

Thank you to the Queensland Club and show committee for their invitation to judge this Members Comp which was very well organized and run. The trophies, rosettes and ribbons were a credit to you. The predicted morning rain held off although it did get a bit warm during the day. There was 39 entered and 26 shown on the day. The current fuel crisis heavily impacted the entries and exhibitors, I'm grateful to those who managed to attend. Whilst the numbers were small it was made up for by the high quality of animals presented on the day.

Many thanks to Dave my steward and Nicky my steno for making my job so easy as they are both extremely good at what they do.

I was very please with how the handlers and dogs presented themselves in the ring. All were very good with measuring, teeth and testicles check.

Generally the heads were very good with medium to dark eyes, a few double P1s and roman noses. The backline seems to be settling down with not too many peaky backs, croups were mainly of good length with a few slightly steep. Very few stood correct in front which is something that needs addressing. Most hindquarters were very good with only a couple slightly deep and hocks in general were very good too.

Sharon Thorpe and Catherine Walker went above and beyond looking after Patrick and me to ensure our time in Queensland was both relaxing and enjoyable. Thank you.
