

German Shepherd Dog Club of Victoria 112th Championship Show

9th March 2025
KCC Park Skye

Judge – Mr Steffen Straub (Ger)

Dear Friends of the German Shepherd Club of Victoria,
First of all I would like to say thank you!

It was a great honour to judge the 112th Championship Show in Australia. The impressions were breathtaking, the country, the climate, the animals and only friendly people. I felt very comfortable and enjoyed this short time very much.

Now for the traditional show

There were 112 dogs entered and the event was held in an excellent venue. Exhibitors, guests and judges were well catered for. The number of entries in the various classes was very balanced. I was also amazed at the high anatomical quality of the various individual animals, in every class there was a top field that would easily be competitive in Germany. The well-known problems of size and unstable hindquarters were minimal at this show and should be mentioned positively. There were hardly any animals with anatomical exaggerations, but for the future it would be desirable to improve the structure of the forequarters and the length of the croup. Almost all the dogs were well presented and very professionally handled. The presentation at the show was commendable, all owners, handlers and double handlers behaved in an exemplary manner, a big compliment to them all.

As in many countries I did not receive a catalogue in advance, so it was all the more pleasing to read afterwards that many animals were bred nationally. Here is a little advice from me: don't breed only with placing dogs, breed with those dogs in which you see potential for improvement for your breeding!

It was a pleasure to meet up with my colleague Peter Flynn. I had a great time talking about sheepdog times past and present. Different countries, same hobby, just great.

I would also like to thank the Tantaro family once again, what you have made possible for me in such a short time is simply unbelievable and cannot be taken for granted!

Thank you so much!

Finally, I'd like to thank everyone I haven't mentioned personally. Stay healthy and see you soon at some dog event in the world.

Yours sincerely

Steffen Straub
