

Neddermeyer Memorial Championship Show 2025

Sunday 8/6/25

Judge: Ms Melanie Groth (NSW)

Thank you to the GSDCSA for the invitation to judge the J & J Neddermeyer Memorial Show in 2025. It was indeed a great honour to judge this event and to also see Martin attend with his female. Thanks so much to the show team ring crew that worked with me under fairly trying weather conditions. Judy, Mike, Marilyn, Robert, and stenographer, Donna; thank you for assisting me with professionalism and care.

The quality of the exhibits was very good overall, with some real quality animals particularly in the Open classes. All the open class winners of both varieties are really top-class dogs that could win in any state of Australia and abroad. Given the location and proximity to the 51st National it was pleasing to have such a good number of exhibits enter and attend the show.

Congratulations on a well-run event and thank you to the exhibitors for taking my decisions with good grace and sportsmanship. All the best to the GSDCSA for the future.

A well above medium size, dry & firm, well coloured, slightly elongated male of pleasing type. Very good head & expression with dark mask & eyes. Slight Roman nose & rather large ears. Strong, powerful neck. Slight nick behind high wither, straight back. Quite well moulded croup. The upper arm is a little steep but is of good length. Powerful hindquarter. Very good fore & underchest. Very good length of foreleg. Steps a little narrow at rear where the hocks should be a little firmer, correct in front where the elbows should be tighter. In movement he shows very good, powerful drive in the rear with good ground coverage while maintaining a good wither line.

Graded Very Good

A just above medium size, just medium strong, slight stretched, well coloured & pigmented male of pleasing type. Very good head & expression where the ears should be set a little higher on skull. Very good masking & medium eye colour. Strong, powerful neck. High wither, straight back. Well moulded, just slightly steep croup. The upper arm could be ideally be a little longer. Slightly deep hindquarter angulation. Presents a very nice picture in stance. Good fore & very good under chest

development. Steps correct front & rear, however the elbows are a little open. The tail has a slight cast to the left. Shows a nice easy, free flowing movement whilst maintaining a high wither. **Graded Very Good**

A large, medium strong, black & tan male of slightly stretched proportions. Missing hair in the underline which detracts from the overall appearance. Very good head & expression with very good masking. The lips could be a little tighter. Strong neck of good length. Slight nick behind high withers, straight back, well moulded croup. The upper arm should be slightly longer. Very good hindquarter angulation. Very good fore & underchest. Very good length of foreleg. Steps correct at rear where the hocks should be a little tighter, correct in front where the elbows could be little tighter. Overall he would benefit from being more robust in his development. In movement he displays powerful drive with just a slight restriction in reach whilst maintaining high withers. **Graded Very Good**

A well above medium size, just medium strong dog of compact proportions. He should be much more masculine in the head & stronger in the upper & lower jaws. Good masking with dark eyes. Large ears that are well shaped. The neck should be a little longer. Slight nick behind high withers, straight back, slightly short & steep croup. Good fore & very good hindquarter angulation. Good fore & slightly short underchest. Stands correct in front. Steps correct both front & rear. Moves with high withers and a slight stepping action in the reach. There is a slight imbalance between the reach and the drive that effects the sequence of steps. **Graded Very Good**

A very large, robust & strong, attractive, well-constructed male of very good type. He presents a very good picture in stance and is well built. Masculine expression with a well-formed skull and foreface and slight furrow over the eyes, medium eye colour. Good ear set. The lips should be a tighter. Powerful neck. Level withers with a slight peak in the topline and slightly steep croup of good length. Very good angulations of both the fore & hindquarter. The back line hair does not lie flat and just spoils the overline a little. Very good length of foreleg. Stands and steps correct front & rear, where the elbows should be a little tighter. Ideally the bone strength should be a little stronger for his overall mass and size. The movement, is strong, powerful and purposeful. He exhibits a slightly high stepping action in the forereach while maintaining very good withers with good ligamentation. Gunsure. **Graded Excellent**
