

67TH MEMBERS

SPECIALTY COMPETITION

Sunday 17th August 2025
Judge: Mr Andrew O'Loughlin (SA)

I'd firstly like to thank the club for the invitation to judge, Kerry and Kim for the lovely lunch, Ian for stewarding, Donna as stenographer and Marilyn and Stephen as stand-in Show Managers.

There were a total of 46 entries, of which 43 were exhibited and I thank all the exhibitors for their support and entry and for the chance for me to judge some quality animals.

The weather was excellent for the day – a breeze kept it cool in the morning, but when the sun came out, it was very good showing conditions.

It was pleasing to see most animals presenting themselves well in the ring, with only a couple of younger animals not as confident. However I'm sure this will change for them in time with more training. All animals measured were confident with the stick and measured within size. A few animals didn't like their teeth being checked, but this could have been helped by handlers holding the animals a little differently and by owners practicing this at home.

While most animals had a very good length of upper arm, the angle still needs improving. This is something breeders must look at when selecting breeding partners. Another area not commented on in critiques, but starting to creep in as a concern for me is ear placement and strength. There are more animals with wide set ears, soft ears, or ears placed forward and thus starting to lose the German Shepherd head outline. The head is the hallmark of any breed and if we don't address these concerns, we will lose the recognisable silhouette.

I was pleased to see a number of promising babies presented and look forward to seeing how they develop. Other notable animals for me were 1st place intermediate bitch stock coat, 1st place open bitch long stock coat, 1st and 2nd place open bitch stock coat, 1st place open dog long stock coat and 1st place open dog stock coat.

The 43 exhibits were sired by 25 different sires, with the highest number of 4 sired by Bronboreo Russian Bomb, Jack von Fenrir and Salvatore vom Grafenwald. Salvatore was the most consistent sire, with three 1st places. The exhibits were also from 34 different dams, with the most exhibits from any one dam being 3.
