, but also Endurance Test season and on June 24<sup>th</sup> our ET had 17 entries trundling around Tatterson Park, that included 7 GSDs. Basic fitness and a few months of preparation and bike riding is all the training required as our dogs generally love to get out and run with the bike. It will be a great day out.

New entries to our 13 Club are **Tri Ch(T) (RO)Dual Gr Ch N-TS Killara Volcanic Lava CDX RA**, owned by Urs & Therese Rhyn and **Manprince Wyld Champ** owned by Peter Wallbridge. Always a mighty achievement to reach 13 years, at a time when every day together is special.

What's still to come this year? In August our Double Exhibition Show weekend gets shows going again, with judges Jo Cathie and Henry Lau (Indonesia). Jo will also present the Australian Sires seminar following judging on Saturday. Not to be missed. Our Melbourne Cup Working Dog Club weekend will be here before we know it too with show judges Vince Tantaró and Sanjit Mohanty (India). We also expect a big trial entry and dual performance participation. So good luck!

Our Skye branch will be hosting a trial seminar on 9<sup>th</sup> September with Michelle Daniel titled Advanced ANKC Obedience and Trial preparation Workshop. For those wanting to improve in the ring, its one not to be missed. Book via the GSDCV website. Then its not long until Christmas.....
