

## German Shepherd Dog League Members Competition

7 December 2025 – Judge Mr Ian Urie (Victoria)

Report on the Show:

I was called in at under a week's notice to judge this Members Competition, after the contracted judge had to withdraw due to recent surgery. There were further complications with the weather forecast to be 41 degrees on the Saturday evening when the show was scheduled to be held. The show committee made application to Dogs NSW and the show was rescheduled for Sunday morning, when the weather thankfully was more amenable. I thank the Secretary for her work rescheduling my flights, which incurred some extra expense for the Club.

The show had a small entry of 52 animals, and 38 were exhibited (understandable, given the conditions and changes of times etc.) Nevertheless, I found some very good animals, and I was very happy with my winners in both coat varieties. I was impressed that the majority of exhibits stood within the correct size range, with several being just medium size and only two males that measured oversize. There were only a few animals who exhibited looseness of the hocks due to over-angulation in the hindquarters, which was also pleasing. Unfortunately judging had to be suspended for a period whilst we compiled a report to Dogs NSW concerning an exhibit that showed aggressive behaviour.

I thank the club for the appointment, which is the first opportunity I have had to judge in NSW since 2018. Thank you to my Steno Mel, and Steward Rhonda, and I also thank the President Matthew for looking after me and driving me to and from the airport. Congratulations to the winners and thanks to all exhibitors for your entries.
