Judge – Mr Peter Flynn (SA)

Judges Summary of Show

Firstly, I would like to thank the GSDCV for the invitation to judge the 111th Championship Show. The Show Committee of the GSDCV always run a very high standard show and this weekends shows were very well run with a friendly environment. Thank you to my stenographer Barb Blythe who speedily and accurately recorded my critiques, and to my steward Glen Moore who kept the ring running very efficiently.

While the weather was warm to hot the dogs handled the heat well. Overall the quality of the animals was very good, with a number of dogs of a very high standard, who I am sure will do well at the upcoming National in Queensland.

Height was generally not an issue with only a few dogs being measured on the limit of size (+1 cm) with none being measured oversize. Colour and pigmentation was generally very good. Proportions of height to length were very good with a few animals being a little compact. Heads were very good with very good masking, eye colour tended towards medium dark. Length and lay of necks were good with some animals having slightly short necks. Withers were good, backs firm, and croups tended to be slightly short and steep. Forequarters were good where most animals upperarms needing to be longer and better angled. Hindquarters were generally very good. Fore and under chests were generally very good with a few animals having short under chests. Most dogs displayed very ground covering gait with strong drive, and good reach. Temperament was very good, although owners need to spend more time training their dogs to have their teeth inspected.

I was pleased with the depth of quality of most classes.

I would also like to thank the exhibitors and handlers for the sportsmanship they showed towards my placement decisions.

Peter Flynn
