[2015]
The cost of the meeting rooms for the GSDCA AGM, NBC/Judges

Committee Meetings, and Obedience Committee meetings are to be borne by the host Member Club.

- 2.6.6** Where the cost of the meeting room is built into the venues “per head cost” the GSDCA Executive will negotiate with the venue to charge a meeting room hire fee, payable by the host Member Club, which will subsequently reduce the cost per head to delegates and observers. [2015]
- 2.6.7** New Executive members and Position Holders shall not receive airfare or accommodation reimbursements at the GSDCA AGM at which they are elected, the subsidy is to apply from the first meeting in their term of office.

2.7 GSDCA Annual General Meeting

- 2.7.1** The GSDCA Executive will set the venue of the AGM at the most cost- effective capital city. [2019]
- 2.7.2** Items placed on the GSDCA AGM Agenda will be as per Section 9 of the GSDCA Constitution.
- 2.7.3** That the GSDCA AGM Agenda will be available electronically through the GSDCA and Member Club websites, no later than the 1 December. As per the GSDCA Constitution the GSDCA Secretary will circulate a hard copy to all GSDCA Member Clubs.
- 2.7.4** A short resume of all nominees for contested positions of the GSDCA Executive shall be included in the GSDCA AGM Agenda. The resume is to be no longer than five hundred (500) words.
- 2.7.5** A GSDCA Executive member may not act as a Member Club delegate at any meeting of the GSDCA.
- 2.7.6** That no decision carried by Member Clubs at the GSDCA AGM can come into effect until the 1st July each year unless decided by the AGM. [2015]
- 2.7.7** All voting of designated Member Club delegates is to be recorded in the minutes of the GSDCA AGM.
- 2.7.8** All minutes are to be issued promptly within twenty-one (21) days of the meeting.

2.8 National Breed Commission and Judges Committee Meetings

- 2.8.1** The GSDCA Executive will set the venue of the NBC Meetings and Judges Committee Meetings on a rotational basis as determined by the ‘cost effectiveness’ of the venue. NBC Meetings and Judges Committee Meetings will be alternated between three capital cities Sydney, Adelaide and Melbourne. [2016]
- 2.8.2** Clubs other than those nominated to host the NBC Meetings and Judges Committee Meetings will be offered a subsidy towards their costs incurred on the maximum outlay by the GSDCA of \$1,000 split by a ratio of kilometers travelled. If a Club chooses not to attend a meeting they are removed from the calculations, which effectively will increase the support given to the other Clubs in attendance. [2016]
- 2.8.3** Agenda items will be called by the NBC Chairperson and Judges Committee Chairperson twelve (12) weeks prior to the meeting and

must be received by the appropriate Chairperson by Close of Business (COB) eight (8) weeks prior to the meeting.

- 2.8.4** The Agenda is to be circulated to all Member Clubs, GSDCA Executive, GSDCA Breed Surveyors and GSDCA Specialist Judges as soon as possible after the close of receipt of Agenda items.
- 2.8.5** That a meeting of ALL GSDCA Breed Surveyors, GSDCA Specialist Judges and GSDCA Specialist Trainee judges will be held at the Annual NBC & Judges Committee Meeting. [2016]

- 2.10.1** That all Executive Meetings be minuted and copies of those minutes be sent to Member Clubs within 30 days. [2017]

2.11 Website

- 2.11.1** The GSDCA Breed Survey Manual shall be placed on the GSDCA Website.
- 2.11.2** That the GSDCA Hip Dysplasia and Elbow Dysplasia Control Scheme progeny results be placed on the website as soon as practicable after the adoption of those reports at the NBC Meeting and AGM.
- 2.11.3** That all past and future medal-winners (i.e. Gold, Silver and Bronze), Memorial/Perpetual Trophy winners at the National Show and Trial, will be recorded on a page on the GSDCA website.
- 2.11.4** All results and critiques from GSDCA National Shows and Trials shall be posted on the GSDCA website as soon as possible after the National Show and Trial. [2016]

2.12 GSDCA Database

[2016]

The GSDCA Database has been developed to provide the GSDCA with a centralised system for the control of all areas of the GSDCA Breed Improvement Schemes and is available via the GSDCA website.

The information contained in the GSDCA Database is copyright to the GSDCA, and at all times remains the sole property of the GSDCA.

This information can only be utilized/printed for personal use by members of GSDCA Member Clubs.

2.12.1 Member access

Members of GSDCA Member Clubs are able to access areas of the database, via login details issued by each Member Club. These login details will be changed every 12 months in line with Club financial years.

2.12.2 Changes to Member access

To ensure further development of the GSDCA Database, the NBC Executive may consider and approve enhancements for access for members of the GSDCA as and when required. [2016]

[2017]

2.14.1 The Working Test ZAP (Part 1 Puppy Assessment) is renamed the GSDCA ZAP Character Assessment [2024]

The GSDCA ZAP Character Assessment is effective February 2022 on a voluntary basis.

- The minimum age to participate in ZAP shall be 9 months.
- The Assessment shall be conducted as per the GSDCA ZAP Character Assessment Manual [version July 2020].
- Dogs that pass the ZAP Character Assessment will be issued with a GSDCA Certificate and the results will be recorded in the GSDCA Database for the information of breeders.
- An animal that fails the assessment may be presented one more time.

2.14.2 Gun test for Excellent grading

The gun test for animals entered in the open class will be conducted at GSDCA specialty and recognised shows where the excellent grading may be awarded. The clapper board (as recognised by the WUSV) may be used as an alternative to the gun test on grounds where the gun test is not approved for use. [JULY 2024]

3 GSDCA BREED IMPROVEMENT SCHEMES

The GSDCA Breed Improvement Schemes promote and offer guidance for the uniform development of the German Shepherd Dog Breed and to improve the overall health and wellbeing of the German Shepherd Dog.

3.1 Eligibility to Participate in the GSDCA Breed Improvement Schemes

The base requirements to participate in any GSDCA Breed Improvement Schemes conducted for or on behalf of the GSDCA are:

- The animal must be an ANKC registered pedigree German Shepherd Dog,
- Owners must be a member of a Member Club of the GSDCA, or if a dog is owned in partnership at least one member must be a member of a Member Club of the GSDCA.
- Residents of Australia who are non-members of any Member Club of the GSDCA may apply for participation in a GSDCA Breed Improvement Scheme provided that the equivalent of one year's subscription fee plus the joining fee of that Member Club is paid in addition to the normal fee applicable to the desired scheme.
- Residents of New Zealand wishing to participate in a GSDCA Breed Improvement Schemes must be a member of the New Zealand German Shepherd Dog Advisory Council (NZGSDAC), or an affiliate of the NZGSDAC.
- Other specific requirements may exist for each of the Schemes (refer the relevant section).

3.2 Positive Identification

The GSDCA National Tattoo Scheme commenced in 1979. The introduction of microchipping became the major form of positive identification for breeders and as a result tattoo numbers declined. The Member Clubs voted for GSDCA Tattoo scheme to cease operation as of 1st July 2017. [2017]

Effective 1st January 2012 the GSDCA agreed to accept EITHER tattoos that are formally recognised by the GSDCA, OR microchips, as positive identification for participation in the GSDCA Breed Improvement Schemes.

For puppies born after the 1st July 2017, the only acceptable identification method for participation in all GSDCA Breed Improvement Schemes will be microchipping. [2017]

The Regulations pertaining to each are detailed below.

3.2.1 National Tattoo Scheme - Ceased 2017

3.2.2 Microchipping

3.2.2.1 Purpose of Microchipping

3.2.2.1.1 To provide positive identification of the German Shepherd Dog (GSD) for:

- a) Litter records,
- b) Proof of ownership,
- c) Identification for GSDCA Breed Improvement Schemes

The microchip is one form of identification for entry to all of the GSDCA Breed Improvement Schemes.

3.2.2.2 **Acceptance of Microchips for GSDCA Breed Improvement Schemes**

3.2.2.2.1 FOR AUSTRALIAN BRED ANIMALS

Effective 1st January 2012 the GSDCA will accept a microchip as a positive form of identification for any ANKC registered pedigree German Shepherd Dog bred within Australia, into the GSDCA Breed Improvement Schemes.

3.2.2.2.2 FOR OVERSEAS BRED ANIMALS (except New Zealand bred dogs)

In the case of overseas countries the GSDCA will recognise a microchip identification from that country provided that complete litter records including the microchip are maintained by the controlling Canine Body, and such information is available from the controlling Canine Body to the GSDCA for verification.

3.2.2.2.3 FOR NEW ZEALAND BRED ANIMALS

New Zealand (NZ) bred dogs must be identified by a microchip controlled through the NZ German Shepherd Dog Advisory Council (NZGSDAC) system, and the microchip number is verified by the NZGSDAC and is also recorded on the Dogs NZ pedigree supplied with the application. [2023]

3.2.2.3 **Administration - Breeders Responsibility**

3.2.2.3.1 As per current ANKC Regulations breeders must provide the microchip number of each puppy at the time of registration with the ANKC.

3.2.2.3.2 In order to avoid issues in the future with incorrect microchip numbers:

- a) Ensure that the details provided to the ANKC at registration are accurate.
- b) Ensure that the correct Name and Registered Number is recorded with the puppy with that Microchip Number.
- c) The Breeders MUST check the Registration papers when they are received from the ANKC, to ensure there has not been a data entry error.

3.2.2.4 **National Identification Registrar's Functions and Responsibilities**

3.2.2.4.1 To submit a detailed report to the NBC Meeting, and a report to the NBC Chairperson for inclusion in the NBC Report to the GSDCA AGM.

3.2.2.4.2 To investigate and resolve any microchip anomalies and provide a report to the NBC Chair.

3.2.2.4.3 Administer the microchip section of the GSDCA Database.

3.2.2.5 **National Breed Commission's Responsibilities**

3.2.2.5.1 To oversee all aspects of Microchipping.

3.2.2.6 **Procedures in the event of an Anomaly with the Microchip Number**

3.2.2.6.1 If at the time of HD/ED x-ray the microchip cannot be found:

- a) The Veterinarian will need to implant another microchip.
- b) The Veterinarian must sign a statement on the HD/ED Control Scheme Application Form that every effort was made to locate the microchip, and it was unsuccessful - and then record the original microchip number (supplied by the Owner) and the "new" microchip number.
- c) The Veterinarian MUST also ensure that this "new" microchip number is recorded on all x-rays.

3.2.2.6.2 If the microchip on the x-ray is different to that on the Registration Papers when the results are received by the GSDCA National HD/ED Registrar - Provided that the microchip number is the same as a microchip recorded against a littermate:

- a) The breeder will be contacted, detailing the issue/s that has been found.
- b) The breeder needs to confirm (in writing) the amended microchip numbers for that litter. [2017]
- c) Once verified the GSDCA Database will be amended and the "alternative" microchip number will be accepted.

3.2.2.6.3 If after HD/ED X-Ray, but prior to Breed Survey, a dog has a NEW microchip implanted (because the original microchip could not be found):

- a) The Owner must apply for another HD/ED Control Scheme Application Form and have the dog re-x-rayed - with the "new" microchip number recorded on the form and the plates.
- b) The x-ray plates will be read (similar to a re-submit).
- c) The two sets of plates will be sent for adjudication to confirm that both sets of x-rays belong to the same dog, and the best result will be awarded to the dog.

3.3 GSDCA Hip Dysplasia (HD) and Elbow Dysplasia (ED) Control Scheme

3.3.1 Readers

3.3.1.1 That all readers take their direction from the GSDCA.

i.e. The GSDCA will determine the scores/grades required for a Pass

3.3.1.2 Readers will be appointed by the GSDCA.

3.3.2 Participation in the GSDCA HD/ED Control Schemes

3.3.2.1 To participate in the GSDCA HD/ED Control Scheme:

3.3.2.1.1 The animal must be an ANKC registered pedigree German Shepherd Dog. NOTE! This includes ALL animals on the Main Register and Limited Registrar

3.3.2.1.2 The animal must be twelve (12) months of age or older, and

3.3.2.1.3 The animal must be positively identified:

- a) For animals born prior to 1st July 2017, by Tattoo through the GSDCA National Tattoo Scheme, or a GSDCA recognised Tattoo scheme; or by microchipping. [2017]

- b) For animals born after 1st July 2017 the only acceptable identification method will be microchipping. [2017 & 2023]

- 3.3.2.1.4 Hip and elbow x-rays that have been scored through the CHEDS scheme by a radiologist who is also a reader for the GSDCA HD/ED scheme be eligible for the GSDCA "A" or "Z" stamp without the need to have further x-rays taken, following purchase of the GSDCA application form, submission with the pedigree to the GSDCA HDED registrar, and meeting the GSDCA criteria. [July 2024]

3.3.3 Purchase of a GSDCA HD and ED Application Form

- 3.3.3.1 A GSDCA HD and ED Control Scheme application form is to be issued by the Member Club HD and ED Control Scheme Registrar upon payment of the required fee.
- 3.3.3.2 The forms must be paid for when purchased and the forms attached to that particular animal's x-rays.
NOTE! - Forms cannot be transferred to another animal, or any monies refunded, under any circumstances.
- 3.3.3.3 That HD/ED forms may be supplied to the breeder of animals at the normal members price, on behalf of owners of dogs bred by that kennel. [2023]
- 3.3.3.4 The State Registrar completes the form with the following details.
 - a) State Contract Number allocated.
 - b) Name of Dog
 - c) Tattoo Number of Dog (for dogs born before 1st July 2017 only), and/or Microchip Number. [2017]
- 3.3.3.5 Incorrectly labelled films will not be accepted for reading.
- 3.3.3.6 A centralized online purchase system for electronic and Elbow (HD/ED) contracts, together with an upload portal for sending x-rays to GSDCA readers for scoring and electronic provision of results is implemented on 1 July 2024. [July 2024]

3.3.4 Correct Labeling of X-Rays

- 3.3.4.1 The onus is on the Veterinarian to ensure that the animals comply with the requirements of the GSDCA HD and ED Control Scheme. Failure to meet these requirements will mean that the animal will be required to be re-x-rayed. No attached labels will be accepted as means of positive identification.
- 3.3.4.2 The x-ray plates/digital x-rays submitted for assessment in the GSDCA HD and ED Control Scheme are to be as follows; -
- 3.3.4.3 The radiographs SHALL be identified RADIOGRAPHICALLY with all of the following:
 - a) the GSDCA tattoo number (for dogs born before 1st July 2017 only), and/or microchip number [2017]
 - b) the date
 - c) right or left marker
 - d) the dog's name
 - e) State Contract Number

- 3.3.4.4 Incorrectly labeled x-rays and/or x-rays of poor quality (plates or digital) will not be accepted for reading and shall be returned by the reader to the HD/ED Registrar. The HD/ED Registrar shall then contact the Veterinarian/Owner advising them of the situation.

3.3.5 Computer Radiography Generated Images (Digital X-rays)

- 3.3.5.1 For computer radiography generated images (digital x-rays) to be accepted by the GSDCA HD and ED Control Scheme, the images must be of a high quality and saved as DICOM Images. (i.e. .dcm extension)
- 3.3.5.2 Images saved and forwarded in any other format will not be accepted for reading and shall be returned by the reader to the GSDCA HD and ED Control Scheme Registrar. The HD/ED Registrar shall then contact the Veterinarian/Owner advising them of the situation.
- 3.3.5.3 If the tattoo number (for dogs born before 1st July 2017 only) and/or microchip number is not identified radiographically on the x-ray plates the animal must be re-x-rayed. No attached labels will be accepted as means of positive identification through the GSDCA HD and ED Dysplasia Control Scheme. [2017]

3.3.6 Advice to Veterinarians for X-Rays

Refer to the “Hip and Elbow Dysplasia Scheme” Application Form, for detailed advice to Vet’s. (i.e. X-ray requirements, labelling, DICOM images, etc)

3.3.7 Forwarding of X-Rays to the GSDCA Appointed Readers

- 3.3.7.1 Once the animal has been x-rayed the x-rays plates/digital x-rays and all documentation are to be forwarded to the nominated reader.
- 3.3.7.2 The x-rays are to include the following documentation:
- a) The GSDCA HD and ED Control Scheme Application Form (signed by the Owner and Vet)
 - b) A copy of the ANKC Registered Pedigree.
 - c) A stamped self-addressed envelope for the return of the provisional result from the GSDCA appointed reader

3.3.8 Receipt of the GSDCA ‘A’ and ‘Z’ Stamp Results

- 3.3.8.1 A provisional result (pink copy) will be returned in the stamped self-addressed envelope. Shortly thereafter a GSDCA Hip and Elbow Control Scheme Certificate will be forwarded by the HD/ED Registrar. The onus is on the owner of the animal to ensure that all details as shown on the certificate are correct.
- 3.3.8.2 If any errors appear on the GSDCA HD and ED Control Scheme Certificate, the original certificate is to be returned to the GSDCA HD and ED Control Scheme Registrar so that a replacement certificate can be issued.

3.3.9 Qualifications for a GSDCA ‘A’ Stamp

- 3.3.9.1 Only animals that score no more than 8 in any one hip, and no score greater than three (3) in any one area, are awarded the GSDCA ‘A’ stamp

- 3.3.9.2 Animals that score greater than outlined above are deemed to have failed the GSDCA HD Control Scheme and are not recommended for breeding and therefore are not able to be presented to the GSDCA Breed Survey Scheme.

3.3.10 Qualifications for a GSDCA 'Z' Stamp

- 3.3.10.1 Only animals that receive a Normal, Near Normal, or Grade One elbow grading, are awarded the GSDCA 'Z' stamp.
- 3.3.10.2 Animals that score greater than outlined above are deemed to have failed the GSDCA ED Control Scheme and are not recommended for breeding and therefore are not able to be presented to the GSDCA Breed Survey Scheme.

3.3.11 Rules for Re-Submit of X-Rays

3.3.11.1 Hip X-rays

X-ray plates of animals that are re-submitted for assessment must adhere to the following:

- a) Resubmit of the second plate to the reader of choice.
- b) If there is a less than 6 point discrepancy then the benefit of doubt shall go to the dog.

If there is a difference of 6 points or greater in the total score, then the matter shall be adjudicated by the HD/ED Registrar sending the two sets of plates to the GSDCA appeal adjudicator (Radiologist) to verify that the two plates are of the same animal. Upon verification to the HD/ED Registrar the animal shall receive the most favourable result.

3.3.11.2 Elbow X-rays

X-ray plates of animals that are re-submitted for assessment must adhere to the following:

- a) Resubmit of the second plate to the reader of choice.
- b) The animal shall receive the most favourable result.

- 3.3.11.3 If the x-ray is being re-submitted due to tilted x-ray and returned to the same reader, then no payment is required when the new form is purchased. Onus is on the owner to provide proof to the Member Club HD/ED Registrar that no payment is required.

- 3.3.11.4 If the x-ray is being re-submitted to a different reader or the same reader for a second assessment, then the form must be purchased.

3.3.12 Appeal System

- 3.3.12.1 The following procedures to appeal a result in the GSDCA HD and ED Control Scheme.
- a) Contact the HD/ED Registrar.
 - b) Payment forwarded to the HD/ED Registrar for the amount of the required fee.
 - c) HD/ED Registrar to request the x-rays to be forwarded to the HD/ED Registrar from the reader concerned.
 - d) X-rays forwarded with payment to the Adjudicator Radiologist.
 - e) Results returned to the GSDCA HD/ED Registrar
 - f) The owner of the animal will be notified of the result by the HD/ED Registrar.
 - g) The animal shall receive the most favourable result.

3.3.13 Publication of Statistics

- 3.3.13.1 A list of all animals that have received a GSDCA 'A' and/or a GSDCA 'Z' stamp during a twelve-month period shall be available on the GSDCA Database. [2015]
- 3.3.13.2 No results of animals deemed to have failed the GSDCA HD and ED Control Scheme will be published.
- 3.3.13.3 Progeny results of sires with more than ten (10) animals submitted through the GSDCA HD and ED Control Scheme shall be collated twice a year for publication on the GSDCA Website, and every twelve months in the QNR. [2015]
- 3.3.13.4 The criteria by which Hip and Elbow plates are being scored and either passed or failed shall be published in the QNR each year.

3.3.14 Retention of Result Sheets and X-rays

The HDED registrar is authorised to dispose of x-ray media (film, CD discs and USB) for all x-rays that have passed the GSDCA HDED scheme after having been retained for a period of 2 years. All other X-rays will be retained and disposed of after 5 years. The results will remain in our database. Effective immediately ie Feb 2024

3.3.15 Breeders Achievement Awards

For details of the Awards, and the criteria, refer Section 4.3 - Awards and Criteria - Breed Commission Awards.

3.3.16 WUSV HD/ED Procedure

That the GSDCA continues with its own HD/ED Scheme, with consideration being given to having its readers accredited by the WUSV and the possible sharing of HD/ED Data. [2017]

3.4 GSDCA Haemophilia Scheme - Ceased 2019

3.4.1 Haemophilia testing of males is no longer a pre-requisite for GSDCA Breed Survey.

3.4.2 Haemophilia testing still required for litter registration with ANKC until 1st January 2020.

Until the 1st January 2020 the following Regulations 3.4.3, 3.4.4 and 3.4.5 have been retained for reference. [2019]

- 3.4.2.1 All imported males and all male progeny from imported bitches must have an Australian H-neg certificate prior to any of their progeny being registered with the ANKC. [2019]
- 3.4.2.2 Any male sired by imported semen must possess an Australian H-neg certificate prior to any of their progeny being registered with the ANKC. [2019]

3.4.3 GSDCA Haemophilia Scheme Registrar

- 3.4.3.1 The GSDCA Haemophilia Registrar is the person responsible relative to the GSDCA Haemophilia Scheme.
- 3.4.3.2 The GSDCA Haemophilia Registrar reports to the NBC Chairperson.

3.4.4 Procedure to Participate in the GSDCA Haemophilia Scheme

- 3.4.4.1 A GSDCA Haemophilia Scheme Testing Sheet is available by downloading from the GSDCA Website (www.gsdcouncilaustralia.org), or can be obtained from the GSDCA Haemophilia Registrar.
- 3.4.4.2 Once the testing sheet is received the additional information is to be completed by the owner and the veterinarian taking the blood sample.

 - Signature of owner
 - Signature of Veterinary Surgeon.
 - Microchip and/or GSDCA tattoo number (for dogs born before 1st July 2017 only). [2017]
- 3.4.4.3 The test result together with the testing sheet is forwarded to the GSDCA Haemophilia Scheme Registrar, who will forward a numbered GSDCA H-neg certificate to the owner and retain a copy for GSDCA records.
- 3.4.4.4 The GSDCA Haemophilia Scheme is the only scheme recognised by the GSDCA.

3.4.5 Instructions to Veterinarians for Blood Sample Collection

- 3.4.5.1 Instructions for blood collection for Factor 8 Coagulant Assays:-
- Factor 8 adheres to glass but not to plastic. ANY glassware MUST be "silicon coated" thus syringes, pip heads and storage tubes should be plastic. The blood must be collected by clean venepuncture, with haemolysis or coagulation. It must be placed into a tube containing 3.8% sodium citrate at a ratio of 1:9 (citrate: blood) centrifuged immediately, at high speed for 10-15 minutes and plasma removed and stored at 4o C if test straight away or frozen at -20o C. Samples must not be thawed until testing is to occur.

3.5 GSDCA Tooth Certificate Scheme

3.5.1 General

- 3.5.1.1 The GSDCA Tooth Certificate is the only recognized certificate that can be used for Shows and Breed Survey. No other form of documentation shall be accepted. It must be produced by the Owner at any Show and/or Breed Survey.
- 3.5.1.2 The issuing of the GSDCA Tooth Certificate is the responsibility of the GSDCA NBC Chairperson.
- 3.5.1.3 The loss of teeth through accident, or mechanical means provided they are attested to by a GSDCA Certificate shall be counted as though they are present and considered as such when making a classification for either class.
- 3.5.1.4 The President or the NBC Chairperson, and when not available, the Member Club's Breed Affairs Chairperson, should inform all overseas judges that this is an official certificate and no other documentation shall be accepted.

3.5.2 Procedure to Participate in the GSDCA Tooth Certificate Scheme

3.5.2.1 Eligibility

3.5.2.1.1 There shall be no minimum age of the animal whereby a tooth certificate will be considered.

3.5.2.1.2 Only animals where the tooth or teeth have been removed, or are NOT visible above the gum line are eligible.

An animal with damaged/broken teeth (where part of the tooth is visible above the gum line) does not require a GSDCA Tooth Certificate.

3.5.2.2 Procedure for Animals that have been Successfully Breed Surveyed

3.5.2.2.1 For animals that have been successfully Breed Surveyed for a GSDCA Tooth Certificate to be awarded the following procedure must be met:

- a) Complete the "Tooth Certificate Application Form" (as found on the GSDCA website), and forward it to the NBC Chairperson together with the following:

- c) Payment of the prescribed fee.

3.5.2.2.2 The NBC Chairperson will:

- a) Issue the GSDCA Tooth Certificate.
- b) Arrange for the details of the GSDCA Tooth Certificate issued to be published annually. [2015]

3.5.2.3 Procedure for Animals that have NOT been Previously Breed Surveyed

3.5.2.3.1 For animals that have not been previously Breed Surveyed, the onus of proof shall be upon the owner of the dog to prove absolutely beyond all doubt that the said tooth was a normal healthy adult (secondary) tooth.

3.5.2.3.2 For a GSDCA Tooth Certificate to be issued, the following procedure must be met:

- a) Complete the "Tooth Certificate Application Form" (as found on the GSDCA website), and forward it to the NBC Chairperson together with the following:
- b) The x-ray proving that a normal, healthy, developed adult tooth existed at a point of time (provided by the owner).
- c) The x-ray must be identified radiographically with the GSDCA Tattoo Number (for dogs born before 1st July 2017 only) and/or microchip number as recognised by the GSDCA. [2017}
- d) The x-ray must be taken in accordance with the GSDCA regulation for acceptance of x-ray plates or digital x-rays (Refer to GSDCA Regulation titled Acceptance of x-ray plates and computer radiography generated images (digital x-rays).
- e) A written agreement that all costs associated with gaining specialist dental opinion will be paid by the owner, and payment of the prescribed fee.

3.5.2.3.3 The NBC Chairperson will:

- a) Forward the x-ray to a Veterinary Dentist for an opinion.
- b) A copy of the opinion will be forwarded to the owner regardless of whether or not a certificate is issued.
- c) If verified by the Veterinary Dentist, issue the GSDCA Tooth Certificate. All fees must be paid prior to the issuing of the GSDCA Tooth Certificate.
- d) Arrange for the details of the GSDCA Tooth Certificate issued to be PUBLISHED ANNUALLY

3.6 Breed Survey

To promote and offer breeding guidance for the continued development of the German Shepherd Dog Breed in Australia.

It is expected that animals that are successfully Breed Survey Classified will contribute to the overall improvement of the breed in Australia

The Breed Survey Year commences on the 1st January and ends at the 31st December. [2015]

For further information pertaining to the Breed Survey Scheme refer the GSDCA Breed Survey Manual. [2020]

3.7 GSDCA Approved Overseas Breed Improvement Schemes

The GSDCA recognises Breed Improvement Schemes from overseas countries on the proviso that animals are positively identified with a tattoo and/or microchip as registered in an official scheme conducted by the organisations listed below.

3.7.1 Hip Dysplasia and Elbow Dysplasia

The GSDCA currently recognises results from Hip Dysplasia and Elbow Dysplasia Control Schemes that determine that an animal is recommended for breeding. In addition, the identification of the animal must be verified at the time of x-ray and recorded on the x-ray.

Currently those organisations are:

Country	Organisation

- 6.2.3.3 The NBC Executive shall forward its recommendations to the GSDCA Executive for consideration and approval.

6.2.4 Requirements for Aspirants

Following acceptance and approval of the application to undertake the GSDCA Specialist Judges' Extension Course, Aspirants are required to successfully complete the following requirements.

6.2.4.1 Stage 1 - Mentoring

Mentoring is provided by a breed surveyor judge (of at least 5 years experience), who provides support to a participant in the GSDCA Specialist Judges Extension Course in their Stage 1 assessments. This includes discussion on the animals presented in the classes, critique writing, gradings and placings. [2016]

- 6.2.4.1.1 The aspirant shall undertake three (3) mentoring appointments at a Show conducted or hosted by a GSDCA Member Club. This can be a Championship/Open or a GSDCA approved Show conducted in conjunction with an All-Breeds show (e.g. Working Dog Club Vic.). The Aspirant and Mentor Judge are seated outside the ring, so there is no impact on the actual judging of the Show.

- 6.2.4.1.2 Following the completion of each of the three (3) mentoring appointments a written report is to be completed by the applicant and sent to the Chair of the Judges Committee, within two weeks of the completion of each of their mentoring appointments. Should the report not be received within this time frame, the aspirant's mentoring appointments will not be acknowledged as counting towards the requirements for the successful completion of the course.

- 6.2.4.1.3 During Stage 1, all Aspirants are to complete 50 written critiques that can be completed at shows, breed surveys or on training days. They need to be reviewed and signed by a GSDCA Specialist Judge on the day and then sent to the GSDCA Judges Committee Chair. [2016]

- 6.2.4.1.4 The successful completion of Stage 1 deems the applicant eligible to undertake the next part of the course. Notification to the applicant is made by the Chair of the Judges Committee.

6.2.4.2 Stage 2 - Examinations [2016]

- 6.2.4.2.1 Examinations can only be taken once the applicant holds a current ANKC GSD/ Working Dog Championship Show Judges licence.
- 6.2.4.2.2 A minimum of six weeks (6) where practicable, will apply between applicants' appointments.

6.2.4.2.3 There is to be only one (1) aspirant appointment per judge at a GSDCA show. Only one examination is allowed over a double weekend per participant.

6.2.4.2.4 The applicant shall complete three (3) practical examinations, two under different assessor judges or any substitute judge appointed by GSDCA Judges Committee. The third examination will be where the aspirant is judging and the assessment is completed by the GSDCA assessor judge. The written critiques, together with all class call out orders, are to be sent to the Chair of the GSDCA Judges Committee and the assessor judge, plus a short written report on the virtues and faults of animals and the overall show within three (3) weeks of the show. One examination is to be under the GSDCA President, NBC Chair or Judges Committee Chair, or previous NBC Executive members, if these position-holders are qualified examiner judges. [2018]

6.2.4.2.5 Examinations can be held during any GSDCA approved show other than the National Show and Trial.

6.2.4.2.6 Aspirants where possible should only complete one examination at a show conducted by their Member Club of the GSDCA.

6.2.4.2.7 The aspirant will be assessed on the following:

- a) Suitability of attire
- b) Punctuality
- c) Application of the standard (knowledge)
- d) Writing critiques - The aspirant will simultaneously, as the examining judge is completing his/her individuals, write his/her critiques on the class presented. This will be from Junior class upwards.
- e) Devise a call out order of the exhibits critiqued. The aspirant will give a copy of their call out order, immediately upon the completion of the individuals, to the examining judge after each class critiqued. Should the call out order vary dramatically from the examining judge's, the reasons including application of the standard, are to be discussed and explained.
- f) Aspirant to provide examiner judge with gradings for the class, prior to the adjudicating judge announcing his/her gradings on the pegs.
- g) A minimum of twenty (20) dogs shall be critiqued at each examination.
- h) Overall performance.

The aspirant will also be required to answer questions on methodology, critique writing, anatomy, grading and any other area the examining judge deems appropriate.

6.2.4.2.8 The aspirant must submit a copy of their critiques, including gradings, to the examining judge and the Judges Committee Chair, within three (3) weeks of the Show.

Critiques to include:

- a) Name of Club conducting Show, Date and Place
- b) Place and grading of each exhibit
- c) Name of exhibit and known titles eg Breed Survey, 'A' 'Z' etc

- d) Age of exhibit
- e) Sire and Dam

6.2.4.2.9 The aspirant must also submit a show report to the examiner judge and Chair of the Judges Committee, within three weeks of the Show.

The report should include:

- a) Show, date and venue.
- b) A general critique on the animals judged including the virtues and faults.
- c) Any observed notable bloodline contributions.

6.2.4.2.10 Upon receipt of the aspirant's paperwork, the examiner judge will submit an examination report on the aspirant, stating whether the examination was satisfactory or unsatisfactory, to the Chair of the Judges Committee. A copy of this report will be sent to the aspirant by the Chair of the Judges Committee.

6.2.4.2.11 If the required paperwork is not received from the aspirant within three (3) weeks of the Show and the aspirant does not offer any reason for the paper work not being presented within the required time frame to the Chair of the Judges Committee, the examination will not be counted towards the three (3) examinations required for the completion of the course.

6.2.4.3 Appeals

6.2.4.3.1 If the aspirant is unsuccessful in an examination, an appeal should be lodged with the Chair of the Judges Committee in writing within a week of the result being known and the ground for appeal being clearly stated.

6.2.4.3.2 The appeal will be reviewed by three (3) examiner judges who have not been involved in the unsuccessful examination process, including, if possible, the Chair of the Judges Committee. The result of that review will be made known to the aspirant and the examining judge as soon as practicable.

6.2.4.3.3 The applicant will be advised, as a result of the appeal, their next stage of continuing in the course.

6.2.4.4 Awarding of the GSDCA Specialist Judges Badge and Certificate

6.2.4.4.1 Successful Aspirants will be awarded a GSDCA Specialist Judges Badge, a Certificate and their name added to the GSDCA Specialist Judges' List. Presentation of this award will be made at a National, or at a show determined by the Chair of the Judges Committee.

6.3 GSDCA Breed Surveyors

6.3.1 Re-instatement Application

That a Breed Surveyor who surrenders his/her Breed Survey status and wishes to be re-instated as a Breed Surveyor must produce evidence of renewed activity.

This will be evidenced by attendance at specialty shows including the GSDCA National show and breed surveys 12 months prior to application for reinstatement. The applicant must have their application endorsed by a Member Club of the GSDCA in their State or Territory of

domicile. This documentation is to be forwarded to the NBC Chairperson and to be placed on the Agenda for approval at the NBC Meeting and ratified at the following GSDCA AGM. [2017]

6.3.2 State Breed Survey Coordinator

A State Breed Survey Coordinator is to be appointed by the NBC Chairperson to be responsible for breed surveys in the State and responsible directly to the NBC Chairperson.

6.3.3 GSDCA Re-accreditation Process

That commencing on 1 July 2024, the GSDCA NBC Executive implements a formalized criterion-based re-accreditation process, requiring GSDCA Breed Surveyors to meet specific standards every three years to maintain their GSDCA Breed Survey status. [2024]

6.4 GSDCA Aspiring Breed Surveyors

6.4.1 Criteria and Procedure for Aspiring Breed Surveyors

- 6.4.1.1 The applicant must be a financial member of a GSDCA Member Club
- 6.4.1.2 The applicant must have and provide evidence of:
 - a) Owning, exhibiting and breeding German Shepherd Dogs for a period of (10) years his or her breeding activity to have included a minimum of ten (10) litters
 - b) Breeding ten (10) animals which have passed the GSDCA National Breed Improvement Schemes
 - c) Breeding five (5) individual animals that have received an excellent grading at GSDCA Member Club Specialist Shows or GSDCA approved Shows.
- 6.4.1.3 The applicant must provide with their application a resume of their involvement at their Member Club of domicile and /or GSDCA level.
- 6.4.1.4 The applicant must have officiated as GSDCA judge or Aspirant GSDCA judge at a minimum of ten (10) shows as conducted by GSDCA Member Clubs or at approved shows where gradings as approved by the GSDCA are awarded and both written and verbal critiques are given from the Junior classes upward, to be eligible for Breed Surveyor status.

Consideration may be given by the NBC Executive to accept applications from aspirants who have completed no less than five judging appointments at the time of application, on the condition that the required number (10 shows) will be completed whilst the Aspiring Surveyor is in training. If the required number of appointments is not completed within the 12-month training period, the aspirant shall continue in the course until such time as the requirements are met.
- 6.4.1.5 The applicant must have adhered to their Member Club, Canine Control and the GSDCA Codes of Ethics. A declaration to this effect must accompany the application.

- 6.4.1.6 The applicant must have their application endorsed by the Committee of a Member Club in their State or Territory of domicile of which they are a member.
- 6.4.1.7 The applicant shall make application which will contain all supporting documentation to the NBC Chairperson.
- 6.4.1.8 The application must be received no later than the close of call for agenda items for the NBC Meeting.
- 6.4.1.9 The application if accepted will be included as an agenda item for the NBC Meeting.
- 6.4.1.10 The NBC Executive will consider the application and will inform the applicant personally before the NBC Chairperson makes a recommendation to the NBC Meeting.
- 6.4.1.11 If successful, the Aspiring Breed Surveyor shall agree to undertake a twelve (12) month training period to advance their knowledge of the German Shepherd Dog.
- 6.4.1.12 The Aspiring Breed Surveyor must attend at least three (3) Breed Surveys in their State or Territory and at each Breed Survey undertake a mock Survey and complete a GSDCA Breed Survey Worksheet independently from the officiating Breed Surveyors on the day.
- 6.4.1.13 If three (3) Breed Surveys are not conducted in a twelve (12) month period in the applicant's state of domicile then the applicant may make application to the NBC Chairperson to participate in a Breed Survey in another State or Territory.
- 6.4.1.14 At the completion of each mock survey and assessment, a review process will be undertaken with the Aspirant and officiating Breed Surveyor.
- 6.4.1.15 The three (3) assessments cannot be completed under one Breed Surveyor. The process is to be one of mentoring the Aspirant.
- 6.4.1.16 At the completion of the review process the assessment together with an evaluation report by the officiating Breed Surveyor will be forwarded to the NBC Executive.
- 6.4.1.17 In cases where an Aspirant fails to meet with a positive evaluation in any one (1) of the three (3) assessments, they will be required to undertake an additional mock survey in order to gain a total of three (3) positive assessments. It must be noted that this may delay the approval process.
- 6.4.1.18 Once the NBC Executive has received three (3) positive assessments the NBC Executive will recommend to the next NBC Meeting that the Aspirant be formally recognised as a GSDCA Breed Surveyor.
- 6.4.1.19 A resume of the newly appointed Breed Surveyor shall be published in the QNR in conjunction with the GSDCA AGM Agenda.
- 6.4.1.20 The recommendation as approved by the NBC Meeting will then be put forward to be ratified at the next GSDCA AGM.
